Independent Auditors' Report

To the Plan Administrator of
Hyatt Holding Corporation 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Hyatt Holding Corporation 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021 we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Hyatt Holding Corporation 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Hyatt Holding Corporation (the "Company" or "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Plan administration - The Company is the Plan Sponsor and Plan administrator and is responsible for oversight of the Plan and for monitoring investment activity. The Plan's assets are in the custodianship of United of Omaha Life Insurance Company (the "Custodian"). The third party administration of the Plan is contracted to 401(k) America, Inc. (the "TPA") and the recordkeeping is contracted to Ascensus, LLC.

Tax status - The Plan is a prototype plan offered by the TPA. The Internal Revenue Service has determined and informed the TPA by letter dated February 1, 2015 that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). The Plan has been amended since adoption. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

Participation - Employees of the Sponsor over twenty-one years of age are eligible to participate in the Plan. Eligible employees may commence participation on the entry date, which is the first day of the month following the satisfaction of eligibility requirements.

Participant contributions - Participant salary reduction contributions to the Plan may be deferred as a flat amount or as a percentage ranging from 1% to 100% of regular compensation. However, the total of these salary deferral contributions may not, in any calendar year, exceed limitations set by the Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Eligible employees who will reach age 50 before the end of any Plan year are eligible to make catch-up contributions in accordance with provisions of the IRC. Such catch-up contributions are not taken into account for purposes of calculating matching sponsor contributions.

Sponsor contributions - The Sponsor, at its discretion, may make additional profit sharing contributions. Contributions are subject to certain limitations defined in the Code. The Sponsor elected not to contribute to the Plan for the year ended December 31, 2021.

NOTE 1 - DESCRIPTION OF PLAN, Continued

Participants' accounts - Separate accounts are maintained for each participant's deferred compensation, rollover contributions, and allocations of the Sponsor's profit sharing contributions, if any. All gains, income, or losses are allocated separately to each participant's account, based on the performance of the investments within that account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct their contributions into any or all of the investment accounts with the Custodian.

Vesting - Participants are immediately vested in all of their participant accounts.

Payment of benefits - Employees are entitled to receive benefits, in the form of a lump-sum distribution of the total account balance, beginning at the later of age 55 or on the 5th anniversary of participation, unless an alternate form of payment is selected, as defined in the Plan agreement. If a participant dies before retirement benefits have begun, the participant's beneficiary is entitled to 100% of the account balance.

Upon termination of service or disability, a participant may elect to receive either a lump-sum distribution or direct transfer to either an Individual Retirement Account or a qualified retirement plan. Other withdrawals from the Plan can be made under certain circumstances, as defined in the Plan agreement. Participants who are 100% vested and 59 ½ years of age may take an in-service withdrawal of all or a portion of the value of their vested accounts once each plan year.

The Plan implemented the Coronavirus Aid, Relief, and Economic Security ("CARES") Act during 2020 to allow for impacted Plan participants to take a COVID-19 related distribution up to $100,000 from the Plan during 2020.

Hardship withdrawals - In the event a participant experiences a financial hardship as defined in the Plan agreement, the participant may be eligible to request a hardship withdrawal.

Forfeitures - Non-vested amounts forfeited by participants upon termination, as a result of prior provisions, are available to reduce future payments of the Sponsor's contributions. The total available forfeiture balance as of December 31, 2021 and 2020 was $0 and $15, respectively.

NOTE 1 - DESCRIPTION OF PLAN, Continued

Notes receivable from participants - Participants may borrow against their accounts in amounts not less than $1,000 and not to exceed the lesser of $50,000 or 50% of their account balance. Loans to participants are collateralized by the participants' vested account balance. Participants may have only one note outstanding at any given time. Repayment schedules for notes receivable from participants are as agreed upon by the participant and the Plan administrator, but cannot exceed repayment terms defined by the Code. Generally, notes mature within five years unless the note is for the purchase of a personal residence not to exceed 20 years. Principal and interest is paid ratably through monthly payroll deductions. Interest on new notes is based on the published prime lending rate at the time of origination, plus 1%.

Plan termination - Although it has not expressed an intent to do so, the Sponsor reserves the right under the Plan, to cease contributions and terminate the Plan, subject to action by the Sponsor's Board of Directors and subject to the provisions of ERISA and the Code. Upon termination of the Plan, all participants become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of investments - Investments are reported at fair value (except for fully-benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Fair value measurements - The Plan measures fair value under a framework that utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs which prioritize the inputs used in measuring fair value are:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Guaranteed investment contract with an insurance company - The Plan invests in a fully benefit-responsive guaranteed investment contract with the Custodian. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

The guaranteed investment contract meets the fully benefit-responsive investment contract criteria, therefore contract value is the relevant measurement attributed for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is agreed upon with the issuer.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes in the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Realized and unrealized appreciation (depreciation) - Realized and unrealized appreciation (depreciation) is based on the contract and market values of the assets at the end of the Plan year compared to the contract and market values of the assets at the beginning of the Plan year, or at the time of purchase for assets purchased/exchanged during the Plan year. In the Statement of Changes in Net Assets Available for Benefits, the Plan presents the net appreciation or depreciation in the fair value of investments, which consists of realized gains or losses and unrealized market value appreciation or depreciation of investments.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Outstanding notes receivable from participants at December 31, 2021 bear interest at rates ranging from 4.25% to 6.25% and mature through October 2024.

Participant distributions - Benefits paid to participants are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Plan expenses - Non-investment costs and certain administrative expenses of the Plan are paid by the Sponsor, which is a party-in-interest. These expenses are not reflected in the accompanying financial statements and constitute exempt transactions under ERISA. Investment service fees are paid by the Plan and are netted against the related investment income. Certain administrative expenses are paid by the Plan.

Income taxes - Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2018.

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic, and on March 13, the President of the United States declared a national emergency relating to the disease. In addition to the President's declaration, state and local authorities have recommended social distancing and have imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however, are expected to have adverse impacts on domestic and foreign economies.

The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. As a result, the Plan's various investment securities have experienced significant increases in volatility in fair value since December 31, 2019. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Subsequent events - Subsequent events have been evaluated by the Sponsor through October 12, 2022, which is the date these financial statements were available to be issued.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for the investments measured at fair value and contract value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts - These investments are valued at Net Asset Value ("NAV"), which is considered a practical expedient for fair value. The NAV is based on the value of the underlying assets owned by the fund, minus liabilities, and then divided by the number of shares outstanding. The Plan has no restrictions regarding its ability to redeem the separate accounts at their respective net asset values and they can be redeemed on a daily basis. These investments have no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2021 and 2020, all fair value investments were valued using NAV as a practical expedient, and accordingly, no fair value hierarchy table was presented.

Guaranteed investment contract with an insurance company - The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than a designated percent.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest, by definition, include a plan sponsor or employee, fiduciaries (including those who provide investment advice or who have discretionary control over Plan assets), and those who provide services to the Plan. Notes receivable from participants qualify as exempt party-in-interest transactions. Plan investments include certain investments in pooled separate accounts and a guaranteed investment contract managed by the Custodian and, therefore, transactions with these entities qualify as exempt party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE 5 - INFORMATION CERTIFIED BY THE CUSTODIAN OF PLAN ASSETS (Unaudited)

Management has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, United of Omaha Life Insurance Company, the Custodian of the Plan, has certified that the following investment information is complete and accurate:

- All amounts included as investments in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020;
- Investment income included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021; and
- All information in the Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, except for notes receivable from participants.
