A Name of plan ISPOT.TV, INC. 401(K) PLAN	B Three-digit plan number (PN) ▶	001
C Plan sponsor's name as shown on line 2a of Form 5500 ISPOT.TV, INC.	D Employer Identification Number (EIN) 45-4786521	

Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation FIDELITY INVESTMENTS INSTITUTIONAL 04-2647786
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
iSpot.tv, Inc. 401(k) Plan
Bellevue, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of iSpot.tv, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of iSpot.tv, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of iSpot.tv, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of iSpot.tv, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of iSpot.tv, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2020.

General

The Plan was established November 15, 2014 as a defined contribution retirement plan covering all eligible employees of iSpot.tv, Inc. (the Employer). The Plan was established to provide retirement benefits to the employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company is the Plan's trustee.

Eligibility

Employees of the Employer are immediately eligible to participate in the Plan if they satisfy all of the following: (a) have completed 1 hour of service and receive compensation from the Employer; (b) are not a nonresident alien who receives no earned income from the Employer which constitutes income from services performed in the United States; (c) are not included in a collective bargaining unit; (d) are not leased employees; and (e) are not identified as an independent contractor. The Employer may make two types of contributions: an Employer match and a profit sharing contribution. The Employer match is subject to the same eligibility requirements listed for employee deferrals. However, to be eligible for the profit sharing contribution, employees must meet the employment requirements listed above, as well as having completed 1,000 hours of service during the Plan year, and being employed on the last day of the Plan year.

Contributions

Participants may elect to contribute, on either a pre-tax or after-tax (Roth) basis, up to 100 percent of their annual compensation, limited to the amounts provided by the Internal Revenue Code (IRC). Participants may also contribute rollover amounts, representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan has an Eligible Automatic Contribution Arrangement (EACA) deferral of 6 percent on a pre-tax basis. Participants have the option to change their rate of contribution or decline participation entirely. The deferral increases 1 percent each year until the participant reaches 10 percent.

The Employer may make a discretionary profit sharing and/or matching contribution. The amount of the contribution is determined by the Employer on a discretionary basis. The Employer made a matching contribution of 25 percent of participant compensation deferred, not including catch-up amounts, for the years ended December 31, 2021 and 2020. The Employer did not make a profit sharing contribution for 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their accounts into various investment options offered by Fidelity Management Trust Company. All accounts are fully participant directed.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. iSpot.TV, Inc. employees hired prior to January 1, 2020 are vested immediately in the Employer's matching and profit sharing contributions. All other participants vest in the Employer's matching and profit sharing contributions based on years of service and are 100 percent vested after 4 years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan may have a term of no more than 5 years. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. A participant may only have a maximum of two loans outstanding at any one time.

Payment of Benefits

Upon retirement, death, disability, or termination, participants (or their beneficiaries) may elect to receive part or all of the vested interest in their accounts by lump-sum, in accordance with the appropriate provisions of the Internal Revenue Code (IRC) and applicable state laws. In addition, participants may elect to receive withdrawals of part or all of the interest in their accounts related to prior rollover contributions at any time. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested.

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's accounts or the amount of the financial need.

Forfeited Accounts

The non-vested account of a participant shall be forfeited if a participant is terminated. These accounts are used to pay Plan expenses or to reduce Company contributions. As of December 31, 2021 and 2020, the balance of unused forfeitures were \$8,885 and \$1,030, respectively. No amounts were used to reduce employer contributions for the years ended December 31, 2021 and 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses and Fees

Certain administrative expenses of the Plan are paid from Plan assets. Administrative expenses may also be paid by the Employer; these expenses are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, acting as the trustee for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Registered investment companies	\$ 18,732,381	\$ 12,665,383
Interest-bearing cash	309,087	431,934
Net change in fair value of investments	921,189	1,329,351
Interest income	31	157
Dividend income	1,512,737	542,830

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

4. Plan Termination

Although the Employer has not expressed any intent to discontinue its contributions and terminate the Plan Agreement, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Company contributions.

5. Party in Interest Transactions

Certain Plan investments represent funds invested in or maintained by Fidelity Management Trust Company. For the years ended December 31, 2021 and 2020, the Plan made direct payments to an affiliate of the trustee in the amount of \$23,900 and \$12,725, respectively, for administrative and advisory services. These party in interest transactions are exempt from the prohibited transactions rules of ERISA.

6. Tax Status

As of January 1, 2020, the Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the prototype plan upon which the Plan is based) sponsored by FMR, LLC. The Plan has obtained an opinion letter dated June 30, 2020, in which the IRS informed the Employer that the Plan as then designed was in accordance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

7. Fair Value Measurements, continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded and have a readily determinable fair value. These funds are required to publish their daily NAV and to transact at that price.

