Independent Auditor's Report

To the Plan Administrator
C-4 Analytics, LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of C-4 Analytics, LLC 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of C-4 Analytics, LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note A – Description of Plan

The following description of the C-4 Analytics, LLC 401(k) Profit Sharing Plan and Trust (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of C-4 Analytics, LLC (the “Company”, “Plan Administrator”, or “Employer”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment options and monitors investment performance. Employees are eligible to participate in the Plan as of the first day of the Plan quarter coinciding with or subsequent to the completion of 1,000 hours of service during a period of 6 consecutive months of employment and having attained the age of twenty-one.

Plan Transfer

Effective December 21, 2021, the Plan was amended and restated, and a new custodian and third-party administrator were appointed. Plan assets at the previous custodian were held in pooled separate accounts which were sold prior to being invested in the new investment options provided by the new custodian. As of December 31, 2021, as a result of the conversion process, all Plan assets were held in a noninterest bearing cash account and subsequently reinvested into the new investment options requested by each participant on January 3, 2022. The conversion initiated a blackout period beginning December 20, 2021 and continuing through January 17, 2022. During this period, funds could not be applied to the employee-selected funds with the custodian, or withdrawn from the Plan, including loans, until the custodian could accurately complete the conversion. During the blackout period, employee contributions continued to be made through payroll deductions, and the contributions were deposited and held in the noninterest bearing cash account, until the completion of the blackout period. At the end of the blackout period, such funds were transferred to the investment options requested by each participant.

Coronavirus Aid, Relief and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act provided relief provisions for retirement plan sponsors and their participants. As permitted by the CARES Act, the Plan implemented the following provisions:

- Coronavirus-related distribution: qualified individuals were permitted to take a penalty free distribution in an amount up to \$100,000 and may be repaid within three years.
- Participant loans: The Plan permitted loans to qualified participants in the amount of the lesser of \$100,000 or 100% of the participant’s vested account balance from March 27, 2020 through September 22, 2020. This provision also allowed for suspension of loan payments due from March 27, 2020 through December 31, 2020.
- Required minimum distributions: Required minimum distributions were temporarily suspended in 2020.

The relief provisions in the CARES Act implemented by the Plan were effective through December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (“IRS”) guidance.

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note A – Description of Plan (continued)

Contributions

Each year, participants may make pre-tax elective contributions and Roth 401(k) contributions of eligible compensation, as defined in the Plan, subject to certain IRS limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants direct the investment of contributions made into their accounts into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate initially set at 3% of eligible compensation during the first and second year of service, and thereafter, increasing 1% each year to a maximum of 6%, and their contributions are invested in a designated investment option until changed by the participant.

The Company may make employer profit sharing contributions to participants based upon the approval of its Board of Directors. The Board of Directors approved a profit sharing contribution covering the years ended December 31, 2021 and 2020 in the amount of \$455,640 and \$414,863, net of forfeitures, respectively, which are included in the employer contributions receivable on the statements of net assets available for benefits. A participant is eligible to receive the profit sharing contribution if he or she is employed on the last day of the Plan year. The Company may make discretionary matching contributions in an amount equal to a percentage of the amount contributed by each participant. The discretionary matching contributions may be limited to a certain dollar amount. For the year ended December 31, 2021, the Company did not make discretionary matching contributions. For the year ended December 31, 2021, the Company made safe harbor matching contributions equal to 100% of the participant's contribution not exceeding 1% of compensation plus 50% of the elective deferrals that exceed 1% of the employee's compensation up to 6% of compensation. All contributions are subject to maximum amounts as permitted by the IRS.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, if any, Plan earnings (losses) from investments and is charged for specific administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the employer profit sharing contributions plus actual earnings thereon is based on years of credited service. A participant is 100% vested after six years of credited service. Participants are immediately vested in safe harbor employer matching contributions plus earnings thereon.

A participant who attains normal retirement age or who becomes disabled or dies will be considered 100% vested.

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note A – Description of Plan (continued)

Payment of Benefits

Upon a disability, retirement, or termination of employment with the Company for any reason, the participant will be entitled to receive a lump sum, partial payment, or installment distribution of the total vested portion of his or her account. The Plan may automatically make distributions to terminated participants, without their consent, if the value of their vested account balances does not exceed \$5,000 and if such amount is greater than \$1,000, such amount will be rolled over to an individual retirement account if the participant does not make an affirmative election to either receive or roll over the distribution.

Active participants may take a distribution from the vested portion of their account if they are at least age 59½.

Forfeitures

As of December 31, 2021 and 2020, forfeited non-vested amounts, which are held in a cash account with the Plan's trustee, totaled \$17,526 and \$35,502, respectively. The forfeitures of unvested account balances will be used to reduce future employer contributions. During the year ended December 31, 2021, forfeitures in the amount of \$37,349 were used to reduce Employer contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the prime interest rate. Principal and interest are paid ratably through bi-weekly after-tax payroll deductions. Interest rates are fixed for the duration of the loan. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash

Cash represents amounts held in a demand deposit account with the custodian.

