INDEPENDENT AUDITOR'S REPORT

To the Trustees,
ProSight Specialty Insurance 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the ProSight Specialty Insurance 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the ProSight Specialty Insurance 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ProSight Specialty Insurance 401(k) Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ProSight Specialty Insurance 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ProSight Specialty Insurance 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2021 and schedule H, part IV, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the ProSight Specialty Insurance 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following brief description of the ProSight Specialty Insurance 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of ProSight Specialty Management Company, ProSight Specialty Insurance Brokerage, LLC, Mutual Marine Office of the Midwest, Inc., and Pacific Mutual Marine Office, Inc. (collectively, the “Company”) and their beneficiaries funds for retirement. Any employee of the Company becomes an eligible participant in the Plan following his or her date of hire unless he or she is a temporary employee, in which case they are excluded from participation.

Employee Contributions

An employee participating in the Plan may annually contribute, through payroll deductions, an amount up to 70% of compensation, not to exceed \$19,500 in calendar year 2021, and may contribute amounts representing distributions from other qualified plans. New participants who enter the Plan are automatically enrolled at 3% unless they elect otherwise. Any participant, age 50 or over, may make an additional “catch-up” contribution of \$6,500 in calendar year 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease his or her level of participation at any time during the Plan year.

Employer Contributions

The Company makes nondiscretionary matching employer contribution of 100% of the participant's contribution up to a maximum of 6% of compensation per calendar year. The Company may also make a discretionary nonelective contribution into the Plan to be allocated to all eligible participants. The allocation is based upon the ratio of the participant's compensation for the Plan year to the total compensation for the Plan year of all participants entitled to share in the contribution. For the year ended December 31, 2021, the Company made nondiscretionary matching employer contributions of \$2,052,594 and did not make a discretionary contribution.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of registered investment companies and common collective trusts, with varying investment objectives as investment options. Each participant's account is credited with the participant's pretax contributions, the Company contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements
December 31, 2021 and 2020

Vesting

Participants are immediately 100% vested in (1) their contributions and (2) employer safe harbor match contributions, plus actual earnings thereon. Participants are 100% vested in the Company's nondiscretionary matching employer contributions and discretionary nonelective contributions after the completion of three years of continuous service based upon the following schedule:

<u>Years of Service</u> <u>(as defined)</u>	<u>Vested Percentage</u>
Less than 1	0%
1	0%
2	0%
3	100%

A participant's "vested percentage" is based on vesting years of service. A participant earns and accumulates a year of vesting for each 12 months of continuous service. Any unvested portion of his or her account shall be forfeited at termination. Participants become 100% vested upon attainment of retirement age, death, and total and permanent disability.

Distributions and Withdrawals

Prior to age 59 1/2, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability, or termination of employment. Under an early retirement option, an employee can receive distributions beginning at age 55. Hardship withdrawals must be submitted to the Plan administrator in writing and make the participant ineligible to contribute to the Plan for six months. After attaining age 59 1/2, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, his or her participant contributions and earnings thereon and vested Company contributions and earnings thereon.

Notes Receivable - Participants

The Plan allows for loans to be extended to participants for financial hardship or financial needs. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. The maximum a participant may borrow, including the outstanding balance of existing Plan loans, is 50% of his or her vested account balance, not to exceed \$50,000. The loans bear interest ranging from 4.25% to 6.50% with maturities through 2031. Principal and interest are paid ratably through biweekly payroll deductions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

ProSight Specialty Insurance 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 3. Registered investment companies are valued at quoted prices of the funds, as provided by the trustee on the last day of the Plan year. The common collective trust funds are valued at net asset value ("NAV") as determined by the issuer of the fund based on the fair value of the underlying investments. The common collective trust has the objective of preserving principal while maintaining a stable credit rating that is responsive to changes in interest rates. Purchases and sales of funds are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan's assets are invested in various registered investment companies. Registered investment companies and common collective trusts, in general, are exposed to various risks, such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

The expenses necessary to administer the Plan are either paid by the Company or allocated to each participant at the Company's option. They include but are not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor. All direct expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Company. Certain investment-related expenses have been reflected as an offset of net investment income and are not readily determinable.

Forfeiture Accounts

Funds in the forfeiture accounts may be utilized to pay any reasonable costs and expenses incurred by the Plan, as outlined in the Plan document. The balance in the forfeiture accounts at December 31, 2021 and 2020 was \$78,126 and \$18,742, respectively. During the year ended December 31, 2021, no forfeiture account funds were utilized.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable - Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

3. FAIR VALUE MEASUREMENTS

The accounting pronouncement on fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value:

Registered Investment Companies: Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Common Collective Trust Funds: The common collective trust funds are valued at NAV as determined by the issuer of the fund based on the fair value of the underlying investments. The common collective trust has the objective of preserving principal while maintaining a stable credit rating that is responsive to changes in interest rates.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in methodologies for the periods presented in the financial statements. There were no transfers between Levels 1, 2, and 3 for the periods presented.

4. INCOME TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan and received a favorable advisory letter from the Internal Revenue Service ("IRS") on June 30, 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there is no tax-related interest or penalties for the periods presented in these financial statements.

5. TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce the Company's contribution, shall be allocated on a pro rata basis to the participants' accounts.

6. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustee, Fidelity Management Trust Company, except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the year ended December 31, 2021.

ProSight Specialty Insurance 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was prepared from reports certified by the trustee:

	<u>2021</u>	<u>2020</u>
Investments, at fair value		
Registered investment companies	\$ 45,210,085	\$ 40,423,759
Common collective trust funds	\$ 9,706,378	\$ 9,361,616
Notes receivable - participants	\$ 556,156	\$ 634,807
Net appreciation in fair value of investments	\$ 3,039,687	
Interest and dividend income	\$ 4,889,593	
Interest on notes receivable - participants	\$ 28,535	

7. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined in the Plan, and therefore, these transactions qualify as party-in-interest transactions. Direct fees paid by the Plan for account maintenance and investment advisory services amounted to \$29,321 for the year ended December 31, 2021, which are included in administrative fees.

8. DELAYED DEPOSIT OF PARTICIPANT CONTRIBUTIONS

U.S. Department of Labor regulations require that salary deferrals to a 401(k) plan and loan repayments that are withheld from employees' paychecks must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

During the year ended December 31, 2018, the employer delayed making one deposit of employee withholdings from payroll as soon as it could be reasonably segregated. Such delayed deposits totaled \$252,545. The Plan took corrective action during 2021 by restoring the lost earnings of \$380 on these delayed deposits.

9. RECONCILIATION OF INFORMATION CONTAINED IN THE FINANCIAL STATEMENTS AND INFORMATION CONTAINED IN FORM 5500

The Plan's financial statements are prepared on the accrual basis of accounting which includes recording employer contributions receivable as of the end of the year. However, the IRS Form 5500 does not require the use of the accrual basis of accounting, and as such, the Plan sponsor prepares the IRS Form 5500 on the cash basis of accounting. Accordingly, the IRS Form 5500 does not report the current year employer contributions receivable in the current year.

 Net change in net assets available for benefits per the financial statements	 \$ 5,052,952	
Change in contributions receivable	<u>(515)</u>	
Change in net assets per Form 5500	<u>\$ 5,052,437</u>	

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 3, 2022, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that the following event has occurred, which requires disclosure in the financial statements.

During 2022, the Plan sponsor rebranded to “Coaction Specialty Management Company.” The Plan sponsor’s name and the Plan’s name were updated to “Coaction Specialty Management Company” and “Coaction Specialty Insurance 401(k) Plan,” respectively, via a Plan amendment effective June 2022.
