Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No

b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: SMITH, BUNDAY, BURMAN, BRITTON PS

(2) EIN: 91-1275257

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		X	
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500. - 20 PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

a Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? ☐ Yes ☐ No

b If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:

☐ Yes.

☐ No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.

☐ No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.

☐ No. Other. Provide explanation _____

THE SPUR GROUP RETIREMENT PLAN

**FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE**

DECEMBER 31, 2021 and 2020

To the Trustees of
The Spur Group Retirement Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Spur Group Retirement Plan [the Spur Group Plan], an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company (qualified institution), the custodian of the Plan, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Spur Group Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Spur Group Plan's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Spur Group Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Spur Group Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Spur Group Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE SPUR GROUP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Spur Group Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan’s provisions.

General - The Plan is a participant-directed defined-contribution plan covering all employees of The Spur Group Inc. (“the Company”) who are age eighteen or older. The Plan does not have a service requirement in order for participants to be eligible to make or receive contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Company and effective October 1, 2020, the Plan was restated with the Adoption of a Fidelity Volume Submitter Plan. On this same date, Plan assets and recordkeeping responsibilities were transferred to Fidelity Management Trust Company and Fidelity Retirement Services, respectively.

The Plan’s provisions remained substantially unchanged following the adoption of the Fidelity prototype with the following exceptions:

- Automatic enrollment provision of 4% became effective November 1, 2020, unless affirmatively elected otherwise. This provision applies differently to employees with a hire date or reemployment date prior to October 1, 2020.
- Participants may participate in a self-directed brokerage arrangement.

Contributions - Each year participants may contribute up to the maximum amount allowed by the Internal Revenue Code of annual pre-tax compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. Participants who are eligible to make salary deferrals to the Plan are generally eligible for the safe harbor employer matching contribution equal to 100% of deferrals up to 4% of a participant’s compensation. The Company may also contribute an additional employer matching contribution equal to a uniform discretionary percentage of the Participant’s elective deferrals or a specified dollar amount. The Company may also make a discretionary contribution to the Plan. A Participant must generally be employed on the last day of the contribution period to receive a discretionary non-elective employer contribution. Participant elective deferrals and the employer safe harbor contributions are funded with each payroll. There were no non-safe harbor employer match and profit-sharing contributions made during the years, 2021 and 2020.

All contributions are invested in accordance with fund allocations specified by plan participants.

Note 1 - Continued

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions and (b) Plan earnings and charged with an allocation of administrative expense. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures - Forfeited balances of non-vested accounts are first used to pay any administrative expenses and any remaining forfeitures will be used to reduce employer match contributions. During 2021, there were zero forfeitures. At December 31, 2021 and 2020, there were \$494 and \$250, respectively, of forfeitures that had not yet been applied to reduce the Company's administrative expenses or employer contributions.

Vesting - Participants are immediately vested in their contributions and the Company's safe harbor matching and additional employer matching contributions plus actual earnings thereon. Vesting in the Company's non-elective employer contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is vested 20 percent after the second year of service and 100 percent vested after six years of credited service.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in a variety of mutual funds, including exchange traded funds and target retirement date funds. The self-directed brokerage account option gives participants the choice to invest in a variety of mutual funds. Participants may change their investment options daily.

The Plan administrator periodically reviews the investment fund options available to participants and drops or adds investment funds as warranted.

Loans - The Plan does not allow participants to take a loan from their account.

Payment of Benefits - Vested benefits are payable upon the retirement, death, disability or termination of service of a participant. Upon termination of service, a participant may elect to receive either in a lump-sum or in partial withdrawals, an amount equal to the value of the participant's vested interest in his or her account. There are also limited circumstances in which an in-service withdrawal may be made. If at the date of termination of service, the participant's vested account balance, as defined, is less than \$5,000, the participant must take a distribution from the Plan. Participants with vested balances greater than \$5,000 may take a distribution or may leave their account in the Plan until the minimum distribution rules become effective.

