FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Florida Physician Specialists 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Florida Physician Specialists 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Physician Specialists 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance

but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Florida Physician Specialists 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Physician Specialists 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Statements of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES
FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

We were engaged to audit the accompanying statement of net assets available for benefits of Florida Physician Specialists 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 11, which was certified by Principal Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN**

The following description of the Florida Physician Specialists (the "Company" or "Plan Sponsor") 401(k) Plan (the "Plan") provides only general information. The Plan was formerly known as "ICON, LLC 401(k) Plan". The Plan was amended on January 1, 2013 to change the name to Florida Physician Specialists 401(k) Plan. The Plan was amended on November 1, 2016 to incorporate auto enrollment. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan (401(k)) covering all full-time employees who have completed six months of service and are age twenty-one or older. Years of service with any medical practice operated by a physician immediately prior to the physician becoming a member of the Company are recognized. The Principal Life Insurance Company (the "Custodian") serves as a custodian of the Plan from November 1, 2016 to current. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants generally may contribute up to 80 percent of their annual compensation, as defined in the Plan document, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may also contribute amounts on an after-tax basis.

Every qualified employee will be auto enrolled at a 3% contribution rate or at their previous elected contribution rate, if higher than 3%. The amount of their automatic enrollment will increase by 1% in the second through seventh years to a maximum of a 10% contribution rate. The qualified employee must file an election to "receive cash in lieu of elective deferrals" before auto enrollment begins or within the 60-day period thereafter if they want to decline to participate in the Plan. The Participant shall not receive a refund of any elective deferral made.

The Company may make discretionary matching contributions equal to a uniform percentage of participant salary reductions. The Company may also elect to make "safe harbor" contributions,

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** – (Continued)

Contributions – (Continued)

but is under no obligation to do so. The "safe harbor" contribution is equal to 3% of total eligible compensation for the Plan year. If the Company elects to satisfy the "safe harbor", then the discretionary matching contribution will not exceed 6% of compensation of a participant who is eligible to share in the discretionary matching contribution for the Plan year. The Company may also make discretionary profit-sharing contributions.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan's investment options include mutual funds, pooled separate funds, guaranteed investment contract, and money market funds as investment options for participants. In addition, participants may utilize an individual self-directed brokerage option, through which participants are able to invest in a variety of securities including stocks, bonds, mutual funds, and government securities in accordance with the Plan document.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, and Plan earnings or losses. Additionally, each participant account is charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100% vested in the Company's "safe harbor" contributions and qualified non-elective contributions contributed to the Plan. Vesting in the Company's match and profit-sharing portion of their accounts plus actual earnings thereon is based on years of continuous service. A year of service is based on 1,000 hours of service in a particular Plan year. A participant is 100% vested after six years of credited service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	0
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
Over 6 years	100

Distributions

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount as provided by the Plan. In-service distributions, as provided by the Plan, may be made upon demonstration of financial hardship, disability, or after participants reach the age of 59.5 years.

Hardship Distributions

Participants who have incurred certain hardship conditions as specified by provisions of the Internal Revenue Code may elect to receive a distribution from his/her elective contribution account. Effective January 1, 2020, the Plan was amended to allow for hardship distributions from the vested portion of participant employer matching and profit-sharing contribution accounts.

Forfeited Accounts

At December 31, 2021 and 2020, there were \$13,211 and \$26,811, respectively, in forfeited non-vested accounts. These accounts are used to reduce employer contributions and, then, administrative expenses. During 2021 and 2020, \$29,368 and \$33,495 of forfeitures were used to reduce the employer contributions, respectively.

Participant Loans

Participants may, pursuant to the provisions in the Plan document, borrow from their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate. At December 31, 2021 and 2020, outstanding loans bore interest rates of 3.25% to 5.50%. Principal and interest is paid ratably through payroll deductions.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants (participant loans) are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** – (Continued)

Payment of Benefits

Benefits are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account. Fees associated with the audit for the Plan were paid by the Plan Sponsor and are not included in expenses in these financial statements. During the years ended December 31, 2021 and 2020, expenses and fees were \$87,331 and \$69,880, respectively.

