INDEPENDENT AUDITOR'S REPORT

To the Trustees,
Infragistics, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Infragistics, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit Plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of Infragistics, Inc. 401(k) Profit Sharing Plan (the "Plan") have been prepared on an accrual basis. Under this method of accounting, contributions and investment income are recorded when earned, and expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and are held by Hand Benefits & Trust Company, which has been designated as both the trustee and custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Common/collective trust ("CCT") fund fair values are determined by the respective fund manager using net asset value ("NAV") as a practical expedient. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. There were no significant unfunded commitments or restrictions on redemptions related to the CCTs as of December 31, 2021. CCT funds can be redeemed daily. See Note 5 for further discussion of fair value measurements.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses on sale of investments are based on the average cost method. The net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year-end plus realized gains (losses) on investments sold during the year.

Notes Receivable from Participants

Notes receivable from participants are carried at amortized cost-plus accrued interest. No allowance for credit losses has been recorded.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed excess contributions to the applicable participants.

2. PLAN DESCRIPTION

The following brief description of the Plan is provided for information purposes only. Participants should refer to the Plan agreement for more complete information.

Infragistics, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

General

The Plan was established effective January 1, 1995 and is a defined contribution plan which covers substantially all eligible employees of Infragistics, Inc. ("Plan Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986 (the "Code"), as amended.

Effective January 1, 2021, the Plan updated its Basic Plan Document to be in compliance with current IRS regulations. This periodic update did not materially alter the application of the Basic Plan Document.

Eligibility Requirements

An employee is eligible to participate in the Plan following 3 consecutive months of employment and attaining the age of 21. Eligible participants may begin participating on the first day of the month coinciding with or following the date upon meeting the eligibility requirements.

Plan Contributions

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. Total participant pre-tax contributions may not exceed amounts in accordance with Internal Revenue Service guidelines. Participants may elect to make Roth 401k contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Employees are automatically enrolled in the Plan upon meeting eligibility requirements. Unless the employee has elected not to participate or elects to change their contribution percentage, 3% of compensation for each payroll period is deferred.

In accordance with Plan provisions, the Plan Sponsor may make matching contributions equal to a discretionary percentage, to be determined by the Plan Sponsor, of the participant's elective deferrals. In determining the matching contribution, only elective deferrals up to a discretionary percentage of a participant's compensation, to be determined by the Plan Sponsor on a uniform basis for all participants, will be matched. The match was 1% of each participant's eligible wages for the year ended December 31, 2021. The Plan Sponsor may also make a discretionary profit-sharing contribution allocated to the participants using a grouping method which calculates contributions to each participant based on the proportion that each participant's compensation bears to the total compensation of all participants within such group. Contributions are subject to certain Internal Revenue Service limitations. For the year ended December 31, 2021, the matching contribution was \$65,399 and the profit sharing contribution was \$35,976; funded partially by \$5,323 of forfeitures.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contribution and allocations of (a) the Plan Sponsor discretionary profit-sharing contributions and (b) Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Personal contributions of the participants and any allocated amounts of interest, dividends, and net capital gains or losses thereon are fully vested. Employer matching contributions and employer profit sharing contributions, plus any allocated interest, dividends, and net capital gains or losses thereon, vest in accordance with a 4-year graded vesting schedule at 25% per year commencing the first year of service. In addition, participants become fully vested in all of their accounts upon retirement at age 65 or in the event of permanent disability or death.

Infragistics, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Payment of Benefits

In the event of termination of employment, retirement, death, or disability, all of the participant's vested contributions and earnings thereon will be paid at the participant's option (subject to spousal consent). The participant may elect to receive a distribution in the form of a lump-sum payment, substantially equal installments, or partial withdrawals. Participants with vested balances less than \$5,000 will receive an automatic lump-sum payment of benefits. Participants with vested accumulated benefits in excess of \$5,000 may elect to leave their investment in the Plan. The Plan also permits hardship withdrawals which must be approved by the Trustee of the Plan.

Effective January 1, 2020, the Plan adopted the provisions set forth under the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE"). The Plan Sponsor amended the Plan in July 2021 to adopt and comply with the SECURE Act provision raising the required age for minimum distributions from 70½ to 72 for participants who had not attained age 70½ before January 1, 2020.