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note B – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments in pooled separate accounts are reported at fair value using their net asset value as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends paid by the underlying mutual funds to the pooled separate accounts are included in the net appreciation in fair value of investments on the statement of changes in net assets available from benefits. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, then the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to a participant for contributions in excess of the amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Distributions and recordkeeping fees are charged directly to the applicable participant's account and are included in administrative expenses. Investment advisory fees are charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events

The Plan Administrator has evaluated the effect which subsequent events may have on these financial statements. The Plan Administrator's evaluation was completed on October 13, 2022, the date the financial statements became available to be issued.

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note C – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs, in general, consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, *Level 2* inputs, in general, consist of quoted prices for similar assets in active markets, and *Level 3* inputs are unobservable and significant to the fair value measurement priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- The fair value of pooled separate accounts is based on net asset value which is their reported accumulation unit value (“AUV”). The separate accounts are valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying mutual fund, less any separate account fees. Participants may transfer amounts between the pooled separate accounts on a daily basis at AUV with no redemption restrictions. Each pooled separate account invests in an underlying mutual fund whose investment objective varies depending if the securities held are common stocks, bonds, or another combination of security types.

Notes to Financial Statements

Note C – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of each year end.

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts (a)	-	-	-	-
Investments, at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts (a)	-	-	-	7,559,494
Investments, at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,559,494</u>

- (a) The pooled separate accounts are measured at net asset value per share and have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no transfers between levels for the years ended December 31, 2021 or 2020.

Note D – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note E – Tax Status

The IRS has determined and informed the Plan Administrator by a letter dated June 30, 2020, that the prototype plan and related trust adopted by the Company are designed in accordance with applicable sections of the Internal Revenue Code ("IRC").

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note E – Tax Status (continued)

The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

Note F – Information Certified by Trustee (Unaudited)

For the year ended December 31, 2021, Reliance Trust Company held the Plan's assets as custodian. For the year ended December 31, 2020, the John Hancock Life Insurance Company held the Plan's investments as trustee. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Amounts certified by trustee:

	2021	2020
Statements of Net Assets Available for Benefits		
Investments at fair value	\$ -	\$ 7,559,494
Cash, noninterest bearing	9,657,034	35,502
Notes receivable from participants	84,102	26,621
Statement of Changes in Net Assets Available for Benefits:		
Net appreciation in fair value of investments and dividend income	\$ 985,668	
Interest income on notes receivable from participants	3,148	

Note G – Related Party Transactions and Parties-In-Interest Transactions

Certain operating expenses of maintaining the Plan are paid by the Company. Additionally, employees of the Company perform certain routine administrative services for the Plan without charge.

Certain Plan investments were invested in units of pooled separate accounts managed by John Hancock Life Insurance Company through December 20, 2021. John Hancock Life Insurance Company was a trustee and the record keeper of the Plan and, therefore, these transactions were regarded as party-in-interest transactions. John Hancock Life Insurance Company and its affiliates receives certain investment management or distribution revenue directly from the Plan's investments. The Plan incurred \$29,734 in recordkeeping and other administrative services to John Hancock Life Insurance Company for the year ended December 31, 2021.

C-4 ANALYTICS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note G – Related Party Transactions and Parties-In-Interest Transactions (continued)

On December 20, 2021, Reliance Trust Company became custodian of the Plan assets. On December 20, 2021, Standard Retirement Services became the record keeper of the Plan.

Notes receivable from participants, which are secured by the participant's account balance, also qualify as party-in-interest transactions.

The Plan incurred \$20,812 in investment advisory fees to Mayflower Financial Advisors, LLC for the year ended December 31, 2021.

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of the COVID-19 public health crisis, economic conditions have arisen that will affect the value of the Plan assets. At this time, management is unable to predict the financial effects and their duration because of the high level of uncertainty and unpredictable outcomes associated with the crisis.

Note I – Reconciliation of Financial Statements to Form 5500

The net assets available for benefits and changes in net assets available for benefits per these financial statements agree to Schedule H of the Form 5500. There are no reconciling items.

Note J – Delinquent Participation Contributions

Plan related salary deferrals and loan repayments withheld from employees' paychecks must be deposited into the Plan as soon as reasonably possible. When this regulation is not satisfied, the Plan sponsor has engaged in a prohibited transaction. During the year ended December 31, 2021, \$2,393 of participant contributions were not remitted within the required time period. Management corrected for lost earnings that were funded into the Plan in 2021. For the year ended December 31, 2020, \$20,950 of participant contributions and loan repayments were not remitted within the required time period. Management corrected for lost earnings that were funded in 2020.

During the plan year ended December 31, 2021, a contribution of \$10,395 was not remitted to the Plan in a timely manner. A corrective contribution was made on January 7, 2022. Lost earnings were funded into the Plan on February 28, 2022.

Note K – Subsequent Events

Effective January 1, 2023, employees are eligible to participate in the Plan as of the first day of the Plan quarter coinciding with or subsequent to the completion of 3 consecutive months of employment and having attained the age of twenty-one.
