Report of Independent Auditors

The Administrative Committee of
The Oil City Iron Works 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Oil City Iron Works 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Oil City Iron Works 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Oil City Iron Works 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Oil City Iron Works 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Oil City Iron Works 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Oil City Iron Works 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule, including the Schedule H, Line 4i— Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report of Independent Auditors

The Administrative Committee of
The Oil City Iron Works 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of The Oil City Iron Works 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, and Empower Retirement, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee and custodian hold the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee and custodian as of December 31, 2020, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

1. Description of Plan

The following description of the Oil City Iron Works 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Oil City Iron Works, Inc. (“the Company”) for the benefit of the employees. The Plan was established December 1, 1994. The Plan is subject to the provisions of the Employee Retirement Income Security Act (“ERISA”) of 1974.

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 was signed into law. Applicable provisions of the SECURE Act, effective January 1, 2020, include changing the required minimum distribution age to 72 for participants who have not reached age 70 ½ as of December 31, 2019, and for participant deaths after December 31, 2019, requiring most nonspouse beneficiaries to take full distribution of the participant’s account within 10 years of the participant’s death. Applicable provisions of the SECURE Act, effective January 1, 2021, include eligibility for long-term part-time employees.

Effective January 1, 2020, the Company amended the Plan to change the eligibility requirements from 21 years of age and 1,000 hours of service to 18 years of age and 60 days of service. Additionally, employees may now join the Plan on the first day of each calendar month, subsequent to meeting the eligibility requirements of the Plan.

Additionally, effective January 1, 2020, the Company amended the Plan to add an automatic deferral provision. All employees hired on or after January 1, 2020, are automatically enrolled in the Plan, upon meeting the eligibility requirements, starting at a pretax deferral rate of 3% and increasing by 1% annually to a maximum of 15%, unless an affirmative election to the contrary is made.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was passed by Congress. The CARES Act, among other things, includes several relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved (a) adding COVID-19-related distributions of up to \$100,000 for eligible participants, (b) increasing the limit on Plan loans for eligible participants to the maximum amount permitted under the CARES Act, (c) suspending payments on Plan loans otherwise due in 2020 for eligible participants, and (d) suspending required minimum distributions for 2020. The CARES Act allowed these changes to be effective and operationalized immediately, prior to amending the plan document.

Effective December 31, 2020, Empower Retirement acquired Mass Mutual Life Insurance Company.

Eligibility

Employees of the Company who are at least 18 years of age and have completed 60 days of service are eligible to participate in the Plan on the first day of the month following meeting the eligibility requirements.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

1. Description of Plan (continued)**Contributions**

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan, not to exceed limits as set by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified retirement plans. Newly eligible participants of the Plan are automatically enrolled at a pretax deferral rate of 3%. Participants enrolled at the automatic deferral percentage experience a 1% automatic increase at the beginning of each Plan year, up to a maximum of 15%.

At the discretion of the Board of Directors, the Company may elect to contribute a discretionary matching contribution equal to either a uniform percentage of participants deferrals or a flat dollar amount for each participant. During 2021, the Company authorized no discretionary matching contributions.

At the discretion of the Board of Directors, the Company may elect to contribute a discretionary employer contribution equal to a uniform percentage of plan compensation. During 2021, the Company authorized no discretionary employer contributions.

Investment Options

Participants may direct the investment of their contributions into various options offered by the Plan. The Plan currently offers various mutual funds, a common collective trust fund, and a guaranteed investment contract.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's contributions. Plan earnings are allocated based on participant account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are valued daily to reflect income earned.