Participants are offered the option of a hardship distribution. Cases of financial hardship are reviewed and approved by the Plan Administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Note 2 - Continued

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Quoted market prices in active markets are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. In addition, the Company may provide services to the Plan for which the Company receives no compensation. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

The Plan paid administrative expenses to Fidelity Investments Institutional Operations Company, LLC. (Fidelity), and advisory fees to Strategic Advisors, Inc. Revenue sharing fees were collected by Fidelity and credited to the Plan's Administrative Fee Credit account (AFCA). The credit amounts were determined each calendar quarter by applying rates contained in the Recordkeeping Services Agreement to the average daily balance of assets the Plan's investment options on an annualized basis. The credit amounts were invested into an unallocated plan asset account (money market) and were used to pay Plan administrative expenses. The Plan was credited with AFCA funds of \$718 in 2021 which were partially used to pay administrative expenses. There was no unallocated amount of the AFCA account at December 31, 2021 and 2020.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

Following is a summary of the unaudited information included in the financial statements and supplemental schedule on page 12 which was prepared by Fidelity Management Trust Company, the trustee of the Plan's assets, and furnished to the administrator along with certification that such information is complete and accurate:

1. Fair value of investments as of December 31, 2021, and 2020;
2. Investment income earned for the year ended December 31, 2021; and
3. The information in Note 4 and the supplemental schedule on page 12.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All investments measured at fair value are considered to be measured at Level 1 inputs, with no change in valuation methodologies.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds and the money market fund: valued at the publicly quoted net asset value of each fund. The total value is calculated by multiplying the net asset value per share by the number of shares held as of the measurement date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$15,481,704	\$ -	\$ -	\$15,481,704
Money Market Fund	123,828	-	-	123,828
	<u>\$15,605,532</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$15,605,532</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$10,378,920	\$ -	\$ -	\$10,378,920
Money Market Fund	97,904	-	-	97,904
	<u>\$10,476,824</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,476,824</u>

NOTE 5 - RELATED-PARTY TRANSACTIONS

Fidelity Management Trust Company (FMTC) acts as trustee for investments of the Plan. Therefore, transactions with FMTC and Fidelity Brokerage Services qualify as party-in-interest transactions. Fees paid by the Plan for contract administration were \$38,008 for the year ended December 31, 2021.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

Effective October 1, 2020, the Company adopted a standard Fidelity prototype plan and related trust that the Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and related trust is tax-exempt and hence, no provision for income taxes has been made in the financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has concluded that as of December 31, 2021, the Plan has not taken any uncertain positions that would require recognition or disclosure. The Plan is subject to routine audits by taking jurisdictions, generally for three years after filing; however, years prior to 2018 are no longer subject to examination.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 11, 2022, the date which the financial statements were available to be issued.

THE SPUR GROUP RETIREMENT PLAN

**FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE**

DECEMBER 31, 2021 and 2020

To the Trustees of
The Spur Group Retirement Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Spur Group Retirement Plan [the Spur Group Plan], an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company (qualified institution), the custodian of the Plan, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Spur Group Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Spur Group Plan's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Spur Group Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Spur Group Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Spur Group Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE SPUR GROUP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Spur Group Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan’s provisions.

General - The Plan is a participant-directed defined-contribution plan covering all employees of The Spur Group Inc. (“the Company”) who are age eighteen or older. The Plan does not have a service requirement in order for participants to be eligible to make or receive contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Company and effective October 1, 2020, the Plan was restated with the Adoption of a Fidelity Volume Submitter Plan. On this same date, Plan assets and recordkeeping responsibilities were transferred to Fidelity Management Trust Company and Fidelity Retirement Services, respectively.

The Plan’s provisions remained substantially unchanged following the adoption of the Fidelity prototype with the following exceptions:

- Automatic enrollment provision of 4% became effective November 1, 2020, unless affirmatively elected otherwise. This provision applies differently to employees with a hire date or reemployment date prior to October 1, 2020.
- Participants may participate in a self-directed brokerage arrangement.

Contributions - Each year participants may contribute up to the maximum amount allowed by the Internal Revenue Code of annual pre-tax compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. Participants who are eligible to make salary deferrals to the Plan are generally eligible for the safe harbor employer matching contribution equal to 100% of deferrals up to 4% of a participant’s compensation. The Company may also contribute an additional employer matching contribution equal to a uniform discretionary percentage of the Participant’s elective deferrals or a specified dollar amount. The Company may also make a discretionary contribution to the Plan. A Participant must generally be employed on the last day of the contribution period to receive a discretionary non-elective employer contribution. Participant elective deferrals and the employer safe harbor contributions are funded with each payroll. There were no non-safe harbor employer match and profit-sharing contributions made during the years, 2021 and 2020.

All contributions are invested in accordance with fund allocations specified by plan participants.

