INDEPENDENT AUDITORS' REPORT

To the Trustee and Participants of
Gotham Greens 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Gotham Greens 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Gotham Greens 401(k) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gotham Greens 401(k)'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gotham Greens 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gotham Greens 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of Gotham Greens 401(k) were audited by Piccerelli, Gilstein & Company LLP, who merged with Marcum LLP as of July 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Piccerelli, Gilstein & Company, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 28, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Gotham Greens 401(k) (the Plan) is provided for general information purposes only. Plan members should refer to the Plan documents for a more complete description of the Plan's provisions.

GENERAL

The Plan is a prototype 401(k) profit-sharing plan, sponsored by Gotham Greens Butterhead, LLC (the Company). The Plan was established on January 1, 2017. The Plan contains a salary reduction feature under Internal Revenue Code Section (IRC) 401(k) and provides for retirement, disability, and death benefits. The Plan is participant directed and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ELIGIBILITY

The Plan covers all employees employed prior to January 1, 2017 and all employees employed after January 1, 2017 who have completed ninety days of service, attained the age of eighteen, and are not covered by a collective bargaining agreement.

CONTRIBUTIONS

Participants may elect to contribute an amount or percentage of their compensation up to a maximum salary reduction contribution permitted by the Internal Revenue Service. The Plan allows participants to designate all or any portion of their elective contributions as a Salary Deferral Contribution (Roth). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may elect to make a discretionary employer match contribution at a percentage determined each year, which shall apply to all active eligible participants for the entire plan year. The match is limited to the participant's elective deferrals. The Company may make an additional discretionary or qualified non-elective contribution determined annually. To be eligible for employer contributions, the employee must have completed 1,000 hours of service and be an active participant at the end of the plan year. There were no employer contributions made during the year ended December 31, 2021. Contributions are subject to certain IRS limitations.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The term of the loan shall not exceed 5 years; however longer terms may be allowed when the loan is obtained for the purchase of a primary residence.

The notes bears an interest rate, which is commensurate with local prevailing rates established by the plan administrator. Principal and interest are paid ratably through routine payroll deductions. The note is collateralized by the participant's vested interest in their account.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary and non-elective contributions and Plan earnings. Interest and dividend income and realized and unrealized gains and losses are allocated to each participant's account in the ratio of his/her account balance to the total balance of all participant account balances within the Plan. Participant accounts are charged administrative expenses for participant initiated transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in salary deferrals, rollovers and transfers from other plans plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after one year of credited service.

PAYMENT OF BENEFITS

Benefits are available for distribution upon retirement, death, or disability in a single lump sum distribution equal to the value of the participant's vested interest in his or her account. In the event of termination for reasons other than retirement, death, or disability, payment of vested benefits will be made by the plan administrator in accordance with procedures described in the Plan. If a participant's vested account balance is less than \$1,000, the participant will receive an immediate cash-out of the vested account balance. If a participant's vested account balance is greater than \$1,000 and less than \$5,000, the vested account balance will be rolled over into an IRA.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

IN-SERVICE WITHDRAWALS

The Plan allows for in-service distributions from all or a portion of the participant's fully vested account balances upon the participant's attainment of age 59½ without penalty. Hardship withdrawals may be made due to an immediate financial need, as defined by the Plan. A participant may also withdraw any part of their vested account resulting from elective deferral contributions if the requirements for a qualified reservist distribution are met.

FORFEITURES

Forfeitures are created when participants terminate employment before becoming entitled to their full vested benefits under the Plan. Forfeitures may be used to pay Plan expenses or used to offset employer contributions and then reallocated among eligible participants. There were no forfeitures in 2021 or 2020.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value (except for a fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Notes 3 and 4).

Purchases and sales of investment units are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants is measured at its unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

PAYMENT OF BENEFITS

Benefit payments and withdrawals are recorded when paid.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contribution revenue. The Plan distributed the 2021 excess contributions to the applicable participants prior to April 15, 2022.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participant and benefit payment requests are charged directly to the participant's account and are included in administrative expenses. Investment related expenses including trustee fees are included in net appreciation in fair value of investments.

