INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Rhino Foods, Inc. 401(k) Plan
79 Industrial Parkway
Burlington, Vermont

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Rhino Foods, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Nationwide Financial Services, Inc., a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Our approach is simple... LISTEN. RESOLVE. COMMUNICATE.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rhino Foods, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rhino Foods, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rhino Foods, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rhino Foods, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Rhino Foods, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of Rhino Foods, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General

The Plan, adopted January 1, 1989, is a 401(k) Profit Sharing Plan covering all employees of Rhino Foods, Inc. (the Company) who are eighteen and older. To be eligible for the Plan, participants must have completed 60 days of service. Employees can enter the Plan on the first day of the month following their date of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan assets are invested with Nationwide Financial Services, Inc., the custodian of the Plan.

2. 401(k) Contributions

Participants may contribute up to 100% of eligible compensation, limited to a maximum amount as periodically set by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the plan year can contribute an additional amount, set by the IRS. Participants may make Roth Deferrals. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans.

Eligible compensation is defined as all compensation subject to income tax, including salary reduction contributions the participant made to an employer sponsored cafeteria plan and the 401(k) plan. Plan compensation does not include fringe benefits, reimbursements or other expense allowances, moving expenses, deferred compensation, welfare benefits, or post-severance payments for unused leave. Deferrals are not permitted on bonus compensation.

Any eligible participant that does not affirmatively elect otherwise is automatically enrolled into the Plan with a deferral percentage of 6%. The participant has the ability to opt out of the Plan or change the percentage at any time.

3. Employer 401(k) Matching Contributions

The Company matches 100% of the first 3%, and 50% of the next 2% of participant's eligible compensation. Total safe harbor matching contributions were \$311,277 and \$266,760 in 2021 and 2020, respectively. Matching contributions are invested as participants direct within the funds selected.

Each participant's account is credited with the participant's and the employer's contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses and investment fees based on the ratio of the participant's account balance to the balance of all participants in the same investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant accounts are available online through the secure website of Nationwide Financial Services, Inc., which allows participants access to choose among various investment alternatives. The assets in the Plan are invested in available investment options and a separate account is established for each participant who receives and/or makes a contribution. The value of each participant's account is updated each business day to reflect any contributions, exchanges between investment options, investment earnings or losses for each investment option and withdrawals.

6. Vesting

Participants are immediately vested in their voluntary contributions and safe harbor match, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contribution portion of the participant's account plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, with an additional 20% per year thereafter until fully vested. Upon early retirement age, 59½ years, death, or disability, a participant becomes fully vested.

7. Payment of Benefits

On termination of service due to death, disability or retirement or at the age of 59½ years of age and still working, a participant may elect to receive distributions equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, an installment distribution, an annuity distribution, leave the funds in the Plan until retirement age or transfer to a trustee of another qualified plan or individual retirement account.

A. DESCRIPTION OF PLAN (continued)

7. Payment of Benefits (continued)

If the value of the terminated participant's vested balance is \$1,000 or less, the Plan maintains the right to distribute to the participant the balance not less than three months following the termination date. If the terminating employee's vested balance is greater than \$1,000, but less than \$5,000, the Plan may have the account automatically rolled over to an individual retirement account (IRA) for their benefit.

Other withdrawals are allowed by the Plan for current employees. Participants still employed will be entitled to receive a distribution of all or any portion of their vested account balance upon attainment of age 59 1/2. Additionally, participants of any age may request a hardship withdrawal from the entire vested account balance.

8. Forfeited Accounts

When termination of service occurs, any non-vested portion of a participant's account will be considered forfeited. Forfeitures can be used to pay plan expenses or to reduce any employer contributions. The amount of forfeitures used to reduce employer contributions or pay plan expenses was \$0 in 2021 and 2020. As of December 31, 2021 and 2020, forfeited non-vested 401(k) accounts totaled \$10,440 and \$2,407, respectively.

