Parker Ibrahim & Berg LLP 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Parker Ibrahim & Berg LLP 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules ("DOL") and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2021, and Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the 2020 Financial Statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. In our audit report, dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan:

The following description of the Parker Ibrahim & Berg LLP (“Company” and “Plan Sponsor”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan became effective on March 1, 2011 and is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees oversees governance of the Plan.

Plan Administration - The Plan is administered by the Plan Sponsor. The Plan’s assets are held by Voya Retirement Insurance and Annuity Company (the “Trustee”), who is responsible for the custody and management of the Plan’s assets.

Eligibility - All employees of the Company who are non-union, non-seasonal or temporary employees and resident citizens are eligible to participate in the Plan on attainment of 18 years of age and completion of three (3) months of service. A participant will be entered into the Plan on the first day of the month following the month eligibility requirements are satisfied.

Contributions - Each year, eligible participants may elect to contribute a percentage of their annual compensation (pre-tax, Roth, or after-tax), up to a maximum in accordance with Section 402(g) of the Internal Revenue Code (IRC). In 2021, the maximum allowable contribution was \$19,500 plus a catch-up contribution of \$6,500 for participants age 50 and older. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contribution - The Company, under the safe harbor provisions, will make a non-elective safe harbor contribution in the amount equal to 3% of each participant’s compensation upon completion of six (6) months of service.

Participant Accounts - Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s contribution, (b) Plan earnings and losses, and (c) an allocation of expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contributions plus actual earnings thereon is immediately vested.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant or in the case of death the designated beneficiary, may elect to receive an amount equal to the value of the participant’s vested interest in their account in either a lump-sum, or in annual installments over a period of not more than their assumed life expectancy or the assumed life expectancy of their beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If death occurs prior to retirement, the participant’s account is paid to the designated beneficiary.

During 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. A CARES Act Coronavirus Related Distribution (“CRD”) allows the Plan’s qualified participants, as defined, to take a COVID-19 related distribution up to a maximum of \$100,000, or the participant’s vested and non-forfeitable account balance, from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The qualified participant,

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

at any time during the 3-year period after the receipt of the CRD, may make one or more contributions to the Plan as repayment of the distribution.

The age at which required minimum distributions must begin was increased from 70 ½ to 72 pursuant to the Setting Every Community Up for Retirement Enhancement (SECURE) Act enacted in December 2019.

Forfeitures - The Plan does not provide for forfeitures as the Company provides for safe harbor matching contributions which are 100% vested.

Note 2 - Summary of Significant Accounting Policies:

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Group annuity contracts held by defined-contribution plans are required to be reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate a permitted transaction under the terms of the Plan.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions in net assets available for benefits during the reporting period. Actual results, as determined at a later date, could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for full benefit-responsive group annuity contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, withdrawals, asset fees, recordkeeping fees, and investment advisory fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits - Benefits are recorded when paid.

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Hardship Distributions - The Plan provides for hardship withdrawals from the participant's vested balances, not to exceed an amount required to meet an immediate need created by hardship, and then only to the extent that such immediate need cannot be satisfied by other sources reasonably available to the participant. Permissible circumstances for hardship withdrawals include medical expenses, purchase of a home, tuition payments, amounts necessary to prevent eviction from the participants' personal residence, and such other circumstances as the Plan Administrator may determine in accordance with Internal Revenue Service rules and regulations.

Subsequent Events - The Plan Administrator has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued. The effects of those events and transactions that provide additional pertinent information about conditions that existed at the Statements of Net Assets Available for Benefits date have been recognized in the accompanying financial statements.

Note 3 - Certified Investment Information:

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, the Trustee, a qualified institution, has certified that the following information included in the financial statements and ERISA-required supplemental schedule is complete and accurate:

- a) Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- b) Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.
- c) Investment information included in the Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule of assets (held at end of year).

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule of assets (held at end of year).

Note 4 - Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual Funds*: Valued at the closing price in the active market in which the fund is traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as follows:

	<i>Investments at Fair Value as of December 31, 2021</i>			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 6,418,838	\$ -	\$ -	\$ 6,418,838
Total investments at fair value	<u>\$ 6,418,838</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,418,838</u>

	<i>Investments at Fair Value as of December 31, 2020</i>			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual funds	\$ 5,282,756	\$ -	\$ -	\$ 5,282,756
Total investments at fair value	<u>\$ 5,282,756</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,282,756</u>

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2021 and 2020, there were no significant transfers in or out of Levels 1, 2, or 3.

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5 - Group Annuity Contract with Insurance Company

The Plan holds a group annuity investment contract that comprises a traditional investment contract. This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates remained at 1.00% for 2021 and 2020. The contract value of the group annuity insurance contract was \$810,000 and \$719,777 for 2021 and 2020, respectively. Such interest crediting rates are reviewed on a semi-annual basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the Trust to be tax-exempt under Section 501(a) of the IRC.
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events that allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 6 - Risks and Uncertainties and Concentration of Investment Risk:

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan may have investments in funds with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities, including securities backed by sub-prime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investment in two funds comprises approximately 36% and 35% of total investments at December 31, 2021 and 2020, respectively.

The full impact of the COVID-19 outbreak continues to evolve as of the date the financial statements were available to be issued. This pandemic has adversely affected global economic activity and greatly contributed to deterioration and instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of potential losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity, cannot be determined at this time.

Note 7 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the IRC. In the event of Plan termination, participants' contributions remain fully vested and Company contributions, if any, become fully vested. Under no circumstances may the Company take ownership of any of the Plan's assets as a result of such termination.

Note 8 - Notes Receivable from Participants:

Participants may obtain loans from the Plan at a minimum of \$1,000 and maximum of one-half of a participant's vested account balance, or \$50,000 whichever is less. Participants may have only four loans outstanding at a time. Loans bear interest at 1% above the prime rate at the time the loan is approved and are collateralized by the participant's account balance. Loans are payable through payroll deductions generally within five years.

Note 9 - Tax Status:

The Plan was written on an IRS pre-approved Volume Submitter Document, which obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the trust is exempt from Federal income taxes under Section 501(a) of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date, thus, no provision for Federal income taxes has been made in the accompanying financial statements.

PARKER IBRAHIM & BERG LLP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

Note 10 - Party-In-Interest Transactions:

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for administrative services amounted to \$4,873 for 2021.

Note 11 - Prohibited Transactions:

During the Plan year ended December 31, 2019, the Company failed to remit to the Plan's Trustee certain employee contributions totaling \$96,106 within the period prescribed by the Department of Labor regulations. These late remittances are included in Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions. During 2021, the Company made additional contributions of approximately \$205 to the affected participants' accounts to compensate those participants for potential lost income due to the delays from 2019.
