Board of Directors

Section 403(b) Retirement Plan for Goodwill Industries - Suncoast, Inc.

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We were engaged to perform an audit of the financial statements of Section 403(b) Retirement Plan for Goodwill Industries - Suncoast, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Disclaimer of Opinion on the 2021 Financial Statements**

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

**Basis for Disclaimer of Opinion on the 2021 Financial Statements**

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

### **Other Matters**

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 and schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on these supplemental schedules.

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. U.S. GAAP require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 8, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

## Section 403(b) Retirement Plan for Goodwill Industries - Suncoast, Inc.

### Notes to Financial Statements

---

#### Note 1. Description of the Plan

The following description of Section 403(b) Retirement Plan for Goodwill Industries - Suncoast, Inc. (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering substantially all employees of Goodwill Industries - Suncoast, Inc. (the Sponsor). Employees are eligible to participate in the Plan immediately upon hire date. Participants are eligible to receive sponsor matching contributions provided they have completed one year of service, with a minimum of 1,000 hours of service worked in that year and are at least 18 years of age. The Board of Directors is responsible for the oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Plan amendment:** Effective January 1, 2022, the Plan was amended to change vesting from using the actual hourly method to using the elapsed time method for crediting hours of service. Additionally, the Plan changed the subsequent eligibility computation periods from the anniversary year to the plan year.

**Custodian and recordkeeper:** The Plan is administered by Metropolitan Life Insurance Company (MetLife), which serves as agent to Reliance Trust Company, the custodian. FASCore, LLC, a third-party administrator, provides recordkeeping and administrative services on behalf of MetLife.

**Contributions:** Each year, participants may contribute any whole percentage of their compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Contributions are subject to certain IRS limitations.

Effective July 1, 2021, the Sponsor reinstated the discretionary matching contribution equal to 100% of the first 4% of participants' elective and catch up deferrals.

Prior to May 10, 2020, the sponsor funded a matching contribution equal to 100% of the first 3% of participants' elective and catch up deferrals, and 50% of the next 2% of participants' elective and catch up deferrals contributed to the Plan. Concurrent with the effective date of the amendment to the Plan to make the match discretionary, the Board voted to temporarily suspend the match.

**Investment options:** Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

**Participant accounts:** Each participant's account is credited with the participant's contributions and the Sponsor's matching contribution, as well as allocations of any plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Note 1. Description of the Plan (Continued)

**Vesting:** Participants are vested immediately in their salary deferral contributions, rollovers, and actual earnings thereon. Participants are vested in matching Sponsor contributions plus actual earnings thereon based on years of service. A participant is fully vested after five years of service or upon retirement, death, or total and permanent disability.

**Payment of benefits:** The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed.

**Forfeitures:** Forfeitures of terminated participants' non-vested accounts are used to reduce the Sponsor's matching contribution or to pay plan expenses in either the plan year they are removed from Participant's accounts or in the following plan year. Forfeited non-vested accounts totaled \$1,679 and \$15,707 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, there were \$34,135 of forfeitures used to reduce Sponsor matching contributions. There were no forfeitures used to pay plan expenses.

**Participant's loan collateral account:** Participants generally may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 40% of their vested account balances. When a participant takes a loan on their account, 125% of the original loan amount is transferred into the participants' loan collateral account, which is a fixed-interest account. A loan is not funded through a withdrawal of the participant's account or plan assets; rather, it is funded by MetLife, which maintains a first lien on the participant's loan collateral account. Loan terms range up to five years or up to 15 years for the purchase of a participant's primary residence and require monthly principal and interest payments to be made by the participant to MetLife. Amounts in the participant's loan collateral account are not reallocated to other investments after repayment of the loan, unless the Plan has been directed to do so by the participant.

At December 31, 2021 and 2020, the participants' loan collateral account balance was \$143,024 and \$167,215, respectively, and is included in investments at fair value on the statements of net assets available for benefits. Participant loans between participants and MetLife are not included in the Plan's financial statements and totaled \$96,207 and \$117,885 at December 31, 2021 and 2020, respectively.

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the highest outstanding balance of loans in the past 12 months or 50% of the present value of the vested account balance. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loan. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. These rates range from 4.25% to 6.50% on loans outstanding at December 31, 2021, and mature through 2036. Principal and interest are paid ratably through automatic clearing house deductions.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The Plan's financial statements are prepared under the accrual method of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant loan to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

**Excess contributions payable:** Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan that are not paid through forfeiture are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**Subsequent events:** The Plan has evaluated subsequent events (events occurring after December 31, 2021) through September 27, 2022, the date the financial statements were available to be issued.