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

GOTHAM GREENS 401(k)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust funds (CIT): The fair value of the CITs are calculated using the underlying publicly quoted pricing inputs of the mutual funds to determine the net asset value (NAV) of the CITs, which are not publicly quoted but are available to current investors through participant account access and the CIT's Annual Report. NAV is the basis for current transactions and the investment can be redeemed as of the measurement date.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate accounts: Investments in pooled separate accounts (funds) are stated at fair value, which has been determined by the insurance company sponsoring such funds by dividing the fund's net assets at fair value by the respective units outstanding at the valuation date (NAV). These funds are mainly invested in domestic stocks valued using quoted pricing inputs and can be redeemed on a daily basis, which is considered a "readily determinable fair value" by the insurance company. These funds have no unfunded commitments.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively:

	Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 224,860	\$ 224,860	\$ --	\$ --
Collective investment trust funds	1,000,657	--	1,000,657	--
Pooled separate accounts	<u>380,602</u>	<u>--</u>	<u>380,602</u>	<u>--</u>
Total investments, at fair value	<u>\$ 1,606,119</u>	<u>\$ 224,860</u>	<u>\$ 1,381,259</u>	<u>\$ --</u>

	Assets at Fair Value as of December 31, 2020			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 129,444	\$ 129,444	\$ --	\$ --
Collective investment trust funds	424,688	--	424,688	--
Pooled separate accounts	<u>134,588</u>	<u>--</u>	<u>134,588</u>	<u>--</u>
Total investments, at fair value	<u>\$ 688,720</u>	<u>\$ 129,444</u>	<u>\$ 559,276</u>	<u>\$ --</u>

During 2021, the Plan's investments in the mutual funds, collective investment trust funds, and pooled separate accounts (including investments bought, sold, and held during the year) appreciated in value by \$181,564. There were no transfers between levels of investments during the years ended December 31, 2021 and 2020.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract (GIC) with Principal Life Insurance Company (Principal) with a contract value of \$77,179 and \$9,815 as of December 31, 2021 and 2020, respectively. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The net crediting rate is after deduction of 1.60% for fees for administrative and recordkeeping services to the Plan. The crediting rate is reviewed on a semiannual basis for resetting. This contract meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic or regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan prohibition on competing investment options or delegation of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

A Plan sponsor initiated liquidation or transfer of the Plan's interest will be subject to either a 12-month advance notice or a 5% surrender charge, whichever the plan fiduciary chooses. Notification of a Plan's intent to terminate its interest may be revoked within 90 days of the issuer's receipt of notice, after which time, notice becomes irrevocable.

A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the guaranteed investment contract exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the employer.

NOTE 5 – PLAN FINANCIAL INFORMATION CERTIFIED BY CUSTODIANS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Global Investors Trust Company (the custodians of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the adopted prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, the participants would become fully vested (100%) in their employer contributions.

NOTE 8 – PARTIES-IN-INTEREST

Certain Plan investments are managed by Principal Life Insurance Company, Delaware Charter Guarantee and Trust d/b/a Principal Trust Company and Principal Global Investors Trust Company, the custodians, as defined by the Plan. Therefore, these investment transactions qualify as exempt party-in-interest transactions.

Certain employees of the Company, who are also participants in the Plan, perform administrative services at no cost to the Plan.

During 2021, delinquent contributions of \$9,176 from a previous year were corrected.

All notes receivable of the Plan are between the Plan and Plan participants. Therefore, these notes and transactions qualify as party-in-interest transactions that are exempt from prohibited transaction rules.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Matched contributions will vest after 2 years of employment with the Company. All employees will be automatically enrolled at a 3% annual contribution rate with the ability to opt-out of the 401(k) plan, or reduce their contribution rate.
