## **Independent Auditor's Report**

401(k) Investment Committee and Participants  
Ingersoll Cutting Tool 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of Ingersoll Cutting Tool 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Ingersoll Cutting Tool 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Plan Description

The following description of Ingersoll Cutting Tool 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering substantially all employees of Ingersoll Cutting Tool Company (the Company) who are at least 18 years old and have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Investment Committee is responsible for the oversight of the Plan. The 401(k) Investment Committee has overall responsibility for the operation and administration of the Plan. The 401(k) Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

**Contributions:** Each year, participants can contribute up to 90% of their eligible pre-tax compensation, as defined by the Plan, provided this will not cause the Plan to violate the provisions of the 401(k) discrimination limits. Participants who will attain age 50 before the end of the plan year are eligible to make catch-up contributions. However, the total participant contribution cannot exceed the maximum amount allowable by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches 50% of the participant's contributions not in excess of 15% of the participant's eligible compensation, as defined by the Plan. Contributions are subject to certain limits.

**Participant accounts:** Each participant's account is credited with the participant's contribution and Company matching contributions and an allocation of plan earnings and is charged with an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their voluntary and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of combined service. A participant is 20% vested after 2 years of service, 40% vested after 3 years, and 80% vested after 4 years. A participant is fully vested after five years of credited service. Upon reaching age 65, or in the event of death or disability, as defined by the Plan, participants become fully vested, regardless of years of service.

**Investment options:** Upon enrollment in the Plan, participants may direct the investment of their account balances into various investment options offered by the Plan. Participants have the option to transfer monies between investments and change the allocation of their investment options on a daily basis.

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$500 up to a maximum amount equal to the lesser of 1) \$50,000 or 2) 50% of their vested account balance less the participant's greatest outstanding note balance for the previous 12-month period. Participants may not have more than three notes outstanding at a time. The notes are secured by the balance in the participant's account and must be repaid within five years unless used for the purchase of a primary residence, in which case the term cannot exceed 10 years. The loan repayment period was extended, if applicable, up to one year as allowed under the CARES act. The notes bear interest at a rate equal to the prime lending rate as of the end of the quarter prior to the note issue date. Principal and interest are paid ratably through payroll deductions.

#### Note 1. Plan Description (Continued)

**Payment of benefits:** Upon termination of service for any reason, a participant with \$1,000 or less in vested benefits will receive the value of the vested interest in their account as a lump-sum distribution. Participants with vested balances above \$1,000, but under \$5,000, default to an automatic rollover provision of the Plan, while participants with vested balances over \$5,000 may have a partial lump sum distribution, installments (not impacted by life expectancy), rollover, or any combination of the fore stated options. In addition, in-service withdrawals from a participant's account are permitted, limited to the participant's vested account balance from employee elective deferrals for qualified reservists, or to the extent needed for a financial hardship as defined by the Plan.

**Forfeited accounts:** According to the Plan's provisions, forfeited nonvested accounts may first be used to pay administrative expenses and reinstate prior account balances. Any remaining amount will reduce Company contributions. There were no significant forfeited nonvested accounts at December 31, 2021 and 2020. During 2021, approximately \$23,000 of forfeitures were used to reduce Company contributions.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan document.

**Payment of benefits:** Benefits paid directly to participants are recorded when paid.

**Administrative fees:** Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Certain fees of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

**Subsequent events:** The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through October 12, 2022, the date on which the financial statements were available to be issued.

#### **Note 3. Information Certified or Provided by Vanguard Fiduciary Trust Company, the Plan Trustee**

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Plan trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Plan trustee that the information provided to the Plan Administrator by the Plan trustee, related to the following assets, is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the supplemental schedule related to the following assets:

|                                                          | 2021          | 2020          |
|----------------------------------------------------------|---------------|---------------|
| Shares of registered investment companies, at fair value | \$ 91,746,621 | \$ 84,005,536 |
| Units of collective investment trust, at fair value      | 14,903,530    | 12,891,583    |
| Notes receivable from participants                       | 1,715,730     | 1,788,869     |

The Plan trustee also certified to the completeness and accuracy of \$7,582,031 of net appreciation in fair value of investments, \$5,795,912 of interest and dividends and \$69,393 of interest on notes receivable from participants related to the aforementioned plan assets for the year ended December 31, 2021.

#### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

#### Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Shares of registered investment companies:** Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

**Units of collective investment trust:** The Plan's collective investment trust is composed primarily of fully benefit-responsive investment contracts and is valued based on the NAV per unit of the collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| 2021                                      |                       |               |         |         |
|-------------------------------------------|-----------------------|---------------|---------|---------|
|                                           | Total                 | Level 1       | Level 2 | Level 3 |
| Shares of registered investment companies | \$ 91,746,621         | \$ 91,746,621 | \$ -    | \$ -    |
| Investments at NAV (a)                    | 14,903,530            |               |         |         |
| Investments at fair value                 | <u>\$ 106,650,151</u> |               |         |         |
| 2020                                      |                       |               |         |         |
|                                           | Total                 | Level 1       | Level 2 | Level 3 |
| Shares of registered investment companies | \$ 84,005,536         | \$ 84,005,536 | \$ -    | \$ -    |
| Investments at NAV (a)                    | 12,891,583            |               |         |         |
| Investments at fair value                 | <u>\$ 96,897,119</u>  |               |         |         |

(a) In accordance with Subtopic 820-10, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

##### Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investments and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no transfers in or out of Level 3.

##### Investments Measured Using Net Asset Value Per Share Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

|                                         | Fair Value    |               | Unfunded<br>Commitment | Redemption<br>Frequency | Redemption<br>Notice Period |
|-----------------------------------------|---------------|---------------|------------------------|-------------------------|-----------------------------|

| Units of collective<br>investment trust | \$ 14,903,530 | \$ 12,891,583 | \$ -                   | Immediate               | 12 Months                   |

#### Note 5. Related Party and Party-In-Interest Transactions

Plan investments consist of shares of registered investment companies and a collective investment trust managed by either Vanguard Fiduciary Trust Company (the Plan trustee) or The Vanguard Group, Inc. (the Plan record-keeper) and, therefore, these transactions qualify as party-in-interest transactions. There was \$14,250 paid by the Plan to the Plan trustee or Plan record-keeper for administrative and loan processing fees during 2021.

Certain administrative functions are performed by officers or employees of the Company for which no compensation was received from the Plan.

The Plan's significant administrative expenses such as fees for legal, auditing and other services are paid by the Company and are not included within these financial statements.

#### Note 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and IRC. In the event of plan termination, participants will become fully vested in their accounts and the net assets of the Plan would be allocated to the participants on the basis of their individual account balances.

#### Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

#### Note 8. Income Tax Status

The Plan has adopted a nonstandardized form of a prototype profit sharing plan sponsored by The Vanguard Group. The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since the prototype plan received its opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

#### Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to the Form 5500:

## Independent Auditor's Report

401(k) Investment Committee and Participants  
Ingersoll Cutting Tool 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Ingersoll Cutting Tool 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Ingersoll Cutting Tool 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Plan Description

The following description of Ingersoll Cutting Tool 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering substantially all employees of Ingersoll Cutting Tool Company (the Company) who are at least 18 years old and have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Investment Committee is responsible for the oversight of the Plan. The 401(k) Investment Committee has overall responsibility for the operation and administration of the Plan. The 401(k) Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

**Contributions:** Each year, participants can contribute up to 90% of their eligible pre-tax compensation, as defined by the Plan, provided this will not cause the Plan to violate the provisions of the 401(k) discrimination limits. Participants who will attain age 50 before the end of the plan year are eligible to make catch-up contributions. However, the total participant contribution cannot exceed the maximum amount allowable by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches 50% of the participant's contributions not in excess of 15% of the participant's eligible compensation, as defined by the Plan. Contributions are subject to certain limits.

**Participant accounts:** Each participant's account is credited with the participant's contribution and Company matching contributions and an allocation of plan earnings and is charged with an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their voluntary and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of combined service. A participant is 20% vested after 2 years of service, 40% vested after 3 years, and 80% vested after 4 years. A participant is fully vested after five years of credited service. Upon reaching age 65, or in the event of death or disability, as defined by the Plan, participants become fully vested, regardless of years of service.

**Investment options:** Upon enrollment in the Plan, participants may direct the investment of their account balances into various investment options offered by the Plan. Participants have the option to transfer monies between investments and change the allocation of their investment options on a daily basis.

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$500 up to a maximum amount equal to the lesser of 1) \$50,000 or 2) 50% of their vested account balance less the participant's greatest outstanding note balance for the previous 12-month period. Participants may not have more than three notes outstanding at a time. The notes are secured by the balance in the participant's account and must be repaid within five years unless used for the purchase of a primary residence, in which case the term cannot exceed 10 years. The loan repayment period was extended, if applicable, up to one year as allowed under the CARES act. The notes bear interest at a rate equal to the prime lending rate as of the end of the quarter prior to the note issue date. Principal and interest are paid ratably through payroll deductions.