#### Note 3. Information Certified or Provided by Metropolitan Life Insurance Company

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA required supplemental schedules, obtained by management and agreed to or derived from information certified by MetLife, the custodian of the Plan. The Plan Administrator has obtained certifications from the agent on behalf of the custodian that information provided to the Plan Administrator by the agent on behalf of the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

|                                    | December 31   |              |

| As of December 31:                 |               |              |

| Registered investment companies    | \$ 11,016,792 | \$ 9,781,538 |
| Guaranteed investment contracts    | \$ 143,024    | \$ 3,879,507 |
| Investments at contract value:     |               |              |
| Guaranteed investment contracts    | \$ 2,738,810  | \$ 2,760,294 |
| Notes receivable from participants | \$ 61,256     | \$ 38,291    |

MetLife also certified to the completeness and accuracy of \$690,421 of net appreciation in fair value of investments and \$1,031,568 of interest and dividends related to the aforementioned plan assets for the year ended December 31, 2021.

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## Section 403(b) Retirement Plan for Goodwill Industries - Suncoast, Inc.

### Notes to Financial Statements

---

#### Note 4. Fair Value Measurements (Continued)

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Registered investment companies (mutual funds):** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Guaranteed investment contracts:** Guaranteed investment contracts which are determined to be non-fully benefit responsive are valued at fair value by the insurance company by discounting cash flows based on current yields or similar instruments with comparable durations considering the credit-worthiness of the issuer (see Note 5). In determining the reasonableness of the methodology, the Retirement Committee evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing available market data (for example, swap curve rate).

|                                 | <u>\$ 9,781,538</u>                          | <u>\$ 167,215</u> | <u>\$ 3,712,292</u> | <u>\$ 13,661,045</u> |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The following table presents changes in assets classified in Level 3 of the fair value hierarchy during the year ended December 31, 2021 attributed to the following:

|                          | Level 3<br>Investments |
|--------------------------|------------------------|
| Transfers into Level 3   | \$ 27,210              |

| Issues                   | (329,859)              |

## **Section 403(b) Retirement Plan for Goodwill Industries - Suncoast, Inc.**

### **Notes to Financial Statements**

---

#### **Note 5. Guaranteed Investment Contracts with Insurance Company**

The Plan has a guaranteed investment contract that is not fully benefit-responsive with MetLife. MetLife maintains the contributions in general accounts. The accounts are credited with contributions, earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rates are based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting. The actual crediting rate for 2021 and 2020 was 3% with MetLife general accounts. The contract cannot be terminated before the scheduled maturity dates.

Because the guaranteed investment contract is not fully benefit-responsive, fair value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment. While the accounts promise to pay contract value for a benefit event, there is a possible market value adjustment for transfers to other investment options for the accounts. The deposits to this fund were frozen by Goodwill in December 2018. This fund has now been frozen for three years. Certificate withdrawal charges on accounts held at December 31, 2021 range from 4% to 0% and will decrease to 0% by December 31, 2025.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for testing.

#### **Note 6. Fully Benefit-Responsive Investment Contract**

The Plan has a traditional, fully benefit-responsive guaranteed investment contract with Standard Insurance Company (Standard) that is reported at contract value. Standard maintains the contributions in a general account. The account is credited with contributions, earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on an annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Employer or other Employer events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations

### **Notes to Financial Statements**

---

#### **Note 6. Fully Benefit-Responsive Investment Contract (Continued)**

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer

#### **Note 7. Risks and Uncertainties**

The Plan invests in registered investment companies (mutual funds) and guaranteed investment contracts. Such investments are exposed to various risks such as market, interest rate and credit. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonable possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the financial statements.

Approximately 20% and 23% of the Plan's assets were held in the MetLife Growth Plus Account at December 31, 2021 and 2020, respectively. As such, this is considered to be a concentration of credit risk.

#### **Note 8. Related-Party and Party-in-Interest Transactions**

MetLife is the custodian of the Plan; therefore, transactions with the custodian qualify as party-in-interest transactions. Fees paid by the Plan to the custodian totaled \$48,334 for the year ended December 31, 2021. The Sponsor also paid certain administrative expenses of the Plan.

#### **Note 9. Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their Sponsor contributions.

### Notes to Financial Statements

#### Note 10. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). MetLife has received an advisory letter from the IRS as to the volume submitter plan's document dated March 31, 2017. The volume submitter advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter document provider received the advisory letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and that the Plan has maintained its tax-exempt status.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

The Plan Sponsor reimbursed the Plan in April of 2021 for lost earnings in the amount of \$33 related to the 2020 late remittance and \$178 related to the 2021 late remittance.
