INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Capital Brands 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Capital Brands 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Administrative Committee of
Capital Brands 401(k) Plan
Los Angeles, California

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Capital Brands 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2: this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements under the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Brands 401(k) Plan's, ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Administrative Committee of
Capital Brands 401(k) Plan
Los Angeles, California

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Capital Brands 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Brands 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Administrative Committee of
Capital Brands 401(k) Plan
Los Angeles, California

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Capital Brands 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplementary schedule, and (b) the form and content of the information included in the 2020 financial statements and supplementary schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 1: Description of Plan

The following description of the Capital Brands 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Capital Brands 401(k) Plan (the “Company”). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan initially became effective on February 1, 2005. The Plan Adoption Agreement was amended and restated on July 1, 2020 and May 1, 2021.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (“CARES Act”) was signed into law. Plans are permitted to immediately adopt any of the provisions provided that the Plan document is retroactively amended on or before December 31, 2022. Further discussion of the provisions adopted can be found in **Notes Receivable from Participants and Payment of Benefits**.

Employees will become eligible to participate in the Plan if they have completed 3 months of service and have reached the age of 21. Plan entry dates are on the first day of each month after satisfying eligibility requirements. All eligible employees are automatically enrolled in the Plan at 6% deferral rate unless the employees elect to opt-out or defer a different amount.

Contributions

Each year, participants may contribute between 1% and 80% of pretax annual compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax compensation. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company will make a matching contribution equal to 33% of the first 8% deferred by the participants on a per payroll basis. The Company may make discretionary profit-sharing contributions and discretionary non-elective employer contributions to the Plan. For the year ended December 31, 2021, there were no discretionary profit-sharing contributions and non-elective employer contributions, respectively.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. The Company's matching contributions and earnings thereon will be vested in accordance with the following schedule:

Years of Service	Percentage
Less than 1	0%
1 or more	100%

The Company's discretionary non-elective employer contributions and earnings thereon will be vested in accordance with the following schedule:

Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The vesting percentage for a participant who is an employee on or after the date the participant reaches normal retirement age (as defined by the Plan) will be 100% vested in employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant account. All loans shall bear an interest rate equal to the prime rate plus 2%, which shall remain fixed throughout the duration of the loan. All loans must be repaid within five years unless it is for the purchase of a principal residence, in which case the loan repayment period may not extend beyond 30 years from the date of the loan. Principal and interest is paid ratably through payroll deductions. Each participant may have one loan outstanding at any time. For participant loans that become delinquent, the amount of the unpaid loan principal plus any accrued unpaid interest will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 1: Description of Plan (Continued)

Notes Receivable from Participants (Continued)

In accordance with the CARES Act, the Plan adopted the following temporary provisions for qualified participants:

- For qualified individuals with outstanding loans, loan repayments during the period March 27, 2020 through December 31, 2020, may be deferred. During the period of deferment, the loans will continue to accrue interest. Accrued interest will be added to the remaining principal balance, and the loan will be re-amortized. The term of the loan can be extended up to 1 year from the date the loan was originally due to be repaid.
- Qualified individuals may borrow the lesser of \$100,000 or 100% of their vested account balance from March 27, 2020 to September 22, 2020.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive their vested benefits in the form of either a single lump-sum cash payment, installments, or partial withdrawals. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. However, if the participant's vested account balance is \$5,000 or less, the Company can elect to cash the balance out of the account by establishing a separate IRA outside of the Plan. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship. Active employees who attain age 59 1/2 are permitted to withdraw at any time any part of his or her vested account.

In accordance with the CARES Act, the Plan adopted the following temporary provisions for qualified participants:

- Required minimum distribution (RMD) rules were waived for 2020. Plan participants and beneficiaries could still elect to receive a distribution equal to the required RMD if they prefer.
- Qualified individuals could request a coronavirus-related distribution up to \$100,000 between January 1, 2020 and December 31, 2020. The coronavirus-related distributions were not subject to the early withdrawal penalty or to the mandatory federal withholding of 20%. Participants have the option repay the distribution within three years.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-allocated accounts totaled \$4,910 and \$4,920, respectively. Forfeitures are retained in the Plan and may be used to reduce future employer contributions or to pay Plan expenses. For the year ended December 31, 2021, the Plan used \$10 of the forfeitures to help pay plan expenses.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis method of accounting. Under this method, income is generally recognized when received and expenses are generally recognized when paid. Contributions reflect the plan year for which the contribution was made. Investments have been recorded at their fair market values. Accordingly, these statements are not intended to purport financial position or the results of operations in conformity with accounting principles generally accepted in the United States of America.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividend income are recorded on a cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable that are deemed by the Plan administrator to be in default are treated as distributions based on the terms of the Plan document. Interest income on notes receivable from participants is recorded when it is received. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 2: Summary of Accounting Policies (Continued)

Plan Fees and Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Date of Management's Review

Events occurring after December 31, 2021 have been evaluated for possible adjustments to the financial statements or disclosures as of October 12, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Cash and cash equivalents: Short-term money market investments are reported at fair value based on quoted market prices.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

INVESTMENTS	Fair Value Measurements Using Input Type			Total
	Level 1	Level 2	Level 3	
Cash and cash equivalents	\$ 10,623	\$ -	\$ -	\$ 10,623
Mutual funds	8,842,373	-	-	8,842,373
Investments at fair value	<u>\$ 8,852,996</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,852,996</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

INVESTMENTS	Fair Value Measurements Using Input Type			Total
	Level 1	Level 2	Level 3	
Cash and cash equivalents	\$ 12,103	\$ -	\$ -	\$ 12,103
Mutual funds	6,932,316	-	-	6,932,316
Investments at fair value	<u>\$ 6,944,419</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,944,419</u>

In regard to the classification of investment options offered by the Plan, there were no reclassifications in or out of Levels 1, 2 or 3 during the years ended December 31, 2021 and 2020.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 4: Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020, respectively.
- Net investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5: Party-In-Interest Transactions

The Plan allows for transactions with certain parties who may perform investment or recordkeeping services for the Plan. The Plan also issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the sponsoring Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any employer contributions.

Note 7: Tax Status

The IRS has determined and informed the Company by a letter dated January 1, 2018, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles under the modified cash basis of accounting require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

CAPITAL BRANDS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS) DECEMBER 31, 2021 AND 2020

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Corrective Distributions

Contributions in excess of IRS limits have been refunded to participants and are shown as corrective distributions on the statements of changes in net assets available for benefits. For the year ended December 31, 2021, corrective distributions totaled \$9,840.
