INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN

Opinion

We have audited the accompanying financial statements of ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ending December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ending December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF THE PLAN

General

The Asset Risk Management LLC Retirement Savings Plan (the "Plan") is a defined contribution plan covering all of the eligible employees of Asset Risk Management, LLC (the "Company", or "Plan Sponsor"). The Plan is a qualified plan as defined by Section 401(a) of the Internal Revenue Code and contains a provision for salary reduction contributions under Section 401(k) of the Internal Revenue Code. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Formation of the plan

Prior to January 1, 2020, the Company held investments through the HR & P SOLUTIONS, INC. 401K SALARY REDUCTION PLAN (the "HR&P Plan"), a defined multiple-employer contribution plan. Slavic Integrated Administration, Inc. ("Slavic" or "TPA") served as the HR&P Plan's recordkeeper and third-party administrator.

On January 1, 2020, the Company formed the Plan and retained Slavic as the recordkeeper of the Plan. On March 5, 2020, the Company transferred its investments from the HR&P Plan to the Plan through Fidelity Brokerage Services LLC ("Fidelity" or "Custodian"). The transfer totaled \$8,415,119 in investment assets and \$182,763 in notes receivable from participants.

Eligibility

Non-excluded employees who have reached the age of 21 years of age are eligible to participate in the Plan. Participants are eligible to enroll in the Plan immediately upon employment.

Contributions

Employees may elect to contribute up to 98% of eligible compensation, as defined, to the Plan, subject to Internal Revenue Service limitations, and may direct their contributions to various investment alternatives. The contribution limit applies to any calendar year and is adjusted annually by the Internal Revenue Service. For 2021, the maximum contribution allowed for any employee was \$19,500. Additionally, participants who have attained age 50 or older during the plan year may make "catch up" contributions of up to \$6,500 for 2021. Participants may also contribute amounts representing distributions from other qualified plans. For the 2021 plan year, the Company made safe harbor matching contributions of 100% of the participant's elective deferrals up to 4% of the participant's compensation each payroll period.

ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN (*Continued*)

Participant Accounts

Each participant's account is credited with the participant's contribution, rollovers, income or loss, less expenses. Income or loss for each of the investment choices is allocated to the participants' accounts on a daily basis and is based on the relative units of participation. Benefits paid to participants under the Plan are limited to the vested balance in each participant's account.

Vesting and Payment of Benefits

All participants are immediately 100% vested in their elective deferrals, safe harbor matching or profit-sharing contributions, rollovers, and Plan earnings and losses.

The normal retirement age under the Plan is 65; however, benefits may be distributed during employment under hardship provisions. Additionally, participants who have attained the age of 59 ½ may receive distributions during employment. Participants must generally receive distributions in a lump sum. Installments are required for employees over 70 ½ to meet the minimum distribution requirements of Internal Revenue Code regulations. Separating participants may elect to rollover their account into another plan, as permitted by Internal Revenue Service regulations.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable bear interest at reasonable interest rates and are secured by the participant's account. Principal and interest are paid ratably through bi-weekly payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2021, no allowance was considered necessary by management.

CARES Act

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which laws change the plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, increased loan limits, expanded distribution options, and delayed the commencement date for required minimum distributions.

ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN (*Continued*)

Reclassification

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the statement of changes in net assets available for benefits.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and expenses during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Benefit Payments

Distributions to participants are recorded when paid.

ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3: TAX STATUS

On March 31, 2014, the IRS stated that the prototype non-standardized profit sharing plan with CODA sponsored by Slavic Integrated Administration, Inc., as then designed, qualified under Internal Revenue Code (IRC) section 401. The Company has not received a determination letter specific to the Plan itself; however, the Company believes that the Plan is designed, and is currently being operated, in compliance the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements. U.S. GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4: ADMINISTRATION

All the Plan's investments are administered by Fidelity. Among other duties, Fidelity receives contributions, invests and reinvests the Plan's assets, collects income and makes distributions from the Plan's assets as directed by the Plan Sponsor.

NOTE 5: FAIR VALUE MEASUREMENTS

FASB ASC 820-10 provides standards and disclosures for assets and liabilities that are measured and reported at fair value. As defined in FASB ASC 820-10, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). FASB ASC 820-10 requires disclosure that establishes a framework for measuring fair value and expands disclosure about fair value measurements. The statement requires fair value measurements be classified and disclosed in one of the following categories:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Measured based upon inputs that are observable, either directly or indirectly, for the asset or liability other than quoted market prices included in Level 1. These inputs include: a) quoted prices for similar asset or liabilities in active markets b) quoted prices for identical or similar assets or liabilities in markets that are not active c) inputs other than quoted market prices that are observable and d) inputs that are derived primarily from or corroborated by observable market data by correlation or other means.

ASSET RISK MANAGEMENT LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5: FAIR VALUE MEASUREMENTS (*Continued*)

Level 3: Measured based on unobservable inputs for the asset or liability for which there is little, if any, market activity for the asset or liability at the measurement date. This input includes management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The inputs are developed based on the best information available in the circumstances, which might include management's own data.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-bearing cash:

Interest-bearing cash is valued based on the short-term cash component as of the measurement date and is classified as a Level 1 investment.

Mutual funds:

Mutual funds are valued at the net asset value (NAV) of shares held by the plan at year end and are classified as Level 1 investments.

As required by FASB ASC 820-10, financial assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels.

The following table summarizes the valuation of the Company's financial instruments by FASB ASC 820-10 pricing levels as of December 31, 2021:

	Quoted prices in active markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Fair value as of December 31, 2021

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in investments that are managed by the TPA. During the year ended December 31, 2021, the Plan paid Slavic \$30,102 in administrator fees that are included in administrative expenses on the statement of changes in net assets available for benefits. The Plan believes the fees charged by Slavic's mutual funds and its administrator fees are no different than those that would be charged by other companies engaged in managing pension assets. Total administrative expenses for the year ended December 31, 2021 were \$40,323.

NOTE 7: RISKS AND UNCERTAINTIES

Plan participants make choices regarding their investments securities, and are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that reduction in value can occur in the near term and that such changes could materially affect participant account balances reported in the statement of net assets available for benefits.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, each participant's account balance becomes 100% vested.

NOTE 9: INCOME TAXES

The Plan did not have unrecognized tax benefits as of December 31, 2021 and does not expect this to change significantly over the next twelve months. The Plan will recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2021, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 10: SUBSEQUENT EVENTS

Management evaluated the period from January 1, 2022 through October 12, 2022, which was the date the financial statements were available to be issued.

No reportable subsequent events were noted.
