The Administrative Committee and Plan Participants
American Professional Associates, LLC 401(k) Profit Sharing Plan
Alpharetta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the American Professional Associates, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the American Professional Associates, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the American Professional Associates, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the American Professional Associates, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the American Professional Associates, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the American Professional Associates, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the American Professional Associates, LLC 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The American Professional Associates, LLC 401(k) Profit Sharing Plan is a defined contribution plan covering substantially all employees of American Professional Associates, LLC (the Company) except those who are union, non-resident aliens, or leased as defined by the Plan. The Plan provides eligible employees a means of regular and systematic savings with several investment options. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility
Employees are eligible to participate in the Plan upon completing three consecutive months of service. Employees may elect to participate in the Plan on the first day of the month following the date that the eligibility requirements were met.

Contributions
Each year, participants may contribute up to the maximum amount of the participant's qualified compensation, as defined by the Plan, subject to an annual dollar limit which is set by law. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers Common Collective Trusts and Mutual Funds as investment options for participants.

Each year, the Company may make a discretionary qualified non-elective contribution ("QNEC") equal to a uniform percentage of the employee's compensation, which the Company will determine. The Company may also make an annual discretionary profit sharing contribution. In order to receive either of these additional contributions, the participant must meet the specified requirements stated in the Plan agreement. Contributions are subject to certain conditions.

Participant Accounts
Each participant's account is credited with the participant's voluntary contribution, any employer discretionary contributions and allocation of Plan earnings (losses) reduced by administrative expenses which are allocated proportionately among all participants based on their investment in each fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting
Participants are immediately vested in deferral contributions and employer matching contributions, plus actual earnings thereon. A participant is 100% vested in the Company's profit sharing contributions after six years of credited service. A participant is 100% vested upon normal retirement, employment termination due to death or termination as a result of becoming disabled.

Notes Receivable from Participants
Participants may borrow from their accounts a minimum of $1,000 up to the limits taking into account a participant's entire interest in the Plan. Participants are permitted to have one loan outstanding. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%, which is fixed on the date of the loan.

Payment of Benefits
Benefits equal to the value of the funds allocated to a participant's vested balance in the account will be paid upon the participant's death, disability, retirement, termination of the Plan, or termination of employment in either a lump sum amount or in annual installments. The non-vested portion will be forfeited, unless the employee returns to service with the employer before incurring five consecutive breaks in service, in which case the account balance will be restored unadjusted for any gains or losses. In-service distributions may be made to a participant who has not separated from the Company, is 100% vested and has reached the normal retirement age.

Forfeitures
The Plan's sponsor has elected to apply forfeitures to any employer discretionary contribution and to allocate forfeited amounts in the same manner. During 2021, $1,443 was forfeited from participant accounts. At December 31, 2021 and 2020, the balance of forfeited, non-vested funds available for future use was $3,687 and $21,826, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan maintains its books and financial records using the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America. Under this method, contributions and related income are recognized when received, rather than when earned, and expenses are recorded when paid, not when incurred.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates in the Preparation of Financial Statements
The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation
Investments are reported at fair value or the net asset value which approximates the fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Income Recognition
Investment income is recorded when earned. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Loans to participants are reported at their unpaid principal balances. Interest income is recorded on the modified cash basis, generally as earned. Delinquent participant loans are classified as distributions based upon the terms of the Plan document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
The administrative expense associated with the Plan was paid from Plan assets. Expenses for 2021 were $6,356.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company (the custodian of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan utilizes Accounting Standards Codification (ASC) 820, *Fair Value Measurements.* ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include: a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation method are unobservable and significant to the fair value measurement. Unobservable inputs are those that reflect the plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Common collective trust funds have the characteristics of a structure similar to a mutual fund and are valued based on the readily determinable quoted market price that each fund publishes at the end of each day. While the underlying assets are actively traded on an exchange, the common collective trust funds are not and, therefore, are classified as Level 2 assets in the fair value hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments in:				
Common Collective Trusts	$ -	$ 3,985,017	$ -	$ 3,985,017
Mutual Funds	462,820	-	-	462,820
Total	$ 462,820	$ 3,985,017	$ -	$ 4,447,837

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Investments in:				
Common Collective Trusts	$ -	$ 3,980,082	$ -	$ 3,980,082
Mutual Funds	103,264	-	-	103,264
Total	$ 103,264	$ 3,980,082	$ -	$ 4,083,346

NOTE 5 - TAX STATUS

The Plan sponsor adopted a simplified ERISA volume submitter 401(k) Profit Sharing Plan, which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan is not required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are managed by Principal Financial Group, who is the record-keeper and custodian of the Plan, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also defined by ERISA as party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its discretionary contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Certain operational failures and prohibited transactions have occurred and the current status of those items has been disclosed in Note 11.

