INDEPENDENT AUDITORS' REPORT

Administrative Committee

National Pen and Associates Profit Sharing and Savings Plan

San Diego, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of National Pen and Associates Profit Sharing and Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Member of Kreston International — a global network of independent accounting firms

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by Ascensus Trust Company and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements

December 31, 2021

1. Description of Plan

The following description of the National Pen and Associates Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by National Pen Co. LLC (the Company). The Plan was established to enable eligible employees to share in the Company's earnings and permits employees to make pretax contributions to the Plan, thereby providing employees with an opportunity to accumulate funds for retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Principal is the trustee and the record-keeper for the Plan. The Administrative Committee is responsible for the general administration of the Plan. Wells Fargo Institutional Retirement and Trust served as custodian of the Plan through November 30, 2020. Effective December 1, 2020, Principal Trust Company serves as custodian of the Plan. Collectively, Wells Fargo Institutional Retirement and Trust and Principal Trust Company are referred to as ("the Custodians").

The Plan covers all eligible employees of the Company who have completed a three-consecutive-month period of service. Participants are eligible to participate in the Plan on the first day of the month following eligibility.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency stemming from a new strain of coronavirus that was spreading globally (the "COVID-19 outbreak"). On March 11, 2020, the WHO declared the COVID-19 outbreak as a pandemic. Following the WHO's declaration, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020. The CARES Act, among other things, provides for several relief provisions to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000;
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance;
- Extended the period for loan repayments, if applicable, up to one year;
- Required minimum distributions for the calendar year 2020 have been temporarily waived.

1. Description of Plan (continued)

Contributions

Each year, participants may contribute pretax contributions of 2% to 25% of their compensation, as defined in the Plan. The Company has an automatic deferral policy where new employees are automatically enrolled in the Plan at a 5% contribution level. The automatic deferral percentage will increase by 1% as of the first day of each Plan year, on a per-participant basis, but will not exceed 10% of compensation. The participant has the option of electing a lesser percentage or opting out entirely. Participants age 50 and older may make catch-up contributions, subject to certain Internal Revenue Code (the Code) limitations. Such catch-up contributions are not matched.

The Company contributes 100% of the first 2% of a participant's deferrals and 25% on the next 6% of a participant's deferrals. The Company may make discretionary matching contributions to the Plan on a quarterly basis. A participant must be employed on the last day of the Plan quarter in order to receive an allocation of any matching contributions. In 2021, employer matching contributions were \$514,680.

Participant Accounts

All investments are participant-directed. Participants may direct contributions in any of the Plan's available fund options. Participants may change their investment options at any time. The Plan currently offers 28 funds that include 22 mutual funds, four common and collective trusts, one stable value fund and one Participant Directed Brokerage Account.

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of Plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The amount in a participant's account which is attributable to elective deferral contributions, and rollover contributions is 100% vested and non-forfeitable at all times. Employer matching contributions are subject to a one-year vesting period.

The Company may make non-elective contributions to the Plan. These discretionary, non-elective employer contributions vest 20% after one complete year of service, as defined in the Plan document, and an additional 20% for each complete year of service thereafter until fully vested.

Notes to the Financial Statements

1. Description of Plan (continued)

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances of terminated participants' non-vested accounts are used to reduce Company contributions or pay for plan expenses. Forfeitures used to reduce Company contributions were \$435 and \$2,557 for the years ended December 31, 2021 and 2020, respectively. Unallocated forfeitures were \$0 at December 31, 2021 and 2020.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested balances. Loans may not be made for less than \$1,000 and may not exceed the lesser of \$50,000 or 50% of a participant's vested balance. Loan repayment periods may not exceed five years unless the loan is for the purchase or construction of a principal residence. The loans are secured by the balance in the participant's account. The loan interest rate is determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Under the CARES Act, qualified individuals' note limitations were increased to the lesser of \$100,000 or 100% of their vested account balance. The CARES Act also delayed note payments for a COVID-19 qualified individual for any note outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the note for up to one year. The increased note limit was allowed to be taken from March 27, 2020 through September 22, 2020.

Payment of Benefits

Upon termination of service due to disability or retirement, a participant may elect to receive either a lump-sum amount equal to the vested interest in his or her account or installment payments over a period of time. Upon termination of service due to death or any other reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may elect to take in-service withdrawals upon attaining age 59-1/2.

Participants may withdraw any or all of their employee contribution account balances at any time during the Plan year provided certain hardship conditions, as defined in the Plan, have been met.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse or dependent diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to lack of childcare due to COVID-19. The special coronavirus-related distributions waive the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020.

