Plan Administrator
Childers Oil 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Childers Oil 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Administrator
Childers Oil 401(k) Plan

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
Childers Oil 401(k) Plan

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 and schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Plan Administrator
Childers Oil 401(k) Plan

Other Matters (continued)

2021 Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Childers Oil 401(k) Plan
Notes to Financial Statements

December 31, 2021

1. Description of the Plan

The Childers Oil 401(k) Plan (the “Plan”) is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. Copies of this publication are available from the Plan Sponsor.

General

The Plan is a controlled group plan and includes the employees of Childers Oil Company, Hometown Convenience, LLC, Childers Contracting, Inc., London Auto Truck Center, Inc., Childers Transport, Inc., Childers Tire & Supply Co., Inc., and Kwik Shop Concepts, Inc. These companies are under common control and are treated as a single employer for reporting purposes. The companies are collectively referred to as the “Plan Sponsor” herein.

Substantially all full-time employees of the Plan Sponsor that have attained age 21 are eligible to participate in the Plan. Participation in the Plan is voluntary, and eligible employees can elect to participate on January 1 or July 1 after becoming eligible.

The Plan Sponsor is responsible for the administration of the Plan and has entrusted the maintenance of records and the day-to-day administration to Benefits Administrators, LLC who processes transactions through American Funds, which is a related company to Capital Bank and Trust Company (the “Trustee”).

Contributions

Participants may elect to defer a maximum of 100% of compensation to the Plan, subject to Internal Revenue Service (IRS) limitations. In addition, participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants may direct both Plan Sponsor and participant contributions to any of various investment options offered by the Plan.

The Plan Sponsor may make discretionary matching contributions. During 2021, the Plan Sponsor made discretionary matching contributions equal to 50% of the first 2.5% of compensation that a participant contributed to the Plan.

The Plan Sponsor may also make discretionary profit-sharing contributions. No such contributions were made during 2021.

Cash contributions receivable, if any, are unsecured.

Childers Oil 401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Investments

The investments of the Plan are held by the Trustee who maintains the investments in various mutual funds of American Funds. In accordance with the policy of stating investments at fair value, net appreciation or depreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits. This includes all investments bought or sold as well as those held during the year. Generally, the Plan's investments are collateralized by the proportionate share of the respective investment's underlying net assets. The maximum loss, if any, that would be incurred by the Plan if the counterparties to the Plan's investments failed to perform and any collateral was insufficient is the recorded amount of such investments.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Plan Sponsor's discretionary matching contributions (if any), as well as allocations of the Plan Sponsor's discretionary profit-sharing contribution (if any) and plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on the participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Excess Contributions Payable

Amounts payable to participants totaling \$5,505 as of December 31, 2021 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to cash contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Vesting

Participants are immediately vested in their elective contributions, rollover contributions from other qualified plans, and related earnings thereon. Vesting in the Plan Sponsor's discretionary matching or profit-sharing contributions (if any) plus related earnings thereon is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures of terminated participant's non-vested accounts may be used to reduce future Plan Sponsor contributions to the Plan or to pay plan expenses. If a terminated participant is rehired by the Plan Sponsor, the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan Document. Forfeitures totaled \$315 during 2021. As of December 31, 2021 and 2020, the forfeiture account totaled \$862 and \$547, respectively.

Notes Receivables from Participants

Subject to approval by plan management, participants may borrow from their fund accounts. The minimum amount of the loan is \$1,000, and the maximum amount is the lesser of one-half of the borrower's vested account balance or \$50,000. One loan can be outstanding at a time per participant, and loans bear interest at prime plus 1%. The loans are generally repayable in level periodic payments over various terms of up to five years, except for those utilized for the acquisition of a principal residence, which may be repaid over a period of time up to 30 years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant (or his or her beneficiaries) shall receive a lump sum amount equal to the vested value of his or her account. Partial withdrawals or installments are only permitted for participants who must receive required minimum distributions in accordance with the IRS.

In-service hardship withdrawals are available in certain circumstances.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investments

Investments are reported at fair value. Fair value (*Note 5*) is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by the Trustee.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Upon default of notes receivable from participants, the entire outstanding principal and interest shall be immediately due and payable. If a distributable event, as defined by the Internal Revenue Code (IRC), has occurred, the note receivable will be foreclosed on and be offset against the participant's account balance. If a participant's note receivable is in default, the participant shall be treated as having a taxable deemed distribution whether or not a distribution event has occurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Certain investment related expenses are included in net realized and unrealized appreciation in the fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued.

3. Tax Status

The Plan Sponsor adopted a prototype plan sponsored by Benefits Administrators, LLC, which had received a favorable opinion letter from the IRS dated March 31, 2014, which states the prototype plan is designed in accordance with applicable sections of the IRC.

Effective January 1, 2022, the Plan Sponsor adopted a prototype plan sponsored by Benefits Administrators, LLC, which received a favorable opinion letter from the IRS dated June 30, 2020, which states the form of the prototype plan is acceptable for use under applicable sections of the IRC.

The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes that the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

4. Certified Information (Unaudited)

The Trustee holds the Plan's investments assets and executes transactions therein. Financial information relating to those assets, which is included in the accompanying financial statements based upon information provided to the Plan Administrator and certified as complete and accurate by the Trustee, is summarized below.

The fair value of investments in mutual funds is \$751,217 and \$459,679 as of December 31, 2021 and 2020, respectively. Notes receivable from participants total \$7,996 and \$2,967 as of December 31, 2021 and 2020, respectively.

The Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in value by \$38,984 in 2021 from funds of party-in-interest. Dividend income from funds of party-in-interest totaled \$32,279 in 2021. Additionally, interest on notes receivables from participants totaled \$158 during 2021.

The Plan has one investment in a fund of a party-in-interest, the American Funds 2045 Target Date Retirement Fund, representing 23% and 28% of net assets available for benefits as of December 31, 2021 and 2020, respectively.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement (Topic 820)*, are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.
- Level 2 Inputs to the methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds are value at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management of the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
2021:				
Mutual funds	\$751,217	\$ –	\$ –	\$751,217
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
2020:				
Mutual funds	\$459,679	\$ –	\$ –	\$459,679

6. Party-in-Interest Transactions

The Plan's investments are managed by the Trustee, and therefore, these transactions are considered to be party-in-interest transactions. The Plan's investments are in mutual funds of American Funds, which is a related company to the Trustee.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

8. Delinquent Participant Contributions

Defined contribution plans are required to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. During 2021, contributions totaling \$8,638 were not remitted within the required time period. During 2020, contributions totaling \$40 were not remitted within the required time period. As of October 6, 2022, the Plan Sponsor is in the process of correcting these delinquent contributions, including remitting the associated lost earnings to the Plan.