Notes Receivable from Participants

Participants may borrow from their fund accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms will not exceed five years unless such note is for the purchase of a participant's primary residence. These notes are secured by the balance in the participant's account and bear interest at a rate commensurate with the prime rate plus 1% at the time of note disbursement. At December 31, 2021, the interest rate on the outstanding notes ranged from 4.25% to 6.5%.

Forfeited Accounts

Forfeitures are retained in the Plan and are used to reduce employer contributions. In addition, forfeitures may also be used to pay administrative expenses. As of December 31, 2021 and 2020, forfeited non-vested accounts were \$5,323 and \$31,125, respectively. During 2021, forfeitures of \$31,125 were used to fund employer contributions.

Administrative Expenses

All administrative expenses may be paid out of the Plan or by the Plan Sponsor on behalf of the Plan. Such expenses include any expenses incident to the functioning of the Plan Administrator, including, but not limited to, fees of accountants, counsel, and other specialists and their agents, and the costs of administering the Plan.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Trustee has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2021 and 2020 in the accompanying statements of net assets available for benefits and the related investment income and notes receivable from participant activity for the year ended December 31, 2021 in the accompanying statement of changes in net assets available for benefits, as well as the supplementary schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the related information included in the financial statements and supplementary schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020.

Notes to Financial Statements
December 31, 2021 and 2020

4. PARTY-IN-INTEREST TRANSACTIONS

Administrative expenses paid by the Plan amounted to \$57,940 for the year ended December 31, 2021. In addition, certain investment related expenses have been offset with net investment income and are not readily determinable. Notes receivable from participants represent exempt party-in-interest transactions.

5. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Common/Collective Trust: The common collective trust is valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the Trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 15,994,807	\$ -	\$ -	\$ 15,994,807
Investments measured at net asset value*				408,543
Investments, at fair value				<u>\$ 16,403,350</u>

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 14,399,319	\$ -	\$ -	\$ 14,399,319
Investments measured at net asset value*				620,757
Investments, at fair value				<u>\$ 15,020,076</u>

*In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Plan by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with Section 401(a) of the Code. The Plan has been amended since receiving the letter. However, the Plan administrator and the Plan's tax consultant believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.

7. RISKS AND UNCERTAINTIES

The Plan provides for various investment options of registered investment companies and a common/collective trust. Investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Infragistics, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. PROHIBITED TRANSACTIONS

During 2018, the Company failed to timely remit to the Plan's Trustee certain employee contributions within the period prescribed by DOL regulations. Delays in remitting contributions to the Trustee were due to administrative errors. The delayed contributions amounted to \$5,717 for the year ended December 31, 2018 and were deposited in 2021. As a result, in 2021, the Company made contributions to affected participants' accounts to compensate those participants for potential lost income in the amount of \$2,143.

10. VOLUNTARY CORRECTION PROGRAM

Plan management identified certain compensation was not being considered in the calculation of employee deferrals during the year ended December 31, 2020. In order to correct this administrative error, management calculated the missed opportunity to defer and resulting lost earnings, and these were remitted to the Plan in October 2021.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits from the statements of net assets available for benefits and the filed form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per statements of net assets available for benefits	\$ 16,512,364	\$ 15,113,666
Excess contributions payable per statements of net assets available for benefits	<u>-</u>	<u>9,491</u>
Net assets available for benefits per form 5500	<u>\$ 16,512,364</u>	<u>\$ 15,123,157</u>

The following is a reconciliation of the change in net assets from the statement of changes in net assets available for benefits and the filed form 5500 for the year ended December 31, 2021:

Net change in net assets available for benefits per the statement of changes in net assets available for benefits	\$ 1,398,698
Excess contributions payable per statements of net assets available for benefits at December 31, 2020	<u>(9,491)</u>
Net income per filed form 5500	<u>\$ 1,389,207</u>

12. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued. Based on this evaluation, the Plan's management has determined that no subsequent events have occurred which require adjustment to or disclosure in the financial statements.
