Independent Auditor's Report

To the Plan Administrator and Plan Trustee of
CIS Group, LLC 401(k) Plan
Southlake, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of CIS Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CIS Group, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

As Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CIS Group, LLC 401(k) Plan's ability to continue as a going concern for Annually.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants..

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CIS Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CIS Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of CIS Group, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 20, 2021 we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of the Plan

The following description of CIS Group, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by CIS Group, LLC (the “Company” or “Plan Sponsor”) under Section 401(a) of the Internal Revenue Code (“IRC”), which includes qualified cash or deferred arrangements as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company.

Employees are eligible to participate in the Plan after one year of employment (which is defined as 1,000 hours of service), provided that they are at least twenty-one years of age. Entry date is semi-annual on January 1 and July 1 of each year. The Company has elected the same eligibility requirements for all contribution types, including matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan was adopted to enable eligible employees to defer compensation and share in employer contributions and to save and invest funds for retirement. The Plan was initially effective February 1, 2005. Effective May 24, 2017, the CIS Claim Services, LLC 401(k) Plan was merged into the Plan. The Plan was most recently restated effective October 21, 2021. This restatement was primarily administrative in nature and did not materially affect the plan provisions.

In April 2020, certain provisions under the CARES Act relating to participant distributions and participant loans were enacted. The CARES Act allows for utilization of these provisions immediately but requires formal adoption of the amendment no later than the last day of the plan year beginning on or after January 1, 2022.

Plan Administration

The Plan is administered by the trustee of the Plan. The trustee is appointed by the Company. The duties of the trustee are to oversee the operations of the Plan and to provide for prudent investment of Plan assets. Accordingly, the trustee has been granted discretionary authority concerning investment and management activities. The Plan’s custodians and third-party administrator, Great-West Life & Annuity Insurance Company and Great-West Trust Company, are responsible for the custody and management of the Plan’s assets. Global Retirement Partners, LLC provides advisory services for the Plan.

Contributions

Participants may elect to defer a portion of their pretax annual compensation, as defined in the Plan, subject to the maximum contribution under Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans. The Company may make matching contributions to the. Discretionary matching contributions are made according to each participant's salary deferrals.

Participant Accounts

Each participant's account is credited with 1) the participant's contribution; 2) any discretionary employer match; and 3) Plan earnings or losses. Allocations of earnings or losses are based on participant account balances. Participant's accounts are also charged with an allocation of those administrative expenses paid by the Plan, if any.

Vesting

Participants are vested immediately in their elective contributions and the earnings thereon. Participants are vested in company contributions on a graduated basis, becoming fully vested after five years of service. Participants are considered to have completed a year of service when they have performed 1,000 hours of service in any given year. Participants who leave the Company before they are fully vested in the Company's contributions forfeit their non-vested portion.

Forfeitures

Forfeitures of terminated participant's non-vested accounts are allocated to participants as a reduction of non-elective contributions, reduction in matching contribution, or to pay for plan expenses. At December 31, 2021 and 2020, the balance of forfeited non-vested accounts was \$748 and \$3,086, respectively. Forfeitures reallocated to participants for the years ended December 31, 2021 and 2020 were \$6,060 and \$7,193, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan to any one or more of the investment funds determined at the discretion of the trustee, and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances at their discretion. Participants are not required to direct investments. To the extent that participants do not direct the investment of their applicable Plan accounts, the participants' accounts will be invested in accordance with the default investment alternatives as established under the Plan.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) will receive a lump-sum distribution equal to the participant's vested account balance if the vested benefit in the Plan does not exceed \$5,000. If the vested benefit in the Plan exceeds \$5,000 then the participant may elect to receive the distribution in either a single lump-sum payment of the participant's entire account balance or a payment of a portion of the participant's account balance. In addition, in-service and hardship distributions are permitted if certain criteria are met.

Under the provisions of the CARES Act, the Plan sponsor allowed eligible participants to request penalty-free in-service withdrawals of up to \$100,000 for the period January 1, 2020 through December 31, 2020.

Excess Contributions

Contributions in excess of amounts allowed by IRS are disbursed in the subsequent year. For the plan year ending December 31, 2021, the plan had no contributions to be refunded to participants.

Plan Earnings

All income or losses of the Plan for each plan year, whether realized or unrealized, are allocated to the participants in proportion to their account balance at the beginning of the plan year in which the expenses are incurred.

Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Company's contributions.