Interest bearing cash and cash in transit: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 18,732,381	\$ -	\$ -	\$ 18,732,381
Interest-bearing cash	-	309,087	-	309,087
Total investments, at fair value	<u>\$ 18,732,381</u>	<u>\$ 309,087</u>	<u>\$ -</u>	<u>\$ 19,041,468</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 12,665,383	\$ -	\$ -	\$ 12,665,383
Interest-bearing cash	-	431,934	-	431,934
Total investments, at fair value	<u>\$ 12,665,383</u>	<u>\$ 431,934</u>	<u>\$ -</u>	<u>\$ 13,097,317</u>

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

8. Transfer of Assets

During the year ended December 31, 2019, the Plan elected to change trustees, which resulted in the transfer of Plan assets from Principal Life Insurance Company and Principal Trust Company (Principal) to Fidelity Management Trust Company (Fidelity). The Plan's assets were liquidated and transferred from Principal, and on January 24, 2020, the assets were received by Fidelity and reinvested and allocated to the participants' accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Non-exempt Transactions

During the year ended December 31, 2021, participant contributions totaling \$102,583 were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer is in the process of taking the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period. There were no prohibited transactions for the year ended December 31, 2020.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
iSpot.tv, Inc. 401(k) Plan
Bellevue, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of iSpot.tv, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The Right People Beside You.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of iSpot.tv, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of iSpot.tv, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of iSpot.tv, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of iSpot.tv, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2020.

General

The Plan was established November 15, 2014 as a defined contribution retirement plan covering all eligible employees of iSpot.tv, Inc. (the Employer). The Plan was established to provide retirement benefits to the employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company is the Plan's trustee.

Eligibility

Employees of the Employer are immediately eligible to participate in the Plan if they satisfy all of the following: (a) have completed 1 hour of service and receive compensation from the Employer; (b) are not a nonresident alien who receives no earned income from the Employer which constitutes income from services performed in the United States; (c) are not included in a collective bargaining unit; (d) are not leased employees; and (e) are not identified as an independent contractor. The Employer may make two types of contributions: an Employer match and a profit sharing contribution. The Employer match is subject to the same eligibility requirements listed for employee deferrals. However, to be eligible for the profit sharing contribution, employees must meet the employment requirements listed above, as well as having completed 1,000 hours of service during the Plan year, and being employed on the last day of the Plan year.

Contributions

Participants may elect to contribute, on either a pre-tax or after-tax (Roth) basis, up to 100 percent of their annual compensation, limited to the amounts provided by the Internal Revenue Code (IRC). Participants may also contribute rollover amounts, representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan has an Eligible Automatic Contribution Arrangement (EACA) deferral of 6 percent on a pre-tax basis. Participants have the option to change their rate of contribution or decline participation entirely. The deferral increases 1 percent each year until the participant reaches 10 percent.

The Employer may make a discretionary profit sharing and/or matching contribution. The amount of the contribution is determined by the Employer on a discretionary basis. The Employer made a matching contribution of 25 percent of participant compensation deferred, not including catch-up amounts, for the years ended December 31, 2021 and 2020. The Employer did not make a profit sharing contribution for 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their accounts into various investment options offered by Fidelity Management Trust Company. All accounts are fully participant directed.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. iSpot.TV, Inc. employees hired prior to January 1, 2020 are vested immediately in the Employer's matching and profit sharing contributions. All other participants vest in the Employer's matching and profit sharing contributions based on years of service and are 100 percent vested after 4 years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan may have a term of no more than 5 years. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. A participant may only have a maximum of two loans outstanding at any one time.

Payment of Benefits

Upon retirement, death, disability, or termination, participants (or their beneficiaries) may elect to receive part or all of the vested interest in their accounts by lump-sum, in accordance with the appropriate provisions of the Internal Revenue Code (IRC) and applicable state laws. In addition, participants may elect to receive withdrawals of part or all of the interest in their accounts related to prior rollover contributions at any time. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested.

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's accounts or the amount of the financial need.

