INDEPENDENT AUDITOR'S REPORT

October 6, 2022

To the Plan Administrator of
Coordinated Care Services, Inc. 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Coordinated Care Services, Inc. 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Coordinated Care Services, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Coordinated Care Services, Inc. 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COORDINATED CARE SERVICES, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the Coordinated Care Services, Inc. 403(b) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more information and a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all employees of Coordinated Care Services, Inc. (CCSI) who meet certain eligibility requirements. The Plan is administered by CCSI. Lincoln Life and Annuity Company of New York (Lincoln) is a custodian and recordkeeper of the Plan. Massachusetts Mutual Life Insurance Company (Mass Mutual) was the insurance company and custodian of the Plan and an authorized agent of Reliance Trust Company (Reliance), a directed custodian of certain assets of the Plan recordkept by Mass Mutual during 2020. Great-West Life & Annuity Insurance Company (Great-West) was an agent acting on behalf of Mass Mutual during 2020. Mass Mutual was also a recordkeeper of the Plan during 2020. On December 31, 2020, Empower Retirement LLC (Empower) acquired the retirement business of Mass Mutual. Following an initial transition period, Empower became the sole administrator of this business in 2021. Empower was a recordkeeper of the Plan during 2021 and an authorized agent of Reliance Trust Company (Reliance), a directed custodian of certain assets of the Plan recordkept by Empower during 2021. Great-West Life & Annuity Insurance Company (Great-West) was an agent acting on behalf of Empower during 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees are eligible to participate in the Plan. All eligible employees are able to begin salary deferrals on the first day of the first payroll period pursuant to a properly completed and valid salary deferral agreement entered into by the employee. Eligible employees, except for part-time employees who normally work less than 20 hours per week, are eligible to receive CCSI contributions upon reaching age 18.

Contributions

Active participants may make voluntary contributions in the form of salary reductions. Pre-tax contributions are limited to a maximum contribution of the lesser of 100% of the participant's total compensation for the Plan year or the maximum amount permitted by the Internal Revenue Code (IRC) and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the IRC. Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC. The Plan has a 4% automatic deferral election provision, which is effective as of the first day of the first pay period that occurs on or after the 30th day following the later of (a) the employee's entry date; or (b) the date on which the employee is provided notice of such automatic reduction by the Plan Administrator.

CCSI's contributions to the Plan are discretionary and determined on an annual basis by the Board of Directors. During 2021 and 2020, CCSI made non-elective contributions to participant accounts, calculated as 4% and 5%, respectively, of eligible participant compensation for staff scheduled to work more than 20 hours per week. In addition, during 2021 and 2020, CCSI matched an amount equal to 50% of employee deferrals, up to 4% of eligible compensation, for a maximum match of 2%.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, CCSI's contribution and an allocation of Plan earnings/losses on all contributions, and administrative expenses. Allocations are based on participant earnings/losses or account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their elective deferrals, CCSI's matching contributions and actual earnings/losses thereon, immediately upon participation in the Plan. Participants hired prior to December 31, 2012 are fully vested in CCSI's non-elective contributions, immediately upon participation in the Plan. Participants hired after that date are subject to a vesting schedule relative to CCSI's non-elective contributions - 25% each year, over a four- year span, at which time they are 100% vested.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest.

Participants may borrow from the funds attributable to the participant's employee elective deferral contributions, vested CCSI contributions and rollover contributions. Beginning on January 1, 2013, participants may only borrow against their respective balances recordkept by Empower (formerly, Mass Mutual). Participants are allowed to borrow up to the lesser of 50% of their vested account balances, or \$50,000 reduced by the excess of: (1) the participant's highest outstanding loan balance during the preceding one-year period over (2) the participant's loan balance outstanding before the loan is made. A participant may borrow a minimum of \$1,000. Loans are repayable through electronic fund transfers over not more than five years except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at a reasonable rate as determined by the Plan Administrator. Defaulted loans are deemed as distributions to the extent the law allows. As discussed in Note 3, in April 2020 the Plan elected to operationalize certain temporary regulatory provisions for notes receivable from participants.

Payment of Benefits

Vested funds are paid to participants when they retire or terminate employment with CCSI, upon attaining early retirement age of 55, or normal retirement age of 65. Benefits may be paid out in a single lump sum or in periodic installments over a period that is not greater than or equal to the life expectancy of the participant.

Hardship Withdrawals

Prior to age 59 ½, a participant may withdraw their participant and employer Plan contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeited Accounts

Forfeitures may be used to pay Plan expense or to reduce employer non-elective and matching contributions. Forfeited balances totaling \$101,404 and \$106,457 for the years ended December 31, 2021 and 2020, respectively, were used to reduce employer contributions. Unallocated forfeitures amounted to \$24,200 and \$32,919 at December 31, 2021 and 2020, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States.