3. **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

4. **TAX STATUS**

On January 31, 2006, the Plan's volume submitter practitioner submitted a volume submitter Plan document to the Internal Revenue Service (the "IRS") which the Plan is utilizing. The IRS has determined and informed the Plan's volume submitter practitioner by a letter dated March 31, 2008 that the volume submitter Plan document was designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan was amended on March 1, 2006 and was informed by a letter from the IRS dated June 19, 2007 that the Plan and related trust are designed in accordance with the applicable sections of the IRC for the Plan amendment executed on March 1, 2006. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

4. **TAX STATUS** – (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax provisions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The tax years 2018, 2019, 2020, and 2021 are subject to examination.

5. **CONCENTRATION OF CREDIT RISK**

Contributions receivable from Plan participants as of December 31, 2021 and 2020 were \$163,000 and \$168,192, respectively. Contributions receivable from the Plan Sponsor as of December 31, 2021 and 2020 were \$924,537 and \$961,963, respectively.

6. **FAIR VALUE MEASUREMENTS**

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 may also include insignificant adjustments to market observable inputs.
- Level 3: Unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

6. **FAIR VALUE MEASUREMENTS** – (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued at fair value based upon net asset value.

Pooled separate accounts: Invests in mutual funds. The fair values of the underlying mutual funds are publicly quoted prices used in determining net asset value.

Principal Life Insurance Company Guaranteed Investment Contract: Valued at contract value (principal plus accumulated earnings). See note 7 for more information.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

7. GROUP ANNUITY CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (the "Principal"). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The crediting rate at December 31, 2021 was 3.05%. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

FLORIDA PHYSICIAN SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

7. **GROUP ANNUITY CONTRACTS WITH PRINCIPAL LIFE INSURANCE COMPANY**

– (Continued)

An employer-level liquidation or employer-initiated transfer of the Plan's interest in the Principal Fixed Income Guaranteed Option will be subject to either a 12-month advance notice or a 5% surrender charge, whichever the employer chooses. Notification of a plan's intent to terminate its interest may be revoked within 90 days of our receipt of such notice, after which time, notice becomes irrevocable.

A 5% surrender charge will also apply if the cumulative of participant transfers from the Principal Fixed Income Guaranteed Option exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender or the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the employer. Refer to the contract for a full description of the Surrender Charge.

8. **NON EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

As described in the Statement of Delinquent Participant Contributions (included in the supplemental information), the Company did not remit certain contributions to the Plan in a timely manner, as defined by ERISA. During the 2021 and 2020 Plan years, there were unintentional delays by the Company in submitting participant contributions to the custodian in the amounts of \$22,558 and \$0, respectively. These late contributions are considered non-exempt party-in-interest transactions, which are prohibited transactions, and may result in an imposition of a 15% excise tax on the amount of the transaction. The tax status opinion of the Plan is not affected by these non-exempt transactions. If assessed, the Company intends to pay all fines that may be imposed. At December 31, 2021 and 2020, management estimates approximately \$0 and \$0, respectively, in lost income due to the delays.

9. **SUBSEQUENT EVENTS**

The date to which events occurring after December 31, 2021, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is September 27, 2022, which is the date on which the financial statements were available to be issued.

10. **PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are units of pooled separate accounts managed by Principal Life Insurance Company. The Principal Life Insurance Company transactions qualify as party-in-interest transactions and have been identified as such within the supplemental information.

Certain Plan investments are managed by Principal Life Insurance Company. It is the trustee/custodian for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

10. PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2021 and 2020, Principal Life Insurance Company, Principal Securities, Inc., Economic Group Pension Services, Inc., and Wilshire Associates Incorporated received advisory fees and/or administrative fees. Fees paid for these services are included in the Plan expense. These transactions also qualify as party-in-interest transactions for which there is a statutory exemption.

11. CERTIFIED INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020 including investment information related to the 401(k) account (see Note 6), that is disclosed in the accompanying financial statements and supplemental schedules, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the trustee of the Plan.