Forfeited Accounts

The non-vested account of a participant shall be forfeited if a participant is terminated. These accounts are used to pay Plan expenses or to reduce Company contributions. As of December 31, 2021 and 2020, the balance of unused forfeitures were \$8,885 and \$1,030, respectively. No amounts were used to reduce employer contributions for the years ended December 31, 2021 and 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses and Fees

Certain administrative expenses of the Plan are paid from Plan assets. Administrative expenses may also be paid by the Employer; these expenses are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, acting as the trustee for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Registered investment companies	\$ 18,732,381	\$ 12,665,383
Interest-bearing cash	309,087	431,934
Net change in fair value of investments	921,189	1,329,351
Interest income	31	157
Dividend income	1,512,737	542,830

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

4. Plan Termination

Although the Employer has not expressed any intent to discontinue its contributions and terminate the Plan Agreement, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Company contributions.

5. Party in Interest Transactions

Certain Plan investments represent funds invested in or maintained by Fidelity Management Trust Company. For the years ended December 31, 2021 and 2020, the Plan made direct payments to an affiliate of the trustee in the amount of \$23,900 and \$12,725, respectively, for administrative and advisory services. These party in interest transactions are exempt from the prohibited transactions rules of ERISA.

6. Tax Status

As of January 1, 2020, the Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the prototype plan upon which the Plan is based) sponsored by FMR, LLC. The Plan has obtained an opinion letter dated June 30, 2020, in which the IRS informed the Employer that the Plan as then designed was in accordance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

7. Fair Value Measurements, continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded and have a readily determinable fair value. These funds are required to publish their daily NAV and to transact at that price.

Interest bearing cash and cash in transit: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 18,732,381	\$ -	\$ -	\$ 18,732,381
Interest-bearing cash	-	309,087	-	309,087
Total investments, at fair value	<u>\$ 18,732,381</u>	<u>\$ 309,087</u>	<u>\$ -</u>	<u>\$ 19,041,468</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 12,665,383	\$ -	\$ -	\$ 12,665,383
Interest-bearing cash	-	431,934	-	431,934
Total investments, at fair value	<u>\$ 12,665,383</u>	<u>\$ 431,934</u>	<u>\$ -</u>	<u>\$ 13,097,317</u>

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

8. Transfer of Assets

During the year ended December 31, 2019, the Plan elected to change trustees, which resulted in the transfer of Plan assets from Principal Life Insurance Company and Principal Trust Company (Principal) to Fidelity Management Trust Company (Fidelity). The Plan's assets were liquidated and transferred from Principal, and on January 24, 2020, the assets were received by Fidelity and reinvested and allocated to the participants' accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Non-exempt Transactions

During the year ended December 31, 2021, participant contributions totaling \$102,583 were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer is in the process of taking the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period. There were no prohibited transactions for the year ended December 31, 2020.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
iSpot.tv, Inc. 401(k) Plan
Bellevue, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of iSpot.tv, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The Right People Beside You.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of iSpot.tv, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of iSpot.tv, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of iSpot.tv, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of iSpot.tv, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2020.

General

The Plan was established November 15, 2014 as a defined contribution retirement plan covering all eligible employees of iSpot.tv, Inc. (the Employer). The Plan was established to provide retirement benefits to the employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company is the Plan's trustee.

Eligibility

Employees of the Employer are immediately eligible to participate in the Plan if they satisfy all of the following: (a) have completed 1 hour of service and receive compensation from the Employer; (b) are not a nonresident alien who receives no earned income from the Employer which constitutes income from services performed in the United States; (c) are not included in a collective bargaining unit; (d) are not leased employees; and (e) are not identified as an independent contractor. The Employer may make two types of contributions: an Employer match and a profit sharing contribution. The Employer match is subject to the same eligibility requirements listed for employee deferrals. However, to be eligible for the profit sharing contribution, employees must meet the employment requirements listed above, as well as having completed 1,000 hours of service during the Plan year, and being employed on the last day of the Plan year.

Contributions

Participants may elect to contribute, on either a pre-tax or after-tax (Roth) basis, up to 100 percent of their annual compensation, limited to the amounts provided by the Internal Revenue Code (IRC). Participants may also contribute rollover amounts, representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan has an Eligible Automatic Contribution Arrangement (EACA) deferral of 6 percent on a pre-tax basis. Participants have the option to change their rate of contribution or decline participation entirely. The deferral increases 1 percent each year until the participant reaches 10 percent.

The Employer may make a discretionary profit sharing and/or matching contribution. The amount of the contribution is determined by the Employer on a discretionary basis. The Employer made a matching contribution of 25 percent of participant compensation deferred, not including catch-up amounts, for the years ended December 31, 2021 and 2020. The Employer did not make a profit sharing contribution for 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their accounts into various investment options offered by Fidelity Management Trust Company. All accounts are fully participant directed.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. iSpot.TV, Inc. employees hired prior to January 1, 2020 are vested immediately in the Employer's matching and profit sharing contributions. All other participants vest in the Employer's matching and profit sharing contributions based on years of service and are 100 percent vested after 4 years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan may have a term of no more than 5 years. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. A participant may only have a maximum of two loans outstanding at any one time.

