INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Hytrol Conveyor Company, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hytrol Conveyor Company, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hytrol Conveyor Company, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hytrol Conveyor Company, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hytrol Conveyor Company, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hytrol Conveyor Company, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hytrol Conveyor Company, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the Hytrol Conveyor Company, Inc. 401(k) Retirement Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Hytrol Conveyor Company, Inc. 401(k) Retirement Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 – PLAN DESCRIPTION

The following description of the Hytrol Conveyor Company, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Hytrol Conveyor Company, Inc. (the Company) established the Plan, a defined contribution plan, effective January 1, 1985, and as amended, is designed to comply with the Internal Revenue Code of 1986, as amended, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been amended and restated several times since then.

- Effective January 31, 2015, the Plan was amended to address the final regulations under Section 415 of the Internal Revenue Code.
- Effective April 1, 2015, the Plan was amended and restated to implement a 3-year cliff vesting and revise the Company's matching provisions.
- Effective April 1, 2016, the Plan was amended and restated to coincide with change in the plan's trustee and recordkeeper. Also, the plan's name was changed from Savings and Security Plan 401(k) to 401(k) Retirement Plan.
- Effective January 1, 2019, the Plan was amended to implement the provisions of the Bipartisan Budget Act of 2018 and Section 1.40(k)-3(d) of the Treasury Regulations with respect to hardship withdrawals.
- Effective January 1, 2021, the Plan was amended to allow a transfer of excess assets from the Retirement Plan, which was terminated in 2019.
- Effective February 1, 2021, the Plan was amended to allow qualified birth or adoption distributions due to provisions of the SECURE Act.
- Effective January 15, 2021, the Plan was amended to allow participants to take loans without spousal consent.
- Effective July 1, 2021, the Plan was amended to add Roth Election Deferrals, Roth Rollover Contributions and to change the Plan's minimum age requirement to 18 years of age.

The Board of Trustees is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance with assistance of the Board of Trustees and contracted investment advisors.

Eligibility

An employee is eligible to participate in the Plan upon completion of six months of service and a total of 500 service hours and upon reaching age 18.

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION (Continued)

Contributions

Elective deferrals are limited by the Plan according to IRC sections 401(k), 402(g), 404 and 415 to a set amount each year. For 2021 that amount is \$19,500. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan allows semi-annual entry dates on January 1 and July 1.

The Company matches 100 percent of the first 3 percent and 50 percent of the next 2 percent of base compensation that a participant contributes to the Plan, with a maximum match of 4 percent. Additionally, the Company will contribute to the Plan an amount necessary to provide the top-heavy minimum contribution. The Company may also make discretionary profit-sharing contributions, as directed by the Board of Directors, an amount to be determined from year to year.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants in the Plan as of March 31, 2015 were immediately 100% vested in their individual account attributable to matching contributions and employer profit sharing contributions. Employees who become participants in the Plan after April 1, 2015 are vested in their individual account attributable to matching contributions and employer profit sharing contributions in accordance with the plan's 3-year cliff vesting schedule.

Loans to Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined by the plan. Loans generally must be repaid within five years, with the exception of loans to purchase a principal residence, which may be extended up to ten years. Principal and interest are repaid ratably through payroll deductions.

NOTE 1 – PLAN DESCRIPTION (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the vested interest in his or her account, annual or more frequent installments, or a deferred payment subject to the provisions of ERISA. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Required minimum distributions are made to certain participants in the absence of other distribution elections.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$9,902 and \$9,946, respectively. These accounts may be applied to offset plan expenses, reduce future employer matching contributions, or reduce future employer non-elective contributions. During 2021, investment fees totaling \$58,520 were paid from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Reissued Financial Statements

Due to an error discovered subsequent to the report date, the 2020 financial statements were restated and reissued. The statements of net assets available for benefits have been updated to reflect those changes.

Date of Management's Review and Subsequent Events

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – TRANSFER OF ASSETS FROM THE RETIREMENT PLAN

Due to the termination of the Company's Retirement Plan in 2019, the Company amended the Plan to receive a transfer of assets from the excess funds. In November 2021, the Plan received a transfer of \$1,153,001. The funds were held in an interest-bearing cash account until they were allocated to participants. Although the amendment allowed for the funds to be allocated to participants' accounts ratably over seven years as a nonelective employer contribution, the Company decided to allocate the full amount in March 2022. The funds are reported as cash reserve investments and transfer of assets as of and for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENT

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. These funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The self-directed brokerage account includes a money market fund and various common stocks. The fair value of money market funds and common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

		Fair Value Measurements at the End of the Reporting Period		
December 31, 2021	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 44,858,208	\$ 44,858,208	\$ 0	\$ 0
Cash reserve	1,166,176	1,166,176

Total investments, at fair value	<u>\$ 48,656,938</u>	<u>\$ 41,293,083</u>	<u>\$ 0</u>	<u>\$ 0</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 5 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by State Street Bank and Trust Company (State Street Bank). State Street Bank is the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions.

Effective April 1, 2016, State Street Bank serves as a directed trustee and holds and administers assets deposited to the Trust pursuant to the terms of a Trust Agreement and Transamerica Retirement Solutions, LLC (Transamerica) provides certain administrative services to the Plan pursuant to a Pension Services Agreement between the Company and respective trustee and recordkeeper. State Street Bank receives an annual compensation for services from Transamerica.

Transamerica receives revenue from mutual funds and collective trust fund service providers for services Transamerica provides to the funds. This revenue is used to offset certain amounts owed to Transamerica for its administrative services to the Plan.

As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA. The Plan Sponsor pays directly any other fees related to the Plan's operations.

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

(Continued)

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will be fully vested in their entire balance under the Plan, even though they would not otherwise have a sufficient number of years of vesting service to be 100 percent vested in their balance.

NOTE 7 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed Transamerica Retirement Solutions Corporation, the Volume Submitter Plan Sponsor, by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Subsequent to the year end, the Internal Revenue Service issued the Plan sponsor a favorable determination letter dated July 7, 2022. This letter considered the 2017 cumulative list of changes in Plan qualification requirements and the Plan amendments dated September 30, 2020 and June 28, 2021.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared an outbreak of a coronavirus (COVID-19) a pandemic. As a result of the outbreak in the United States, economic uncertainties have arisen which caused declines in market values of most investments. Although the market showed some signs of recovery in 2021, the specific long-term economic impact is not readily determinable as of the date of these financial statements.