Note 1 - Continued

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions and (b) Plan earnings and charged with an allocation of administrative expense. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures - Forfeited balances of non-vested accounts are first used to pay any administrative expenses and any remaining forfeitures will be used to reduce employer match contributions. During 2021, there were zero forfeitures. At December 31, 2021 and 2020, there were \$494 and \$250, respectively, of forfeitures that had not yet been applied to reduce the Company's administrative expenses or employer contributions.

Vesting - Participants are immediately vested in their contributions and the Company's safe harbor matching and additional employer matching contributions plus actual earnings thereon. Vesting in the Company's non-elective employer contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is vested 20 percent after the second year of service and 100 percent vested after six years of credited service.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in a variety of mutual funds, including exchange traded funds and target retirement date funds. The self-directed brokerage account option gives participants the choice to invest in a variety of mutual funds. Participants may change their investment options daily.

The Plan administrator periodically reviews the investment fund options available to participants and drops or adds investment funds as warranted.

Loans - The Plan does not allow participants to take a loan from their account.

Payment of Benefits - Vested benefits are payable upon the retirement, death, disability or termination of service of a participant. Upon termination of service, a participant may elect to receive either in a lump-sum or in partial withdrawals, an amount equal to the value of the participant's vested interest in his or her account. There are also limited circumstances in which an in-service withdrawal may be made. If at the date of termination of service, the participant's vested account balance, as defined, is less than \$5,000, the participant must take a distribution from the Plan. Participants with vested balances greater than \$5,000 may take a distribution or may leave their account in the Plan until the minimum distribution rules become effective.

Participants are offered the option of a hardship distribution. Cases of financial hardship are reviewed and approved by the Plan Administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Note 2 - Continued

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Quoted market prices in active markets are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. In addition, the Company may provide services to the Plan for which the Company receives no compensation. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

The Plan paid administrative expenses to Fidelity Investments Institutional Operations Company, LLC. (Fidelity), and advisory fees to Strategic Advisors, Inc. Revenue sharing fees were collected by Fidelity and credited to the Plan's Administrative Fee Credit account (AFCA). The credit amounts were determined each calendar quarter by applying rates contained in the Recordkeeping Services Agreement to the average daily balance of assets the Plan's investment options on an annualized basis. The credit amounts were invested into an unallocated plan asset account (money market) and were used to pay Plan administrative expenses. The Plan was credited with AFCA funds of \$718 in 2021 which were partially used to pay administrative expenses. There was no unallocated amount of the AFCA account at December 31, 2021 and 2020.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

Following is a summary of the unaudited information included in the financial statements and supplemental schedule on page 12 which was prepared by Fidelity Management Trust Company, the trustee of the Plan's assets, and furnished to the administrator along with certification that such information is complete and accurate:

1. Fair value of investments as of December 31, 2021, and 2020;
2. Investment income earned for the year ended December 31, 2021; and
3. The information in Note 4 and the supplemental schedule on page 12.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All investments measured at fair value are considered to be measured at Level 1 inputs, with no change in valuation methodologies.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds and the money market fund: valued at the publicly quoted net asset value of each fund. The total value is calculated by multiplying the net asset value per share by the number of shares held as of the measurement date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$15,481,704	\$ -	\$ -	\$15,481,704
Money Market Fund	123,828	-	-	123,828
	<u>\$15,605,532</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$15,605,532</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$10,378,920	\$ -	\$ -	\$10,378,920
Money Market Fund	97,904	-	-	97,904
	<u>\$10,476,824</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,476,824</u>

NOTE 5 - RELATED-PARTY TRANSACTIONS

Fidelity Management Trust Company (FMTC) acts as trustee for investments of the Plan. Therefore, transactions with FMTC and Fidelity Brokerage Services qualify as party-in-interest transactions. Fees paid by the Plan for contract administration were \$38,008 for the year ended December 31, 2021.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

Effective October 1, 2020, the Company adopted a standard Fidelity prototype plan and related trust that the Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and related trust is tax-exempt and hence, no provision for income taxes has been made in the financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has concluded that as of December 31, 2021, the Plan has not taken any uncertain positions that would require recognition or disclosure. The Plan is subject to routine audits by taking jurisdictions, generally for three years after filing; however, years prior to 2018 are no longer subject to examination.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 11, 2022, the date which the financial statements were available to be issued.
