To the Plan Sponsor of
Clampco Products, Inc. 401(k) Sharing Plan:

INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Clampco Products, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit

conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CLAMPCO PRODUCTS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 - Plan Description:

The following description of the Clampco Products, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan sponsored by Clampco Products, Inc. was established effective January 1, 1979 and restated on November 1, 2011, January 1, 2016, and March 10, 2021. The amendment and restatement on March 10, 2021 was done to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The Plan is a defined contribution plan with both a 401(k) portion and a profit sharing portion. The Plan covers all employees who have at least six months of service for the 401(k) portion of the Plan and one year of service for the profit sharing portion of the Plan. The employee must be age 18 or older to participate in either portions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor, Clampco Products, Inc., is responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance .

Contributions:

The participating employees make contributions to the Plan according to their elected salary reduction agreement with the Company, not to exceed limits imposed by the IRS Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions may be changed as of each payroll period. The Plan also allows participants to make Roth and rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan is a safe-harbor plan and the Company makes matching contributions equal to 100% of the participant's elective deferrals not to exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but not to exceed 5% of the participant's compensation. The Company may make a discretionary contribution in an amount determined by resolution of the Board of Directors on an annual basis. During the years ended December 31, 2021 and 2020, the Company made discretionary profit sharing contributions of \$213,299 and \$989,301, respectively.

Participants Accounts:

Participant account balances are maintained to reflect each participant's interest in the Plan's funds. Participant account balances are increased by participant contributions, rollover contributions and Company contributions, an allocated share of investment income, and the net appreciation in the fair value of investments. Account balances are decreased by participant distributions, administrative expenses, and any net depreciation in the fair value of investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 - Description of Plan (Continued):

Vesting:

Participants are immediately vested in their salary deferral contributions, employer matching contributions, employee rollover contributions and related earnings. The employer discretionary contribution vests on a six year graded scale based on the employee's years of credited service. Forfeitures of the discretionary contribution are allocated to the remaining participants in the Plan. Forfeitures amounted to \$23,319 and \$32,218 at December 31, 2021 and 2020, respectively.

Payment of Benefits:

During their employment, participants may withdraw their employee vested account balances in the event of financial hardship as permitted by IRS guidelines. The balance in an employee's account not previously withdrawn may be paid to the participant or their designated beneficiary in the event of death, permanent disability, retirement, or other termination of employment with the Company. Participants with a vested interest in their accounts of \$5,000 or more may elect to receive a lump sum distribution, rollover the amount into another qualified plan or leave the funds invested in the Plan. Participants with a vested interest in their account of \$5,000 or less who do not contact the plan sponsor will have benefits paid in a lump sum or have an individual IRA account created and the participant's funds will be rolled over into the new IRA account.

Withdrawals:

Withdrawals are not permitted before age 62, except in the event of death, disability, termination of employment, or reasons of proven financial hardship. In service withdrawals are also permitted if the participant has attained the age of 62.

The foregoing description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Note 2 - Summary of Accounting Policies:

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits:

Benefit payments are recorded when paid.

CLAMPCO PRODUCTS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Accounting Policies (Continued):

Investment Valuation:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and is reflected in the statements of changes in net assets available for benefits.

Plan investments held in the Reliance Trust Company Stable Value Fund, which consists primarily of registered investment companies, are stated at fair value. Fair value of shares of registered investment companies represents the net asset value of such shares as of the close of business at the end of the period.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative plan expenses amounted to \$30,843 and \$27,007 for the years ending December 31, 2021 and 2020, respectively.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events:

The COVID-19 outbreak in the United States has greatly disrupted the economy and has negatively affected operations across a broad range of industries. The Plan's investments can potentially be impacted by the volatile market as a result of the outbreak. The extent of the impact on the Plan's operational and financial performance remains uncertain and cannot be reasonably estimated at this time.

The Plan Sponsor has evaluated subsequent events through September 30, 2022 the date the financial statements were available to be issued and no matters that came to their attention that would require adjustments to or disclosure in the financial statements.

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 3 - Information Prepared and Certified by Custodian:

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Mid Atlantic Trust Company (the Plan custodian) as of December 31, 2021 and 2020, respectively:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 19,251,893	\$ 16,770,338
Net appreciation in fair value of investments	2,098,934	1,987,717
Interest and dividends	267,564	215,506

Note 4 - Income Tax Status:

The Plan uses a prototype plan document sponsored by Definiti, LLC (Definiti). Definiti received an opinion letter from the IRS dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not obtained a determination letter from the Internal Revenue Service. However, management of the plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business income tax. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination. No such positions have been recorded in the December 31, 2021 and 2020 financial statements.

The Plan is subject to routine audits by the Internal Revenue Service; however, there currently are no audits for any tax period in progress. As of December 31, 2021 the Plan's federal informational returns are no longer subject to examination by the Internal Revenue Service for the tax years prior to 2018.

Note 5 -Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

CLAMPCO PRODUCTS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 5 - Fair Value Measurements (Continued):

Level 2 - Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or the liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Common collective trusts - The fair values of participation units held in common collective trusts are based on their net asset values, as reported by the managers of the common collective trusts and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date.

Registered investment companies/mutual funds - Funds that are registered with the Securities and Exchange Commission (SEC) and are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 5 - Fair Value Measurements (Continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 17,520,215	\$ -	\$ -	\$ 17,520,215
Common collective trusts	-	1,731,678	-	1,731,678
Investments at fair value	<u>\$ 17,520,215</u>	<u>\$ 1,731,678</u>	<u>\$ -</u>	<u>\$ 19,251,893</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 14,704,169	\$ -	\$ -	\$ 14,704,169
Common collective trusts	-	2,066,169	-	2,066,169
Investments at fair value	<u>\$ 14,704,169</u>	<u>\$ 2,066,169</u>	<u>\$ -</u>	<u>\$ 16,770,338</u>

Note 6 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested and the custodian shall distribute account balances in accordance with the Plan.

Note 7 - Party-In-Interest:

The Plan paid \$28,169 and \$24,157 in investment management fees to the Tavco Financial Advisory, Inc. in 2021 and 2020, respectively. The plan sponsor believes there were no prohibited transactions with parties - in - interest during 2021 or 2020.

Note 8 - Risks and Uncertainties:

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.