The Plan has considered for disclosure, all significant events occurring through October 5, 2022. Except for the items described above, no events have occurred that would require adjustment to or disclosure in the financial statements which were available to be issued on October 5, 2022.

NOTE 10 - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits and total additions between the financial statements and Form 5500 as of and for the year ended December 31, 2021.

NOTE 11 - OPERATIONAL FAILURES AND PROHIBITED TRANSACTIONS

The Company identified the following operational failures and prohibited transactions:

Exclusion of Eligible Employees
During 2020, 2019, 2018 and 2017, part-time employees were not given the opportunity to participate in the Plan. This resulted in missed contribution opportunities and related lost earnings for these employees. As of the report date, the Company has not determined the participants affected or the corrective actions needed.

Loans
During 2019 and 2018, no loan payments were withheld and remitted to the Plan. During 2017, amounts applied to five participant loans did not reconcile to the loan payment deferrals reflected in the payroll system. A net variance of $3,723 was applied to participant loan values in excess of the amount of the loan payment deferrals reflected in the payroll system. As a result, two terminated participants were issued a 1099 for outstanding loan amounts that had not been reduced by one loan payment. The value of the 1099s was $86 higher than should have been reported. As of the report date, the Company has not determined the corrective actions needed.

Forfeitures
During 2020, two distributions made to participants had been reduced by forfeited amounts that did not correspond to the vesting schedule requirements specified in the Plan document. The forfeited amounts totaled $16,016.

NOTE 11 - OPERATIONAL FAILURES AND PROHIBITED TRANSACTIONS (CONTINUED)

During 2019, seven distributions made to participants had been reduced by forfeited amounts that did not correspond to the vesting schedule requirements specified in the Plan document. The forfeited amounts totaled $9,978.

During 2018, two distributions made to participants had been reduced by forfeited amounts that did not correspond to the vesting schedule requirements specified in the Plan document. The forfeited amounts totaled $4,044.

During 2017, distributions made to participants had been reduced by forfeited amounts that did not correspond to the vesting schedule requirements specified in the Plan document. The forfeited amounts totaled $6,927.

The Plan document specifies that forfeiture amounts will be allocated to participant accounts in the same manner as employer discretionary contributions. The balance in the forfeiture account on January 1, 2021 and January 1, 2020 was $21,826 and $11,222 respectively. During 2021, 2020, 2019, 2018 and 2017, no forfeiture amounts were allocated to participant accounts. Additionally, during 2021, 2020, 2019, 2018 and 2017, $1,502, $8,410, $3,496, $16,738, and $2,880, respectively, of forfeiture balances were used by the Plan to pay administrative expenses which is not a use specified in the Plan document.

As of the report date, the Company has not determined the corrective actions needed.

Remittances-Employee Deferrals
During 2020, 2019, 2018 and 2017 certain participant contributions were not remitted timely to the Plan which resulted in lost earnings for the participants. As of the report date, the Company is working to determine the corrective action needed relating to the 2020, 2019, 2018 and 2017 delinquent contributions.

Remittances-Employer Matching Funds
A safe harbor matching contribution of $115,925 relating to 2019 employee deferrals was computed by the Sponsor and remitted to the Plan on various dates between May and December 2019. An error in the computation was found during the year but was not retroactively corrected to the beginning of the year. Additionally, the remittance did not include a computation for 2019 related lost earnings.

A safe harbor matching contribution of $21,165 relating to 2018 employee deferrals was computed by the Sponsor and remitted to the Plan in September 2019. The remittance did not include a computation for 2018 and 2019 related lost earnings.

NOTE 11 - OPERATIONAL FAILURES AND PROHIBITED TRANSACTIONS (CONTINUED)

A safe harbor matching contribution of $138,111 relating to 2017 employee deferrals was computed by the Sponsor and remitted to the Plan in April 2019. The remittance included a computation for 2017 lost earnings of $3,453. The remittance did not include the total amount computed for 2018 and 2019 related lost earnings. Additionally, the computation excluded participants deferring to the Plan from several departments.

As of the report date, the Company has determined the lost earnings to be $2,844 and has funded the participants' accounts accordingly.
