INDEPENDENT AUDITOR'S REPORT

Board of Directors
Wichita Kenworth, Inc.
Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Wichita Kenworth, Inc. Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date that these audited financial statements were available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Wichita Kenworth, Inc. Profit Sharing 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions. The Plan Sponsor's Board of Directors is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's Board of Directors.

On December 10, 2021, the Prototype Non-Standardized Profit-Sharing Plan agreement was restated, effective January 1, 2022 as a Non-Standardized Pre-Approved Profit Sharing Plan. As a result, a new determination letter was obtained and dated June 30, 2020. With the restatement, eligibility was amended to be age 18 and 3 months of service, all other relevant Plan provisions remain unchanged.

Eligibility - The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), covering all employees, other than union employees classified as a member of a collective bargaining unit or non-resident aliens, of Wichita Kenworth, Inc. (Company). Employees become participants in the Plan when they have attained the age of 21 and have completed 1 year of service. Employees are treated as participants on the first day of the month coinciding with or next following the date on which the eligibility requirements are met.

Contributions - The Plan provides that active participants may make voluntary contributions on a pre-tax, after-tax, or a combination thereof to the Plan, up to the maximum allowed by the Internal Revenue Code (IRC) (\$19,500 for 2021) as adjusted for applicable percentages of compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company has the option to make a discretionary matching and/or profit-sharing contribution to Plan participants. The Company's discretionary matching contribution during 2020 is 50% of the participants eligible contribution not exceeding 6% of total compensation. Participants may direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution, employer contributions, Plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and/or profit-sharing contribution portion of participants' accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Early and Normal Retirement - Normal retirement age is age 65. Early retirement age is age 55 and six years of service.

WICHITA KENWORTH, INC.
PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits - On termination of service due to death, disability, retirement, or for other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distributions to participants whose vested accounts do not exceed \$5,000 may be made as soon as administratively feasible upon termination of services. If a participant's vested balance exceeds \$1,000, the employee must consent to any distribution before it is made.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a commercially reasonable interest rate as defined in the policy. Principal and interest of prime +2% are paid ratably through payroll deductions. Notes receivable may not exceed five years unless the note is for the purpose of purchasing a personal residence which may not exceed 15 years. Participants may only have one loan outstanding at any time.

Forfeitures - Forfeiture amounts can be used to pay Plan expenses or to reduce the Company's contribution to the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$7,885 and \$9,241, respectively. During 2021, \$4,537 of forfeitures were used to pay Plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are valued at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. The purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance has been recorded as of December 31, 2021 and 2020 for these notes receivable. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Benefit Payments - Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses - Certain expenses of the Plan may be paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Some investment related expenses may be included in net change in value of investments.

Subsequent Events - These financial statements considered subsequent events through October 10, 2022, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY NATIONWIDE TRUST COMPANY, FSB AND THE NATIONWIDE LIFE INSURANCE COMPANY (UNAUDITED)

The following is a summary of the information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Nationwide Trust Company, FSB and The Nationwide Life Insurance Company, (collectively, Nationwide) and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Nationwide that information provided to the Plan Administrator by Nationwide related to the following is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information below, the fair values in Note 4, the values in Note 5, and the values in the supplemental schedule related to the following assets:

	<u>2021</u>	<u>2020</u>
Investments at fair value	\$ 5,647,895	\$ 4,751,497
Investments at contract value	901,631	866,349
Notes receivable from participants	108,441	113,009

Nationwide also certified to the completeness and accuracy of \$715,603 of net change in value of investments and interest income of \$4,177 related to the aforementioned assets for the year ended December 31, 2021.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

**WICHITA KENWORTH, INC.
PROFIT SHARING 401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Trust Mutual Funds

This investment is valued at the Net Asset Value (NAV). The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. All capital gains and dividends paid from these investments are reinvested into the fund's unit value.

The fair value at December 31, 2021 and 2020, of the Plan's financial instruments that are valued on a recurring basis in accordance with the above fair value hierarchy, as provided by Nationwide, are as follows:

	<u>Fair Value as of December 31, 2021</u>	
	<u>Not Classified</u>	<u>Fair Value (Unaudited)</u>
Investments measured at net asset value ^(a) :		
Trust Mutual Funds	<u>\$ 5,647,895</u>	<u>\$ 5,647,895</u>

	<u>Not Classified</u>	<u>Fair Value (Unaudited)</u>

**WICHITA KENWORTH, INC.
PROFIT SHARING 401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

(a) Certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy, as allowed by U.S. accounting policies. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively.

Investment	December 31, 2021			
	(Unaudited) Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Trust Mutual Funds	<u>\$ 5,647,895</u>	<u>\$ --</u>	Daily	None
Investment	December 31, 2020			
	(Unaudited) Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Trust Mutual Funds	<u>\$ 4,751,497</u>	<u>\$ --</u>	Daily	None

5. INVESTMENT CONTRACT

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Nationwide totaling \$901,631 and \$866,349 (unaudited) at December 31, 2021 and 2020, respectively. Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0.5%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**WICHITA KENWORTH, INC.
PROFIT SHARING 401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS

5. INVESTMENT CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by Nationwide (party-in-interest); therefore, these transactions qualify as party-in-interest transactions. Total fees incurred and paid directly by the Plan for the investment management services were \$27,733 for the year ended December 31, 2021. The various funds' operating expenses ratios ranged from 0.03 to 1.04 percent, as of December 31, 2021.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2021 and 2020:

	2021	2020

Less: Adjustment to investment at contract value at December 31, 2020	<u>(2,127)</u>
Change in net assets available for benefits per Form 5500	<u>\$ 926,484</u>

8. PLAN TERMINATION

Although it has not expressed an intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination, and Nationwide shall liquidate all assets of the trust and continue to administer the trust in accordance with its provisions until all obligations have been satisfied.

9. TAX STATUS

The Plan adopted a Prototype Non-standardized Profit Sharing Plan (Prototype Plan) designed to qualify under Section 401 of the IRC. The Plan has obtained a copy of a favorable determination letter for the Prototype Plan dated March 31, 2014, that the Prototype Plan is designed in accordance with applicable sections of the IRC. The Plan has relied upon this determination letter. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