1. Description of Plan (continued)

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Expenses relating to investment management fees, purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Other administrative expenses are paid by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and account balances shall be held for distribution by Principal, subject to outstanding loans and administrative costs.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments, the Plan administrator deems the participant loan to be a distribution, at which time the participant loan balance is reduced and a benefit payment is recorded.

National Pen and Associates Profit Sharing and Savings Plan

Notes to the Financial Statements

December 31, 2021

2. Summary of Significant Accounting Policies (continued)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions for 2020 to the applicable participants prior to March 15, 2021.

New Accounting Pronouncements

In August 2018, the FASB issued ASU 2018-13, "Fair Value Measurement – Disclosure Framework (Topic 820)". The updated guidance improves the disclosure requirements on fair value measurements. The updated guidance is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted for any removed or modified disclosures. The adoption of ASU 2018-09 did not have a material impact on the Plan's financial statements.

Investment Valuation and Income Recognition

Certain investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in common and collective trusts valued at the NAV of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan invests in investment contracts through a common and collective trust (Wells Fargo Stable Return (N) Fund or the N Fund). The N Fund is a common/collective fund which invests all of its assets in the Wells Fargo Stable Return Fund G (the G Fund), a common/collective fund sponsored by Wells Fargo. The value of the N Fund is based on the underlying unit value reported by the G Fund. The G Fund invests in investment contracts, such as traditional guaranteed investment contracts (GICs) and security-backed contracts issued by insurance companies and other financial institutions, and carries its investments at contract value. The contract value of GICs

National Pen and Associates Profit Sharing and Savings Plan

Notes to the Financial Statements

December 31, 2021

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

represents contributions made under the contract less any participant-directed withdrawals plus accrued interest which has not been received from the issuer. Security-backed contracts are carried at contract value in the aggregate, which consists of the fair value of the underlying portfolio, accrued interest on the underlying portfolio assets, the fair value of the contract, as the adjustment to contract value. All GICs and security-backed contracts held by the G Fund are fully benefit-responsive, which means withdrawals from these investment contracts may be made at contract value for qualifying benefit payments, including participant-directed transfers. The average yields on such contracts were 1.30% and 2.20% for 2021 and 2020, respectively. The G Fund does not distribute investment income to unit holders, therefore, the appreciation or depreciation of units held and gain or loss on sale of units represent the sources of income to holders of the G Fund. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the N Fund represents contributions plus earnings, less participant withdrawals and administrative expenses.

3. Investments (Unaudited)

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest income on notes receivables from participants, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Custodians. The contract value of the Wells Fargo Stable Return (N35) Fund was certified as complete and accurate by the Custodians.

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price).

ASC 820 includes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

National Pen and Associates Profit Sharing and Savings Plan

Notes to the Financial Statements

December 31, 2021

4. Fair Value Measurements (continued)

The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - quoted prices for similar assets and liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in markets that are not active
 - observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk)

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

Following is a description of the valuation techniques and inputs used for each major class of investments measured at fair value by the Plan.

Mutual funds are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end.

4. Fair Value Measurements (continued)

The table below sets forth the Plan's investments as of December 31, 2021:

	Investments as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,555,945	\$ -	\$ -	\$ 29,555,945
Total investments in Fair Value Hierarchy	\$ 29,555,945	\$ -	\$ -	\$ 29,555,945
Common and collective trust, Fair Value				7,620,284
Stable Value Fund, at Contract Value(a)				3,055,457
Total investments				\$ 40,231,686

The table below sets forth the Plan's investments as of December 31, 2020:

	Investments as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 26,739,131	\$ -	\$ -	\$ 26,739,131
Total investments in Fair Value Hierarchy	\$ 26,739,131	\$ -	\$ -	\$ 26,739,131
Common and collective trust, at NAV				5,931,904
Stable Value Fund, at Contract Value(a)				3,123,398
Total investments				\$ 35,794,433

- (a) The Stable Value Fund is a common and collective trust designed to deliver safety and stability by preserving principal and accumulating earnings. This fund is invested in a diversified portfolio of investment contracts issued by selected high-quality insurance companies and financial institutions. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund. Refer to Note 2 for valuation of this investment.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

National Pen and Associates Profit Sharing and Savings Plan

Notes to the Financial Statements

December 31, 2021

6. Tax Status

The underlying non-standardized prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401 of the Code and, therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2010-6 and 2005-16, the Plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require Plan Management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party Transactions

The Plan invests in mutual funds managed by the Custodians. The Plan also holds units of common and collective trusts managed by the Custodians. An officer of the Company serves as Plan administrator and is also a participant in the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

8. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per the Form 5500 as of December 31, 2021 and 2020:
