INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Teamsters Local Union No. 727
Trade Show 401(k) Plan
Park Ridge, Illinois

Opinion

We have audited the accompanying financial statements of Teamsters Local Union No. 727 Trade Show 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Teamsters Local Union No. 727 Trade Show 401(k) Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters Local Union No. 727 Trade Show 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union No. 727 Trade Show 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Local Union No. 727 Trade Show 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union No. 727 Trade Show 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT
ON SUPPLEMENTARY INFORMATION

Board of Trustees
Teamsters Local Union No. 727
Trade Show 401(k) Plan
Park Ridge, Illinois

Our audits were made for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes at end of year, referred to as "supplemental information", is presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

TRADE SHOW 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The Teamsters Local Union No. 727 Trade Show 401(k) Plan (the Plan) was adopted and effective July 1, 2019. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for trade show workers covered by collective bargaining agreements entered into between the contributing employers and Teamsters Local Union No. 727. The Plan is a multiemployer defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The collective bargaining agreement provides that participating employers make monthly contributions to the Plan to provide benefits for participants. The employers' contribution rates are established by the collective bargaining agreements. Presently employer contributions range from \$5.00 to \$6.50 per hour. Management has designated a portion of these contributions to offset administrative expenses and recorded these amounts as administrative income on the statement of net assets available for benefits. Net assets available for benefits include amounts for future administrative expenses totaling approximately \$104,000 and \$154,000 at December 31, 2021 and 2020, respectively.

Effective in 2021, each eligible participant may elect to make an elective deferral contribution under the Plan, in an amount equal to a specified dollar amount up to a maximum of 100% of compensation. However, elective contributions in any tax year may not exceed the Internal Revenue Service dollar limit. Participants direct the investment of their contributions into various investment options offered by the Plan. No elective deferrals have been made to the Plan during 2021 or 2020.

Plan Accounts

The participant's accounts are credited with employer contributions made on their behalf and elective deferrals, are adjusted for investment income (loss) (as defined under the Plan), forfeitures of terminated participants nonvested accounts and expenses incurred by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's plan accounts.

Vesting

A participant is credited with one year of vesting service for each Plan year in which they completed at least 200 hours of work in covered employment. A participant is 100 percent vested after one year of credited vesting service.

Participants are immediately 100% vested in their elective contributions and rollover contributions plus actual earnings thereon.

Forfeitures

If a participant's employment with their employer ceases while any portion of their account is not vested, that portion shall be held in suspense for a period of five years after their employment ceases with any employer and shall then be forfeited. If a participant returns to employment with any employer within five years, the unvested portion of their account will be restored, and their employment before and after their termination will be combined for purposes of determining when their account becomes vested.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan (Continued)

Forfeited Accounts

At December 31, 2021 and 2020, there were no forfeitures held in suspense.

Payment of Benefits

On termination of service due to retirement, in-service withdrawal, death, total and permanent disability, or separation of services under specified conditions, a participant will receive a lump sum amount equal to the value of the participant's individual account, as defined.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Administrative Fees Receivable

Employer contributions and administrative fees due and paid prior to the end of the month following the year-end are recorded as contributions receivable. An allowance for uncollectible receivables is not considered necessary. Employer records are subject to audit and additional revenue, if any, that may arise as a result of these audits is recognized when received.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

Note 2 – Summary of Significant Accounting Policies (Continued)

Property and Depreciation

Property and equipment is stated at cost less accumulated depreciation. Depreciation of property and equipment is computed principally on the straight-line method over their estimated useful lives.

Maintenance and repairs of property and equipment are charged to operations and major improvements are capitalized. When assets are sold, retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in changes in net assets.

Depreciation expense aggregated \$1,700 and \$1,642 for the years ended December 31, 2021 and 2020, respectively.

Date of Management's Review

Subsequent events were evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

Note 3 – Cash Concentration

The Plan maintains cash balances at one bank. Accounts at this institution may from time-to-time exceed federally insured limits.

Note 4 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board *Accounting Standards Codification* 820, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

TEAMSTERS LOCAL UNION NO. 727
TRADE SHOW 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 – Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds – Valued at the closing price reported in the active market where the individual securities are traded, when available. The fair value of short-term investments for which quoted prices are not available in an active market are based on original cost plus accrued interest.

The following table set forth, by levels within the fair value hierarchy, the Plan's investments at December 31, 2021 and 2020:

	Fair Value	Fair Value Measurements at Reporting Date Using: Level 1
<u>December 31, 2021</u>		
Mutual funds	<u>\$3,303,091</u>	<u>\$3,303,091</u>

Note 5 – Related Party Transactions

The Plan has five related organizations, all of which are tax-exempt:

- Teamsters Local Union No. 727
- Teamsters Local Union No. 727 Health and Welfare Fund
- Teamsters Local Union No. 727 Pension Fund
- Teamsters Local Union No. 727 Legal and Educational Assistance Fund
- Parking Industry Labor Management Committee

Certain Trustees of the Plan also serve as trustees of the related funds.

During 2021 and 2020, payroll, employee benefits and certain common administrative expenses were paid for by the related Teamsters Local Union No. 727 Pension Fund. These expenses were allocated to the Plan, Teamsters Local Union No. 727 Health and Welfare Fund, Teamsters Local Union No. 727 Legal and Educational Assistance Fund, and Parking Industry Labor Management Committee using an allocation method approved by the Trustees. The total amount of expenses allocated to the Plan were \$36,153 and \$85,656 for the periods ended December 31, 2021 and 2020, respectively.

Teamsters Local Union No. 727 Health and Welfare Fund pays the monthly lease costs and allocates the lease expense to the Plan, Teamsters Local Union No. 727 Pension Fund, Teamsters Local Union No. 727 Legal and Educational Assistance Fund, Parking Industry Labor Management Committee, and the Soft Drink Industry Local Union No. 710 Pension Fund using an allocation method approved by the Trustees.

Rent expense was \$10,730 and \$13,013 for the periods ended December 31, 2021 and 2020, respectively.

Participating employers may be required to make contributions to each of these related entities. Certain employees may remit their contributions in one check. Consequently, amounts due to/from these related parties may arise from these transactions.

Amounts due to related organizations totaled \$105,553 and \$177,345 at December 31, 2021 and 2020, respectively.

Note 6 – Income Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated June 26, 2019, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Trustees of the Plan are not aware of any course of action or series of events that have occurred that might adversely affect the Plan's tax exempt status.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

Note 7 – Plan Termination

In the event of termination of the Plan or in the event of complete discontinuance of employer contributions, each participant will be 100% vested in their account, as defined by the Plan agreement.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. The trade show industry's operating levels have been substantially decreased to curtail the spread of the coronavirus in the Chicago area. At this time most trade show venues have been shut down to protect employees and attendees from the spread of the virus, consistent with governmental restrictions and guidance. Since most participants are no longer working, employer contributions have reduced significantly. Due to the dynamic nature of these unprecedented circumstances and possible business disruption, the Plan will continue to monitor the situation closely, but given the uncertainty about the situation, an estimate of the future impact, if any, cannot be made at this time.