Payment of Benefits

Upon retirement, death, disability, or termination, participants (or their beneficiaries) may elect to receive part or all of the vested interest in their accounts by lump-sum, in accordance with the appropriate provisions of the Internal Revenue Code (IRC) and applicable state laws. In addition, participants may elect to receive withdrawals of part or all of the interest in their accounts related to prior rollover contributions at any time. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested.

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's accounts or the amount of the financial need.

Forfeited Accounts

The non-vested account of a participant shall be forfeited if a participant is terminated. These accounts are used to pay Plan expenses or to reduce Company contributions. As of December 31, 2021 and 2020, the balance of unused forfeitures were \$8,885 and \$1,030, respectively. No amounts were used to reduce employer contributions for the years ended December 31, 2021 and 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses and Fees

Certain administrative expenses of the Plan are paid from Plan assets. Administrative expenses may also be paid by the Employer; these expenses are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, acting as the trustee for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

	2021	2020
Investments, at fair value:		
Registered investment companies	\$ 18,732,381	\$ 12,665,383
Interest-bearing cash	309,087	431,934
Net change in fair value of investments	921,189	1,329,351
Interest income	31	157
Dividend income	1,512,737	542,830

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

4. Plan Termination

Although the Employer has not expressed any intent to discontinue its contributions and terminate the Plan Agreement, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Company contributions.

5. Party in Interest Transactions

Certain Plan investments represent funds invested in or maintained by Fidelity Management Trust Company. For the years ended December 31, 2021 and 2020, the Plan made direct payments to an affiliate of the trustee in the amount of \$23,900 and \$12,725, respectively, for administrative and advisory services. These party in interest transactions are exempt from the prohibited transactions rules of ERISA.

6. Tax Status

As of January 1, 2020, the Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the prototype plan upon which the Plan is based) sponsored by FMR, LLC. The Plan has obtained an opinion letter dated June 30, 2020, in which the IRS informed the Employer that the Plan as then designed was in accordance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

7. Fair Value Measurements, continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded and have a readily determinable fair value. These funds are required to publish their daily NAV and to transact at that price.

Interest bearing cash and cash in transit: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 18,732,381	\$ -	\$ -	\$ 18,732,381
Interest-bearing cash	-	309,087	-	309,087
Total investments, at fair value	<u>\$ 18,732,381</u>	<u>\$ 309,087</u>	<u>\$ -</u>	<u>\$ 19,041,468</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 12,665,383	\$ -	\$ -	\$ 12,665,383
Interest-bearing cash	-	431,934	-	431,934
Total investments, at fair value	<u>\$ 12,665,383</u>	<u>\$ 431,934</u>	<u>\$ -</u>	<u>\$ 13,097,317</u>

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

8. Transfer of Assets

During the year ended December 31, 2019, the Plan elected to change trustees, which resulted in the transfer of Plan assets from Principal Life Insurance Company and Principal Trust Company (Principal) to Fidelity Management Trust Company (Fidelity). The Plan's assets were liquidated and transferred from Principal, and on January 24, 2020, the assets were received by Fidelity and reinvested and allocated to the participants' accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Non-exempt Transactions

During the year ended December 31, 2021, participant contributions totaling \$102,583 were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer is in the process of taking the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period. There were no prohibited transactions for the year ended December 31, 2020.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
iSpot.tv, Inc. 401(k) Plan
Bellevue, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of iSpot.tv, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The Right People Beside You.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of iSpot.tv, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of iSpot.tv, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about iSpot.tv, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of iSpot.tv, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of iSpot.tv, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2020.

General

The Plan was established November 15, 2014 as a defined contribution retirement plan covering all eligible employees of iSpot.tv, Inc. (the Employer). The Plan was established to provide retirement benefits to the employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company is the Plan's trustee.

Eligibility

Employees of the Employer are immediately eligible to participate in the Plan if they satisfy all of the following: (a) have completed 1 hour of service and receive compensation from the Employer; (b) are not a nonresident alien who receives no earned income from the Employer which constitutes income from services performed in the United States; (c) are not included in a collective bargaining unit; (d) are not leased employees; and (e) are not identified as an independent contractor. The Employer may make two types of contributions: an Employer match and a profit sharing contribution. The Employer match is subject to the same eligibility requirements listed for employee deferrals. However, to be eligible for the profit sharing contribution, employees must meet the employment requirements listed above, as well as having completed 1,000 hours of service during the Plan year, and being employed on the last day of the Plan year.

