INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
The Exploratorium Retirement Plan
San Francisco, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The Exploratorium Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 The Exploratorium Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Exploratorium Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Exploratorium Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Exploratorium Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Exploratorium Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, (the "supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Exploratorium Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of The Exploratorium Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan intended to qualify under Section 403(b) and related provisions of the Internal Revenue Code ("IRC"), was established effective January 1, 2008. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of The Exploratorium (the "Organization") who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Cares ("CARES") Act, related to participant loans and distributions. Qualifying participants impacted by COVID-19 were able to borrow up to \$100,000 or 100% of their vested account balance. Participants were able to take coronavirus-related distributions up to \$100,000 or 100% of their vested account balance. Ordinary income taxes may be paid over a three-year period. Participants were permitted to repay coronavirus related distributions over a three-year period. The Organization has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Plan administration

The Organization is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Organization has appointed the Finance and Investment Committee (the "Committee") to manage the operation and administration of the Plan. A designated officer of the Organization acts as the trustee. Effective December 30, 2020, Massachusetts Mutual Life Insurance Company ("Mass Mutual") was acquired by Empower Retirement ("Empower"). As a result of the acquisition, Empower replaced Mass Mutual as recordkeeper and Great-West Life & Annuity Insurance Company became the asset custodian of the investments previously held by Mass Mutual and Great-West Trust Company, LLP became the asset custodian of the investments previously held by Reliance Trust Company effective January 1, 2021. Reliance Trust Company and Mass Mutual Life Insurance Company (collectively, the "Former Custodians"), Great-West Trust Company, LLP and Great-West Life & Annuity Insurance Company (collectively, the "Custodians") serve as the Plan's asset custodians and are responsible for the custody and management of the Plan's assets.

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

Employees become eligible to participate in employee deferrals beginning on the date of hire. Employees become eligible to participate in the employer match and nonelective contributions on the first of the month following the completion of one year of service, as defined by the Plan, and attaining age 21. On-call employees are excluded from participating in the Plan. However, an employee who was an eligible employee and later becomes an on-call employee will continue to be eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to 100% of their eligible annual pre-tax or Roth after-tax earnings as defined in the Plan, not to exceed limitations established annually by the Internal Revenue Service ("IRS") which was \$19,500 in 2021. Participants over the age of 50 may also contribute an additional \$6,500 to the Plan for 2021. Participants are also allowed to roll over contributions from other qualified employer-sponsored retirement plans. The Plan allows for automatic enrollment of newly eligible employees with a contribution of 3% of eligible compensation, unless the employee affirmatively elects otherwise. The automatic deferral percentage will increase by 1% each July 1 not to exceed 10% of compensation.

The Organization is allowed to make discretionary matching and nonelective contributions, as defined in the Plan and as approved by the Board of Directors. Effective July 1, 2020, the Board of Directors voted to suspend the discretionary nonelective contributions for the period from July 1, 2020 through June 30, 2021. In 2021, the Organization contributed 5% of each eligible participant's eligible compensation earned as of June 30, 2021 as a nonelective contribution. No discretionary matching contributions were made in 2021.

All contributions are paid to the Custodians for investment in the appropriate investment fund or portfolio in accordance with the participant's directives and the terms of the Plan.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary deferral and rollover contributions plus earnings thereon. Vesting in employer contributions is based on years of credited service, as defined. A participant is 100% vested after three years of credited service. In the event of death, disability or attaining normal retirement age, participants are immediately vested in all Organization contributions.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. All loans must be repaid within 5 years unless the loan is for the purchase of a principal residence for which the loan term may exceed 5 years. The loans are secured by the remaining vested balance in the participant's account and bear interest at rates that range from 3.25% to 5.25%, which is commensurate with prevailing rates. Maturities of the notes receivable as of December 31, 2021 are through May 2026. Principal and interest are paid ratably through payroll.

Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$14,601 and \$37,501, respectively. In accordance with the provisions of the Plan, forfeitures may first be used to pay Plan administrative expenses with any remaining amount reducing the employer matching or nonelective contribution. Forfeitures of \$500 were used to pay Plan administrative expenses and \$35,433 was used to reduce the employer nonelective contribution for the year ended December 31, 2021.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, disability or death. If a participant's account balance is equal to or less than \$1,000, the balance is distributed immediately in a lump-sum cash payment. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a distribution. If the account balance is \$5,000 or over, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, installment payments, an annuity or postpone payment to a later date and remain in the Plan as described in the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of estimates

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Exploratorium Retirement Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition

The Plan's investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance companies. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Contributions and contributions receivable

Contributions from participants (Participant contributions) are recorded based on the date the contributions have been separated from a participant's pay by the Organization, which is the pay date. The Plan records participant contribution receivables for amounts separated from the participants' pay but not yet applied to participant accounts as of December 31, 2021, if any. Contributions from the Organization (Employer contributions) are recorded in the year earned to coincide with the year which the Organization records the contributions in its general ledger. The Plan records receivables for Employer contributions based upon contributions recorded in the Plan year but received by the Plan subsequent to year end.

Rollover contributions from participants are recorded based on the date the rollover contributions were received by the Plan.

The Exploratorium Retirement Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodians, determined to be qualified institutions by the plan administrator, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments and participant loans reflected on the schedule of assets (held at end of year) (the "supplemental schedule").

Accordingly, as requested by the Plan administrator, the Plan's auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the full value of each participant's account would become fully vested and nonforfeitable.

5. TAX STATUS

Effective January 1, 2021, the Plan adopted the Peery & Associates Volume Submitter Money Purchase Pension Plan. The Internal Revenue Service has informed Peery & Associates by a letter dated March 31, 2017, which states that the document satisfies the applicable provisions of the IRC, and is appropriate for use by employers for the benefit of their employees. The Plan has been amended since the opinion letter; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party in financial accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Organization, and certain others. As such, transactions conducted by the Custodians and their affiliates, including fee offset agreements, qualify as exempt party-in-interest transactions. Purchases and sales of investments managed by the Custodians or its affiliates, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan documents and are specifically exempt under ERISA. Also, fees and expenses paid by the Organization on behalf of the Plan, if any, qualify as exempt party-in-interest transactions.

The Plan has included in their investment fund options certain funds managed by the Custodians or one of their affiliates. As the Plan custodians, these transactions qualify as exempt party-in-interest transactions.

7. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

- *Level 1* - inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.

7. FAIR VALUE MEASUREMENTS (continued)

- *Level 2* - inputs are inputs other than Level 1 either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- *Level 3* - inputs are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets by type at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 40,979,466</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 40,979,466</u>

The following table sets forth by level, within the fair value hierarchy, Plan's assets by type at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 33,532,662</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 33,532,662</u>

8. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan held traditional fully benefit-responsive contracts totaling \$818,391 and \$1,091,723 and as of December 31, 2021 and 2020, respectively. The contract held by the Plan as of December 31, 2021 was issued by Great-West Life Insurance Company and the contract held by the Plan as of December 31, 2020 was issued by Massachusetts Mutual Life Company, (collectively, the "Contract Issuers"). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contracts are considered fully benefit-responsive investment contracts and are reported at contract value on the Plan's financial statements, as certified by the contract issuers. The average yield earned on this investment and the average interest rate credited to participants was 2.15% in 2021.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the contract issuers' ability to meet its financial obligations. The contract issuers' ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuers. Plan management believes that the occurrence of any of these events to be not probable.

Such events include the following:

1. Removal of a group of participants from Plan coverage as a result of temporary absence, change in position or other occurrence qualifying as a temporary break in service under the Plan,
2. Transfers or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer,
3. Cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business,
4. Removal from the Plan of one or more groups or classifications of participants,
5. Partial or complete Plan termination of the contract,
6. Partial or complete Plan terminations,
7. Plan disqualification.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2021:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 42,362,263	\$ 35,216,618
Employer contribution receivable	<u>(523,494)</u>	<u>(531,057)</u>
Net assets available for benefits per the Form 5500	<u>\$ 41,838,769</u>	<u>\$ 34,685,561</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase in assets available for benefits per the financial statements	\$ 7,137,955
Less: current year employer contributions receivable	(523,494)
Add: prior year employer contributions receivable	531,057
Less: current year transfers to the Plan	<u>(688,058)</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$ 6,457,460</u>

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.