Vesting

Participants are always fully vested in their deferral contributions and any earnings thereon. Participants are fully vested in the Company's previous safe harbor contributions and any earnings thereon. Participants vest in any other employer contributions according to the table below. The Plan allows for amounts forfeited by participants to be used to reduce the Company's matching and employer contributions or to pay expenses associated with the operation and administration of the Plan.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years	100%

NOTES TO FINANCIAL STATEMENTS*As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021*

1. Description of Plan (continued)**Notes Receivable from Participants**

Participants may borrow from their fund accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The interest rates for loans are equal to one percent above the Prime rate. The loans are repaid ratably through payroll deductions over a period of five years or less, unless such loan is for the purchase of a participant's primary residence. During 2020, in conjunction with the enactment of the CARES Act, the Plan allowed for loans up to the lesser of \$100,000 or 100% of a participants' vested account balance.

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump sum payment. A participant may withdraw part of the vested interest in his or her account upon attainment of age 59 ½, subject to the Plan's provisions. For account balances less than \$5,000, a single lump sum payment will be made automatically into an individual retirement account upon termination. The Plan also permits hardship distributions to participants that can demonstrate an immediate and heavy financial need. During 2020, in conjunction with the enactment of the CARES Act, the Plan allowed for eligible participants, as defined in the CARES Act, to request distributions up to \$100,000 from their participant account, without being subject to the 10% early distribution tax under the IRS. Participants may elect to repay same or all of their distribution within three years.

Forfeited Accounts

During the year ended December 31, 2021, participants forfeited \$2,228 in prior employer contributions. During the year ended December 31, 2021, \$844 in forfeited nonvested accounts were used to reduce administrative expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$13,675 and \$11,927, respectively. These amounts will be used to reduce future expenses incurred by the Plan or employer contributions.

2. Significant Accounting Policies**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and common collective trust funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value investments.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

2. Significant Accounting Policies (continued)**Investment Valuation and Income Recognition (continued)**

The Plan's investment in the Fixed Interest Fund, which is an investment option available to plan participants under the Plan's group annuity contract, is measured at contract value, which is the relevant measurement for this type of investment.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent loans and are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loans to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment and administration fees are deducted directly from participant's investment returns. Transaction costs borne by the Plan are charged to the individual participant who initiated the transaction to which the charge relates by reducing the participant's account balance.

Subsequent Events

Subsequent events have been evaluated through the date of the report of independent auditors, which is the date these financial statements were available to be issued. Other than the matter disclosed in Note 11, there were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

3. Information Prepared and Certified by the Trustee and Custodian (unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee, and Empower Retirement, the custodian, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

As of December 31,	2021	2020
Investments:		
Common collective trust fund, at fair value	\$ 422,285	\$ 377,056
Mutual funds, at fair value	3,982,096	3,759,741
Guaranteed investment contract, at contract value	2,071,624	2,715,932
Total investments	6,476,005	6,852,729
Notes receivable from participants	\$ 288,268	\$ 340,053

For the Year Ended December 31,	2021
Net appreciation in fair value of investments	\$ 311,511
Interest and dividend income	207,881
Interest income on notes receivable from participants	15,066

4. Fair Value Measurements

The fair value hierarchy prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"> Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

4. Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common collective trust fund: Valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate the fair value of the common collective trust. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12-month notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,982,096	\$ -	\$ -	\$ 3,982,096
Total assets in fair value hierarchy	3,982,096	-	-	3,982,096
Investments measured at net asset value (a)				422,285
Total investments, at fair value				<u>\$ 4,404,381</u>

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

4. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,759,741	\$ -	\$ -	\$ 3,759,741
Total assets in fair value hierarchy	3,759,741	-	-	3,759,741
Investments measured at net asset value (a)				377,056
Total investments, at fair value				<u>\$ 4,136,797</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available of benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

As of December 31, 2021:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common Collective Trust Fund	\$422,285	N/A	Daily	12 months

As of December 31, 2020:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common Collective Trust Fund	\$377,056	N/A	Daily	12 months

5. Fully Benefit-Responsive Guaranteed Investment Contract

The Plan invests in a guaranteed investment contract, the Fixed Interest Fund, with the custodian that qualifies as a fully benefit-responsive investment contract.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

5. Fully Benefit-Responsive Guaranteed Investment Contract (continued)

The Fixed Interest Fund investment option is provided through a group annuity contract in which the Plan is invested. Under the terms of a group annuity contract, a crediting rate is established for amounts invested in the Fixed Interest Fund and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. The interest rate credited on the contract varies based on a formula determined by the Plan custodian. The Plan considers this investment option to be fully benefit-responsive notwithstanding the liquidation value events under the contract that limit the ability of the Plan to transact at contract value.