Note 2 – Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

In preparing financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of statement of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments, except for the guaranteed portfolio fund, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments includes realized gains and losses on investments bought and sold, as well as held during the year.

Guaranteed investment contracts held by a defined contribution plan that are fully benefit responsive are reported at contract value. Contract value is the relevant measurement because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the contract. Contract value represents net contributions plus interest at the contract rate. See Note 5 for discussion of the guaranteed portfolio fund.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. The Plan has no obligation to reimburse the Company for expenses paid on its behalf. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Recently Adopted Accounting Pronouncements

In August 2018, the FASB issued 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirement for Fair Value Measurement which amends Accounting Standards Codification 820, Fair Value Measurement ("ASC 820"). This ASU removes, modifies or adds certain disclosure requirements for fair value measurements. The amendments in this Update are effective for all entities for fiscal years and interim periods within those fiscal years, beginning after December 15, 2019. The amendment is to be applied prospectively for the most

recent interim or annual period presented in the fiscal year of adoption. The Plan has adopted ASU 2018-13 for the 2020 Plan year with no impact on the Plan's net assets or changes in net assets.

Note 3 – Fair Value Measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820 for Fair Value Measurements and Disclosures provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no transfers between levels in 2021 or 2020.

The following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Mutual Funds

Valuations are based on quoted prices in active markets for identical assets or liabilities. Example: NYSE closing prices used to value mutual funds and publicly traded stocks.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021				
	Level I	Level II	Level III	Fair Value
Mutual funds	\$ 6,984,233	\$ -	\$ -	\$ 6,984,233
December 31, 2020				
	Level I	Level II	Level III	Fair Value
Mutual funds	\$ 5,481,488	\$ -	\$ -	\$ 5,481,488

Note 4 – Financial Information Certified by The Plan's Custodians

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, the custodians as of December 31, 2021 and 2020, and for the year ended December 31, 2021, except for comparing such information certified by the custodians to information included in the Plan's financial statements and supplemental schedule. The Plan's investments, related investment and interest income and investment transactions, including net appreciation of investments were certified by the custodians as of and for the years ended December 31, 2021 and 2020.

Note 5 – Investment Contract with Insurance Company

The Plan has entered into a guaranteed portfolio fund with Great-West Life & Annuity Company ("Great-West"). The guaranteed portfolio fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Both the actual and weighted average yield earned by the Plan for the years ended December 31, 2021 and 2020 were 0.90% and 1.04%, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974.

The Plan administrator does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. A termination date may be declared with thirty days prior written notification of intent to terminate by either the Plan Sponsor or Great-West Life & Annuity Insurance Company, subject to the provisions of the investment contract.

Note 6 – Tax Status

The Plan has adopted the Great-West Trust Company Prototype Non-standardized Profit Sharing Plan With CODA. The Internal Revenue Service has issued an opinion letter dated March 31, 2014 stating that the Plan is acceptable under the section 401 of the IRC for use by employers for the benefit of their employees. The Plan is relying on the opinion letter (in accordance with Announcement 2001-77) that the Plan design meets the qualification requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2018.

Note 7 – Party-In-Interest Transactions

Certain employees of the Company, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan. Certain Plan investments and the guaranteed portfolio fund are in the custody of Great-West Life & Annuity Insurance Company and Great-West Trust Company, the custodians of the Plan; and therefore, these transactions qualify as party-in-interest transactions. During 2021, administrative expenses paid to the custodians totaled \$47,264.

Note 8 – Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 to the financial statements as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per Form 5500	\$ 7,205,664	\$ 5,635,079
Employer contributions receivable	<u>16,401</u>	<u>-</u>
Net assets available for benefits per the financial statements	<u><u>\$ 7,222,065</u></u>	<u><u>\$ 5,635,079</u></u>

The following is a reconciliation of increase in net assets available for benefits per the Form 5500 to the financial statements for the year ended December 31, 2021.

Net increase in net assets available for benefits per Form 5500	\$ 1,570,585
Employer contributions receivable at December 31, 2021	<u>16,401</u>
Net increase in net assets available for benefits per the financial statements	<u><u>\$ 1,586,986</u></u>

Note 10 – Subsequent Events

The Plan has evaluated subsequent events from the date of the Statement of Net Assets Available for Benefits through October 7, 2022, the date the financial statements were available to be issued. During this period, there were no subsequent events requiring adjustment to, or disclosure in, the financial statements.