Due to errors when the plan sponsor switched payroll companies in 2019, seven participants received benefit payments in 2020 that were incorrectly reduced by forfeitures. In August 2020 forfeitures totaling \$2,489 were allocated back to these participant accounts and paid out to participants in September 2020.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP) as applied to employee benefit plans, and in accordance with the Plan agreement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received by the plan for an asset or paid by the Plan to transfer a liability in an orderly transaction between market participants at the measurement date. The plan follows a three-level fair value hierarchy that prioritizes the inputs to measure fair value with the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements).

Purchases and sales of securities are recorded on a mutual trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

4. Payment of Benefits

Benefits are recorded when paid.

5. Subsequent Events

The Plan has evaluated subsequent events through October 13, 2022, which is the date that the financials were available to be issued.

C. PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

DECEMBER 31, 2021 AND 2020

D. TAX STATUS

The Plan has adopted the Retirement Solutions, LLC Volume Submitter Profit Sharing Plan with CODA. The Plan is relying upon the prototype sponsor's opinion letter issued by the Internal Revenue Service dated March 31, 2014. This letter states that the prototype and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Trustees and prototype sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan also uses a more-likely-than-not measurement for all tax positions taken or expected to be taken on a tax return in order for those tax positions to be recognized in the financial statements. If the Plan were to incur interest and penalties related to income taxes, these would be included in the provision for income taxes. Generally, the three tax years previously filed remain subject to examination by federal and state tax authorities.

E. PLAN EXPENSES/PARTY-IN INTEREST TRANSACTIONS

Plan audit expenses and custodian fees, including annual filing fee, preparation of Form 5500 and plan testing are paid by the Plan Sponsor.

Certain plan investments are shares of mutual funds offered by Nationwide Financial Services, Inc. Nationwide is the custodian and therefore, these transactions qualify as party-in-interest. Asset management fees paid by the Plan and assessed to the participants' accounts were \$56,918 and \$56,854 for the years ended December 31, 2021 and 2020, respectively.

Fees paid by the individual participant accounts of the Plan for investment management services to Morgan Stanley Smith Barney totaled \$39,755 and \$30,225 for the years ended December 31, 2021 and 2020, respectively.

Retirement Solutions, LLC is the third-party administrator of the Plan and therefore, these transactions qualify as party-in-interest. Participants are charged \$50 for distributions, \$75 for hardship or in-service distributions, and \$150 for qualified domestic relations order distributions. Distribution fees were paid from the Plan to the third-party administrator totaling \$3,858 and \$1,150 for 2021 and 2020, respectively. The Plan also paid asset-based fees of \$2,644 and \$3,622 in 2021 and 2020, respectively.

F. BENEFIT OBLIGATION

As of December 31, 2021 and 2020, the Plan had benefit obligations of \$1,024,674 and \$631,291, respectively, for terminated participants with vested balances, who had not withdrawn their funds.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

G. QUALIFIED NON-ELECTIVE CONTRIBUTIONS AND QUALIFIED MATCHING CONTRIBUTIONS

During 2021, it was determined that the Plan was incorrectly excluding certain wages from eligible compensation when determining employee deferrals and the related matching contributions. In October 2021, the Plan deposited Qualified Non-Elective Contributions (QNEC's) and Qualified Matching Contributions (QMAC's) totaling \$41,703 to correct missed employee deferrals and employer match. This is included in other employer contributions at December 31, 2020. The deposits included 100% of the employer match and lost earnings on the missed employee deferral and employer match. The Company has filed a voluntary plan correction with the IRS EPCRS (Employee Plans Compliance Resolution System) Voluntary Correction Program seeking approval for the corrective deposit. Approval has not yet been received by the date the financial statements were issued.

In September 2020, the Plan deposited Qualified Non-Elective Contributions (QNEC's) and Qualified Matching Contributions (QMAC's) totaling \$70 to correct a missed employee deferral and employer match for one participant. This is included in participant and employer contributions at December 31, 2020. The deposits included 100% of the employer match and lost earnings on the missed employee deferral and employer match.

I. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the closing price reported on the active market on which the individual securities are traded.

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits, as of December 31:

	Total Fair Value	Quoted Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

J. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

K. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

Differences between the Form 5500 and the financial statements result from differences in the basis of accounting used in the Form 5500 (cash basis), versus that required in the financial statements (accrual basis).
