INDEPENDENT AUDITOR'S REPORT

Plan Trustee Committee and Plan Administrator
The Police Credit Union 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The Police Credit Union 401(k) Plan and Trust subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, the statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Police Credit Union 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of The Police Credit Union 401(k) Plan and Trust (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Matrix Trust Company (Matrix Trust) and CMFG Life Insurance Company (CMFG), the custodians of The Police Credit Union 401(k) Plan and Trust as of and for the year ended December 31, 2021, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Matrix Trust and CMFG agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Police Credit Union 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Police Credit Union 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering The Police Credit Union 401(k) Plan and Trust; and determining whether The Police Credit Union 401(k) Plan and Trust's transactions that are presented and disclosed in the financial statements are in conformity with The Police Credit Union 401(k) Plan and Trust's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Police Credit Union 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Police Credit Union 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Matrix Trust and CMFG agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Police Credit Union 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by Matrix Trust and CMFG. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

THE POLICE CREDIT UNION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of The Police Credit Union (the Plan Sponsor) 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan with a target benefit covering all employees of the Plan Sponsor who meet the eligibility requirements as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Effective January 1, 2014, the Plan was amended and converted to an institution plan administered by CMFG Life Insurance Company (CMFG), with Matrix Trust Company (Matrix Trust) holding the Plan's assets and executing investment transactions. The Plan has executed an advisory agreement with MEMBERS Capital Advisors, Inc. (MCA) whereby MCA agrees to act as a fiduciary under Section 3(21) of ERISA.

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation as defined by the Plan. Participants age 50 and older may elect to defer additional amounts (catch-up contributions). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). In 2021 and 2020, the Plan Sponsor contributed a non-elective safe harbor matching contribution equal to 100% of the total participant's elective contributions up to 5%. Additional profit sharing amounts may be contributed at the option of the Plan Sponsor's Board of Directors; in 2021 and 2020, the Plan Sponsor elected to pay additional profit sharing contributions equaling 3% of eligible compensation. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution and an allocation of the Plan Sponsor's contributions and the Plan's earnings (losses). Allocations are based on participant earnings (losses) or account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature. Participants may change their investment options any time during the year via phone or internet access to CMFG.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms may range up to five years, or longer if used to purchase the primary residence of the participant. The loans are secured by the participant's vested interest and require the participant to make payments via automatic payroll deductions. The loans bear interest at the rates of 4.25% and 6.50%.

Vesting: Participants are immediately vested in their voluntary contributions, non-elective safe harbor matching contributions and any transfer accounts plus actual earnings (losses) thereon. Vesting in the remainder of participants' accounts is based on years of continuous service. A participant is 100% vested after four years of credited service according to the following schedule:

One year of service	25%
Two years of service	50%
Three years of service	75%
Four years of service	100%

THE POLICE CREDIT UNION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Retirement: The normal retirement date is the first day of the month on or after the date the participant turns age 65.

Payment of Benefits: Upon termination of service due to death, disability or severance of employment from the Plan Sponsor, a participant may elect to receive the vested interest in their account in the form of either a lump-sum amount equal to the value of their account or one of several life annuity arrangements. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited Accounts: Any nonvested accounts are used as payment for administrative expenses or to reduce employer contributions. Forfeitures were used to reduce employer contribution in the amount of \$17,263 for the year ended December 31, 2021. Forfeited nonvested accounts totaled \$0 and \$1,563 as of December 31, 2021 and 2020, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan are reflected below.

Accounting Records: The accounting records of the Plan, with respect to plan administration and investment transactions, are maintained by CMFG.

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value: Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, provides a framework for measuring fair value that requires an entity to determine fair value based on the exit price in the principal market for the asset or liability being measured. Fair value is defined as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The guidance also establishes a three-level fair value hierarchy that describes the inputs used to measure assets and liabilities.

THE POLICE CREDIT UNION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- *Registered Investment Companies (Mutual Funds)* – Investments in mutual funds are valued at fair value based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.

The Plan's investments that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Notes Receivable from Participants: Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Administrative Expenses: Certain plan administration expenses are paid by the Plan Sponsor.

Subsequent Events: The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2021				
Mutual funds	\$ 27,988,519	\$ 27,988,519	\$ -	\$ -
2020				
Mutual funds	\$ 23,514,117	\$ 23,514,117	\$ -	\$ -

THE POLICE CREDIT UNION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses included in net assets available for plan benefits for the years ended December 31, 2021 and 2020 are reported under net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a benefit-responsive deposit administration contract with CMFG. CMFG maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. As described in Note 2, because the deposit administration contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. Contract value as reported to the Plan by CMFG represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The values of the general account of \$2,914,396 and \$2,720,128 as of December 31, 2021 and 2020, respectively, were disclosed at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents, including complete or partial plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with participants are likely to occur.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employees and certain others. As of December 31, 2021 and 2020, certain plan investments were held in trust by Matrix Trust and CMFG. Matrix Trust and CMFG are the current custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These expenses constitute exempt party-in-interest transactions under ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their employer contributions, if any.

THE POLICE CREDIT UNION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 7 – TAX STATUS

The Plan adopted the CMFG Life Insurance Company (CMFG) Non-Standardized Pre-Approved Profit Sharing Plan/Money Purchase/CODA. The Internal Revenue Service (IRS) has informed CMFG by a letter, dated June 30, 2020, that its Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan makes various investments in securities, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2021 and 2020, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash, investments and participant loans.

NOTE 9 – CERTIFICATION OF PLAN ASSETS

The investment information, notes receivable from participants and related income information included in the financial statements, accompanying notes and supplemental schedule of assets, summarized below, were derived from statements certified by Matrix Trust and CMFG as of December 31, 2021 and 2020 as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.