Investments

The Plan invests in mutual funds, separate accounts, and fixed annuity and guaranteed interest contracts. Investments are reported at fair value, except for fully-benefit responsive fixed and guaranteed contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

The Plan's fixed and guaranteed contracts are comprised of a fixed annuity account and a capital preservation account. Contract value is calculated as accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The guaranteed minimum contract rate for the fixed annuity account was 1.25% for the years ended December 31, 2021 and 2020. The contract rate is evaluated quarterly based on current economic rates. Participant accounts are credited with the greater of the guaranteed minimum contract rate or the declared contract rate. Funds deposited in the fixed annuity account in 2021 earned a declared contract rate of 1.60%. Funds deposited in the fixed annuity account in 2020 earned a declared contract rate of 2.10% for the first two quarters of 2020 and 1.85% for the remainder of the year.

The capital preservation investment account is a market value separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. The crediting rate for the account is established for a six-month period of time and all assets invested in the account are credited with that rate.

Certain events, which Plan management believes are not probable of occurring, may limit the ability of the Plan to currently transact at contract value and may result in a deferral of the payment at contract value for up to twelve months. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of temporary absence, change in position or other occurrence qualifying as a temporary break in service under the Plan; (2) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (3) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete plan and contract termination of the contract (3) partial or complete Plan terminations; or (4) Plan disqualification.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy

Generally accepted accounting principles (GAAP) provide a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at December 31, 2021 and 2020.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued using daily net asset values obtained from observable markets.

Separate Accounts: Separate accounts purchase specific equity and fixed income mutual funds. These investments are valued using the net asset value (NAV) of the participation units as a practical expedient to estimate fair value. The unit values of participation units in the subaccounts are determined by Lincoln based on the value of the underlying mutual fund held in the subaccount, minus the fund's liabilities, which are the contract charges imposed by Lincoln, divided by the number of participation units outstanding. The pooled separate account NAV is not a publicly quoted price in an active market. This NAV calculation is in accordance with the AICPA Audit and Accounting Guide, *Investment Companies*. The separate accounts do not have a market value adjustment and are redeemable daily at NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Currently, there are no lockout provisions or restrictions on these investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Participant Rollover Contributions

Participants are allowed to transfer or rollover funds into the Plan subject to approval by the Plan administrator.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by the Plan participants.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and such differences may be significant.

3. COVID-19

The United States is presently in the midst of a global health emergency related to a virus, commonly known as Novel Coronavirus (COVID-19). During 2020, the Plan adopted the optional loan repayment deferral provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. The loan deferral provisions allowed Plan participants to defer payments on current and new loans through December 31, 2020. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

As of the date of issuance of these financial statements, the COVID-19 pandemic continues. The overall short-term and long-term consequences of COVID-19 on a national, regional, and local level are unknown, but there is the potential of a noteworthy negative economic impact. The impact of this situation on the Plan Sponsor, the Plan, and its future results and financial position is not presently determinable.

4. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by Great-West on behalf of Empower and Mass Mutual and the custodians and is included in the accompanying financial statements and supplemental schedule at December 31:

	<u>2021</u>	<u>2020</u>
Investments	<u>\$ 30,801,448</u>	<u>\$ 26,906,999</u>
Notes receivable from participants	<u>\$ 519,512</u>	<u>\$ 454,546</u>

Investments, at fair value				<u>\$ 23,404,643</u>

6. PARTY-IN-INTEREST TRANSACTIONS

Lincoln is a custodian and recordkeeper of the Plan. Empower was the recordkeeper of the Plan during 2021 and Mass Mutual was the recordkeeper of the Plan during 2020. Reliance is the custodian of certain Plan assets recordkept by Empower in 2021 and Mass Mutual in 2020. Great-West was an agent acting on behalf of Empower during 2021 and on behalf of Mass Mutual during 2020. As such, transactions between Lincoln, Empower, Mass Mutual, Reliance, Great-West, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

7. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the IRC. The Plan is required to operate in conformity with the IRC to maintain its tax-exempt status for Plan participants. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, CCSI has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would be entitled to their account balances to the extent that they are vested.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. The following table reconciles the Plan's net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits, per the financial statements	\$ 31,449,025	\$ 27,474,724
Contributions receivable	<u>(128,065)</u>	<u>(113,179)</u>
Net assets available for benefits per Form 5500	<u>\$ 31,320,960</u>	<u>\$ 27,361,545</u>

The following table reconciles the Plan's change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31:

	<u>2021</u>	<u>2020</u>
Change in net assets available for benefits, per the financial statements	\$ 3,974,301	\$ 4,919,832
Change in contributions receivable	<u>(14,886)</u>	<u>2,418</u>
Change in net assets available for benefits, per Form 5500	<u>\$ 3,959,415</u>	<u>\$ 4,922,250</u>

10. SUBSEQUENT EVENTS

Subsequent to year end, there has been a significant impact on the financial markets. The Dow Jones Industrial Average had declined by approximately 20% since December 31, 2021. The Plan's assets declined by approximately \$7,000,000 through the same period. The future impact of this situation on the Plan is not presently determinable.

Subsequent events have been evaluated through October 6, 2022, which is the date the financial statements were available to be issued.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