## Ingersoll Cutting Tool 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Plan Description (Continued)

**Payment of benefits:** Upon termination of service for any reason, a participant with \$1,000 or less in vested benefits will receive the value of the vested interest in their account as a lump-sum distribution. Participants with vested balances above \$1,000, but under \$5,000, default to an automatic rollover provision of the Plan, while participants with vested balances over \$5,000 may have a partial lump sum distribution, installments (not impacted by life expectancy), rollover, or any combination of the fore stated options. In addition, in-service withdrawals from a participant's account are permitted, limited to the participant's vested account balance from employee elective deferrals for qualified reservists, or to the extent needed for a financial hardship as defined by the Plan.

**Forfeited accounts:** According to the Plan's provisions, forfeited nonvested accounts may first be used to pay administrative expenses and reinstate prior account balances. Any remaining amount will reduce Company contributions. There were no significant forfeited nonvested accounts at December 31, 2021 and 2020. During 2021, approximately \$23,000 of forfeitures were used to reduce Company contributions.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan document.

**Payment of benefits:** Benefits paid directly to participants are recorded when paid.

**Administrative fees:** Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Certain fees of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

**Subsequent events:** The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through October 12, 2022, the date on which the financial statements were available to be issued.

#### **Note 3. Information Certified or Provided by Vanguard Fiduciary Trust Company, the Plan Trustee**

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Plan trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Plan trustee that the information provided to the Plan Administrator by the Plan trustee, related to the following assets, is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the supplemental schedule related to the following assets:

|                                                          | 2021          | 2020          |
|----------------------------------------------------------|---------------|---------------|
| Shares of registered investment companies, at fair value | \$ 91,746,621 | \$ 84,005,536 |
| Units of collective investment trust, at fair value      | 14,903,530    | 12,891,583    |
| Notes receivable from participants                       | 1,715,730     | 1,788,869     |

The Plan trustee also certified to the completeness and accuracy of \$7,582,031 of net appreciation in fair value of investments, \$5,795,912 of interest and dividends and \$69,393 of interest on notes receivable from participants related to the aforementioned plan assets for the year ended December 31, 2021.

#### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

#### Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Shares of registered investment companies:** Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

**Units of collective investment trust:** The Plan's collective investment trust is composed primarily of fully benefit-responsive investment contracts and is valued based on the NAV per unit of the collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| 2021                                      |                       |               |         |         |

| Shares of registered investment companies | \$ 84,005,536         | \$ 84,005,536 | \$ -    | \$ -    |
| Investments at NAV (a)                    | 12,891,583            |               |         |         |
| Investments at fair value                 | <u>\$ 96,897,119</u>  |               |         |         |

(a) In accordance with Subtopic 820-10, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

#### Note 4. Fair Value Measurements (Continued)

##### Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investments and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no transfers in or out of Level 3.

##### Investments Measured Using Net Asset Value Per Share Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

|                                         | Fair Value    |               | Unfunded<br>Commitment | Redemption<br>Frequency | Redemption<br>Notice Period |

| Units of collective<br>investment trust | \$ 14,903,530 | \$ 12,891,583 | \$ -                   | Immediate               | 12 Months                   |

#### Note 5. Related Party and Party-In-Interest Transactions

Plan investments consist of shares of registered investment companies and a collective investment trust managed by either Vanguard Fiduciary Trust Company (the Plan trustee) or The Vanguard Group, Inc. (the Plan record-keeper) and, therefore, these transactions qualify as party-in-interest transactions. There was \$14,250 paid by the Plan to the Plan trustee or Plan record-keeper for administrative and loan processing fees during 2021.

Certain administrative functions are performed by officers or employees of the Company for which no compensation was received from the Plan.

The Plan's significant administrative expenses such as fees for legal, auditing and other services are paid by the Company and are not included within these financial statements.

#### Note 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and IRC. In the event of plan termination, participants will become fully vested in their accounts and the net assets of the Plan would be allocated to the participants on the basis of their individual account balances.

#### Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

#### Note 8. Income Tax Status

The Plan has adopted a nonstandardized form of a prototype profit sharing plan sponsored by The Vanguard Group. The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since the prototype plan received its opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
