INDEPENDENT AUDITORS' REPORT

Plan Administrator
Coway USA Inc. 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Coway USA Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from Principal Trust Company, qualified institutions, as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2021 and schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

COWAY USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note A - Description of Plan

The following description of Coway USA Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Coway USA Inc. (the "Company"). Employees become eligible to make elective deferral contributions who are at least 21 or older at employment and complete 3 months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to defer up to 100% of their compensation on a pre-tax basis, excluding reimbursement or other expense allowances, moving expenses, deferred compensation, and welfare benefits, not to exceed the limits of Code Sections 401(k), 402(g), 404 and 415; \$19,500 per annum for both years of 2021 and 2020. Participants who have attained age 50 before the end of the Plan year may be eligible to contribute an additional \$6,500 in both years of 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contribution into various investment options offered by the Plan. Employees become eligible for matching contributions only if they make deferral contributions. The Company may make a discretionary matching contribution, a discretionary profit sharing contribution, and a discretionary qualified non-elective contribution to the Plan on employees' behalf. There were no discretionary profit sharing contributions for 2021 and 2020. Participants always be 100% vested in their elective deferral account, rollover contribution account, in-plan Roth rollover account and qualified non-elective contribution account.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, and the Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Interest in participant's matching contribution account and profit sharing contribution account are vested on participant's years of vesting service in accordance with the following schedule:

Vesting Schedule	
Years of Vesting Service	Vesting Percentage
Less than two years	0%
Two years	25%
Three years	50%
Four years	75%
Five years or more	100%

"Year of Vesting Service" means a 12-month period of time beginning on date of hire. All periods of service and less than whole year periods of service will be aggregated on the basis that 12 months of service (30 days are deemed to be a month in the case of the aggregation of fractional months) or 365 days of service constitutes a whole year of vesting service.

COWAY USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of one-half the present value of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in participant's account during the prior 12 months. Participants may apply only one loan each calendar year and have only one loan outstanding at any given time. Loans will only be made to persons who the Plan Administrator determines have the ability to repay the loan. Loans must be paid in full on termination of employment. The loans are secured by the balance in the participant's account and bear interest. Principal and interest payments are made through payroll deduction from each regular paycheck. As of December 31, 2021, interest rates on loan to participants is 4.25%.

Top-Heavy Plan

If more than 60 percent of assets in the Plan are held by employees who are considered key employees, the Company may need to make an additional contribution to the Plan for participants who are not key employees.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a single lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

If an employee is terminated before fully vested in Company contributions portion of his or her account, such unvested amount is forfeited. Forfeitures may be applied first to the payment of plan administration expenses. Any remaining forfeitures are used towards the Company's matching contributions. As of December 31, 2021, there is no outstanding balance of forfeiture unallocated.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

COWAY USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The fair value of the Plan's mutual fund investments is determined by quoted market prices on the last day of the Plan year. Participant loans are stated at cost, which approximates fair value. Investment transactions are recorded as of the trade date. The Plan's investments are valued at investment market value, which represent the net asset value of shares held by the Plan at year-end. Interest and dividend income are recorded on the accrual basis.

Note C - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements on December 31, 2021 and 2020, the supplemental schedules on December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Trust Company (the custodian of the Plan).

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

	2021	2020
Registered investment companies	\$ 2,472,786	\$ 1,149,110
Pooled separate accounts	2,854	359
Insurance company general account	66,613	49,865
Total investments	<u>\$ 2,542,253</u>	<u>\$ 1,199,334</u>

Note D - Fair Value Measurement

The Plan measures fair value in accordance with Accounting Standard Codification ("ASC") 820 - Fair Value Measurements. ASC 820 defines fair value and establishes a three-level valuation hierarchy for disclosures of fair value measurements. ASC 820 establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosures about fair value measurements. To increase consistency and comparability in fair value measurements and related disclosures, ASC 820 establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into three (3) broad levels. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three (3) levels of fair value hierarchy defined by ASC 820 are:

Level 1 - Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities at the measurement date.

COWAY USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Level 2 - Inputs (other than quoted market prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3 - Inputs reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model. Valuation of instruments includes unobservable inputs to the valuation methodology that are significant to the measurement of fair value of assets or liabilities.

As defined by ASC 820, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale, which was further clarified as the price that would be received to sell an asset or paid to transfer a liability ("an exit price") in an orderly transaction between market participants at the measurement date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Registered investment companies	\$ 2,472,786	\$ -	\$ -	\$ 2,472,786
Total assets at fair value	<u>\$ 2,472,786</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,472,786</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Registered investment companies	\$ 1,149,110	\$ -	\$ -	\$ 1,149,110
Total assets at fair value	<u>\$ 1,149,110</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,149,110</u>

Pooled separate accounts as investments measured at net asset value per share (or its equivalent) were classified outside the fair value hierarchy as permitted under GAAP.

Note E - Group Annuity Contract

In 2019, the Plan entered in a custodial guaranteed interest option group annuity contract that has been issued by Principal Life Insurance Company (Principal Life) to Principal Trust Company as custodian. Principal Life maintains the contributions in a general account. The account is credited with earnings on the underlying

COWAY USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a semiannual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Note F - Related Party Transactions

Certain plan investments in registered investment companies are managed by the custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note G - Federal Income Taxes

The Plan adopted a non-standardized form of a pre-approved plan ("Pre-Approved Plan"). The Pre-Approved Plan has received an opinion letter from the Internal Revenue Service as to the Pre-Approved Plan's qualified status. The Pre-Approved Plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H - Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In such event, all participants would become fully vested in their account balances.

Note I - Subsequent Events

The Plan Administrator has evaluated subsequent events through October 7, 2022, the date the financial statements were available to be issued under FASB ASC Topic 855, *Subsequent Events*.

The ongoing COVID-19 pandemic as well as the newer Omicron variant has had and will continue to spread to nearly all areas around the world. In response to the COVID-19 pandemic, federal, state, and local governmental agencies have taken and may again take preventative or protective actions, such as imposing restrictions on travel and business operations.

It is unknown how long the adverse conditions associated with the coronavirus will last and what the complete financial effect will be to the Plan. Additionally, it is reasonably possible that estimates made in the financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions.
