INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Stonemark Management, LLC
401(k) Retirement Savings Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Stonemark Management, LLC 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Stonemark Management, LLC 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America;

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Stonemark Management, LLC 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stonemark Management, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stonemark Management, LLC 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stonemark Management, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide

a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STONEMARK MANAGEMENT, LLC
401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following brief description of Stonemark Management, LLC 401(k) Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants or other interested parties should refer to the Plan Agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of National Apartment Services, LLC, HSG Designs, LLC and Stonemark Management, LLC (the "Companies") who had a minimum of three months of eligible service during the calendar year. On March 29, 2022, both National Apartment Services, LLC and HSG Designs, LLC signed agreements to cease participation in the Plan effective December 31, 2020 and December 31, 2018, respectively. Therefore, Stonemark Management, LLC (the "Company") is the only participating employer at January 1, 2021. The Plan was effective January 1, 1991 and is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan has been amended over the years to comply with tax regulations. The Plan administrator is responsible for oversight of the Plan, monitoring investment performance and determining the appropriateness of the Plan investment offerings.

The Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law on March 27, 2020. The following provisions were implemented by the Plan in response to the CARES Act:

- Participants were allowed to request penalty free distributions up to \$100,000 from their 401(k) account for reasons related to COVID-19, and
- Participants were allowed to take advantage of increased loan limits and participants with existing loans were able to suspend payments for the remainder of 2020.

B. Contributions

Each year, participants may contribute up to the applicable limit pursuant to Code Section 401(k) of their pre-tax compensation, as defined in the Plan, subject to certain limitations for highly compensated individuals. Unless participants elect to not defer or to defer another percentage or amount, participants meeting the eligibility requirements, as described above, are automatically enrolled in the Plan at 8%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The

Company may make discretionary matching and profit-sharing contribution for the year to participants that are active on the last day of the year. For the years ended December 31, 2021 and 2020, the Company made a discretionary matching contribution of 12.5% of the eligible participants' contribution. The employer's match for the year ended December 31, 2021 and 2020 is included in plan sponsor receivable for each year and totaled \$52,366 and \$45,998, respectively.

C. Participant Accounts

Participants' accounts are maintained by the Plan trustee and are credited with the participant's contribution and allocations of Plan sponsor contributions, Plan earnings and certain Plan administrative expenses. Allocations are based on participant contributions or account balances, as defined. Participants' accounts are charged administrative fees for loans, termination and/or withdrawals on an individual basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account

D. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is fully vested after five years of at least 1,000 hours of credited service. Participant accounts also become fully vested upon death, disability, attainment of normal retirement age.

E. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 per note and are permitted to have two outstanding notes at any time. As the notes receivable are secured by the balance in the participant's account, each participant may borrow up to a maximum of \$50,000 or 50% of his or her vested account balance. The notes receivable bear interest at rates from 4.25% to 6.50%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through biweekly payroll deductions.

F. Payment of Benefits

Upon reaching the age 59.5 or termination of service, participants may receive the value of the vested interest in his or her account as a lump-sum distribution payable to the participant. If termination is due to death, disability or retirement, a participant or representative may receive a lump-sum distribution. Participants who have terminated service can elect to rollover the account to another qualified account and be charged administrative costs directly.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

G. Forfeited Accounts

Amounts forfeited by participants who are terminated from the plan prior to being fully vested are used to reduce employer contributions. Administrative fees were reduced by \$25,554 from forfeitures from non-vested accounts for the year ended December 31, 2021. The balance of the forfeiture account was \$0 for the years ended December 31, 2021 and 2020.

2. SUMMARY OF ACCOUNTING PRINCIPLES

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net investment appreciation in fair value of investments includes the Plan's gains on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses was recorded at December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

STONEMARK MANAGEMENT, LLC
401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

E. Payment of Benefits

Benefits are recorded when paid.

F. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, benefits paid to participants, and certain investment related expenses are charged directly to the participant account and are included in administrative expenses. Investment related expenses are included in net investment appreciation in fair value of registered investment companies.

G. Subsequent Events

Subsequent events have been evaluated by management through October 7, 2022, the date these financial statements were available to be issued.

3. INVESTMENTS

U.S. generally accepted accounting principles establish a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Level 1 within the hierarchy states that valuations are based on unadjusted quoted market prices for identical assets or liabilities in active markets. Level 2 within the hierarchy states that valuations are based on quoted prices for similar assets in active markets, quoted prices for identical assets in inactive markets or other observable inputs other than quoted market prices. Level 3 within the hierarchy states that valuations are based on significant unobservable inputs. As of December 31, 2021 and 2020, the only assets or liabilities that are measured at fair value on a recurring basis in periods subsequent to initial recognition are investments. The following is a description of the valuation methodologies used for investments measured at fair value:

- *Registered investment companies:* Valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Collective investment trusts:* Valued at the NAV of units of a life insurance company collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The

STONEMARK MANAGEMENT, LLC
401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

- *Unallocated contract:* As this investment is contract-based, observable prices for identical or similar investments do not exist and, accordingly, these investments are valued using unobservable inputs. The contract is a fixed, deferred group annuity available to qualified retirement plans. It provides guaranteed protection of principal with a set rate of return. The contract is guaranteed by CMFG Life Insurance Company. The contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals. A market value adjustment, as defined, adjusts the contract value to fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Description	Level 1	Level 3	Total

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

5. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

During the year ended December 31, 2021, the Plan paid administrative recordkeeping expenses to CMFG Life Insurance Company. Certain Plan investments are provided by CMFG Life Insurance Company; therefore, these transactions qualify as party-in-interest transactions. Fees paid to CMFG Life Insurance Company amounted to \$44,384 for the year ended December 31, 2021. Notes receivable from participants also constitute exempt party-in-interest transactions.

6. TAX STATUS

The Plan adopted a pre-approved qualified retirement plan designed by CMFG Life Insurance Company with the most recent opinion from the Internal Revenue Service dated June 30, 2020. The Internal Revenue Service requires that plan documents be restated every six years to incorporate changes in laws and regulation that have taken place since the last restatement. The Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

7. PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments, which are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