Certain events limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the Plan or Plan trust fails to maintain its exempt status under 401(a) of the IRC, (2) there is a termination or partial plan termination of the Plan, or (3) a provision of the contract is breached. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

6. Related-Party and Party in Interest Transactions

The Plan invests in a guaranteed investment contract managed by Massachusetts Mutual Life Insurance Company. Massachusetts Mutual Life Insurance Company is an affiliate of Empower Retirement, the custodian of the Plan, therefore, this transaction qualifies as a party in interest transaction.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan also made direct payments to the trustee, custodian, and third-party administrator totaling \$52,926. These costs incurred by the Plan are included in administrative expense on the statement of changes in net assets available for benefits. The Plan Sponsor pays directly any other fees related to the Plan's operations.

7. Termination of the Plan

While it has not expressed any intent to do so, the Company has the right under the terms of the Plan to terminate the Plan at any time. In the event of termination, the Plan provides that all amounts credited to the respective accounts of the participants shall be fully vested.

During 2020, the Company experienced declines in operating revenues. As a result, employees were laid off at various times throughout the year. In total, the participants who were terminated amounted to more than 20% of plan participants; accordingly, the plan sponsor determined that a partial plan termination had occurred under IRC 411. As a result, all participants who were affected by the termination became fully vested in their account balances.

NOTES TO FINANCIAL STATEMENTS*As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021*

8. Income Tax Status

The Plan has adopted a volume submitter 401(k) and profit-sharing plan with cash or deferral arrangement sponsored by Great-West Trust Company, LLC, which received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the Plan, as then designed, was acceptable under Section 401(a) of the Code, and therefore, the related trust is exempt from taxation. The Plan itself has not received a determination letter from the IRS. However, Plan management believes the Plan, as adopted and amended, is operating within the guidelines of the Internal Revenue Code. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits taken by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

9. Risks and Uncertainties

The Plan invests in various investment funds, a common collective trust fund, and a guaranteed investment contract. Investments in general are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such change could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. The pandemic and these containment and mitigation measures have led to economic uncertainties which have resulted in significant volatility in the financial markets, impacting some of the investments held by the Plan. The duration of these uncertainties and volatility, and the ultimate financial effects of COVID-19 on the national and global economies and investment markets, cannot be reasonably estimated at this time.

10. Administrative Failures

During the year ended December 31, 2020, the Plan failed to properly administer its automatic enrollment provision after adoption on January 1, 2020. Nearly all newly eligible participants were affected by this error. As a result of the error, participants did not enter the Plan in accordance with Plan provisions and deferral rates, including the automatic deferral rate, were not properly reflected in a timely and accurate manner. The Company has implemented controls to prevent such an error from occurring in the future.

11. Subsequent Events

Effective June 1, 2022, the Plan was amended and restated to bring the Plan into compliance with certain legislative and regulatory changes set forth in IRS notice 2017-37.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.

The Administrative Committee of
The Oil City Iron Works 401(k) Plan
814 S Main Street
Corsicana, TX 75110

We have audited the financial statements of Oil City Iron Works 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2021, and we will issue our report thereon dated September 22, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 3, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Oil City Iron Works 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Plan Management's estimate of the fair value of investments. We evaluated the key factors and assumptions used to develop these estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of the information that we did not audit based on your election under 29 CFR 2520.103-8, as described in Note 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified no such reportable findings.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 22, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of those charged with governance, management and administrators, as appropriate, of the Oil City Iron Works 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Cornwell Jackson, PLLC