Contributions

Participants may elect to contribute, on either a pre-tax or after-tax (Roth) basis, up to 100 percent of their annual compensation, limited to the amounts provided by the Internal Revenue Code (IRC). Participants may also contribute rollover amounts, representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan has an Eligible Automatic Contribution Arrangement (EACA) deferral of 6 percent on a pre-tax basis. Participants have the option to change their rate of contribution or decline participation entirely. The deferral increases 1 percent each year until the participant reaches 10 percent.

The Employer may make a discretionary profit sharing and/or matching contribution. The amount of the contribution is determined by the Employer on a discretionary basis. The Employer made a matching contribution of 25 percent of participant compensation deferred, not including catch-up amounts, for the years ended December 31, 2021 and 2020. The Employer did not make a profit sharing contribution for 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their accounts into various investment options offered by Fidelity Management Trust Company. All accounts are fully participant directed.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. iSpot.TV, Inc. employees hired prior to January 1, 2020 are vested immediately in the Employer's matching and profit sharing contributions. All other participants vest in the Employer's matching and profit sharing contributions based on years of service and are 100 percent vested after 4 years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan may have a term of no more than 5 years. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. A participant may only have a maximum of two loans outstanding at any one time.

Payment of Benefits

Upon retirement, death, disability, or termination, participants (or their beneficiaries) may elect to receive part or all of the vested interest in their accounts by lump-sum, in accordance with the appropriate provisions of the Internal Revenue Code (IRC) and applicable state laws. In addition, participants may elect to receive withdrawals of part or all of the interest in their accounts related to prior rollover contributions at any time. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested.

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's accounts or the amount of the financial need.

Forfeited Accounts

The non-vested account of a participant shall be forfeited if a participant is terminated. These accounts are used to pay Plan expenses or to reduce Company contributions. As of December 31, 2021 and 2020, the balance of unused forfeitures were \$8,885 and \$1,030, respectively. No amounts were used to reduce employer contributions for the years ended December 31, 2021 and 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses and Fees

Certain administrative expenses of the Plan are paid from Plan assets. Administrative expenses may also be paid by the Employer; these expenses are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, acting as the trustee for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Registered investment companies	\$ 18,732,381	\$ 12,665,383
Interest-bearing cash	309,087	431,934
Net change in fair value of investments	921,189	1,329,351
Interest income	31	157
Dividend income	1,512,737	542,830

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

4. Plan Termination

Although the Employer has not expressed any intent to discontinue its contributions and terminate the Plan Agreement, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Company contributions.

5. Party in Interest Transactions

Certain Plan investments represent funds invested in or maintained by Fidelity Management Trust Company. For the years ended December 31, 2021 and 2020, the Plan made direct payments to an affiliate of the trustee in the amount of \$23,900 and \$12,725, respectively, for administrative and advisory services. These party in interest transactions are exempt from the prohibited transactions rules of ERISA.

6. Tax Status

As of January 1, 2020, the Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the prototype plan upon which the Plan is based) sponsored by FMR, LLC. The Plan has obtained an opinion letter dated June 30, 2020, in which the IRS informed the Employer that the Plan as then designed was in accordance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

7. Fair Value Measurements, continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded and have a readily determinable fair value. These funds are required to publish their daily NAV and to transact at that price.

Interest bearing cash and cash in transit: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 18,732,381	\$ -	\$ -	\$ 18,732,381
Interest-bearing cash	-	309,087	-	309,087
Total investments, at fair value	<u>\$ 18,732,381</u>	<u>\$ 309,087</u>	<u>\$ -</u>	<u>\$ 19,041,468</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	\$ 12,665,383	\$ -	\$ -	\$ 12,665,383
Interest-bearing cash	-	431,934	-	431,934
Total investments, at fair value	<u>\$ 12,665,383</u>	<u>\$ 431,934</u>	<u>\$ -</u>	<u>\$ 13,097,317</u>

iSPOT.TV, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

8. Transfer of Assets

During the year ended December 31, 2019, the Plan elected to change trustees, which resulted in the transfer of Plan assets from Principal Life Insurance Company and Principal Trust Company (Principal) to Fidelity Management Trust Company (Fidelity). The Plan's assets were liquidated and transferred from Principal, and on January 24, 2020, the assets were received by Fidelity and reinvested and allocated to the participants' accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Non-exempt Transactions

During the year ended December 31, 2021, participant contributions totaling \$102,583 were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer is in the process of taking the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period. There were no prohibited transactions for the year ended December 31, 2020.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
