## INDEPENDENT AUDITOR'S REPORT

To the Participants  
Harper Construction Company, Inc. 401(k) Plan  
San Diego, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Harper Construction Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements are prepared using the modified cash basis of accounting and comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Harper Construction Company, Inc. 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Harper Construction Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harper Construction Company, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harper Construction Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harper Construction Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule of assets (held at year end) were prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### **Other Matters**

#### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that is agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule of assets, we evaluated whether the information agreed to or derived from the certified investment information including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule of assets, other than the information in the supplemental schedule of assets that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule of assets related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We are engaged to audit the 2020 financial statements of Harper Construction Company, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **NOTE 1 – DESCRIPTION OF PLAN**

#### **General**

The following description of the Harper Construction Company, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan's sponsor is Harper Construction Company, Inc. (the "Company" or the "Employer"). Harper Mechanical Contractors, LLC, a company under common control and ownership, is also a participating employer in the Plan. Capital Bank & Trust Company is the trustee as defined by the Plan (the "Trustee").

The Plan was initially adopted on January 1, 2001. The Plan was amended and restated as of January 1, 2019. The Plan is a defined contribution plan covering all full-time employees of the Company. On January 1, 2019, the Plan was amended to replace the employer matching contribution with a safe harbor matching contribution and change the eligibility requirements from 6 months of service and 500 hours with the Company to 9 months of service and 750 hours with the Company. Employees are eligible to participate in the Plan on the first day of the subsequent month following the date they satisfy the eligibility requirements and reach 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participants direct the investment of their pre-tax contributions, including Employer contributions, into various investment options offered by the Plan.

#### **Participant Contributions**

Participants may elect to make salary deferral contributions to the Plan of a fixed amount per pay period or up to 100% of their compensation up to the annual limit (\$19,500 in 2021) established by the Internal Revenue Service ("IRS"). Participants who are age 50 or older before the end of the calendar year can make annual catch-up contributions in addition to the above, up to the maximum amount allowed by the IRS (\$6,500 in 2021).

#### **Rollover Contributions**

The Plan allows for participants in a former employer's qualified plan to contribute direct rollovers to the Plan.

#### **Matching Contributions**

The Plan allows the Company to make matching contributions to all eligible employees at the Company's discretion. The Plan elected to make an Employer safe harbor match for the year ended December 31, 2021. The Company matched 100% of participant's elective deferrals up to 4% of the participant's compensation for each eligible employee for the year ended December 31, 2021 to qualify for the safe harbor match. Additionally, the Plan allows for an additional discretionary Employer matching contribution up to 6% of participant's compensation. The Company's safe harbor matching contributions for the year ended December 31, 2021 totaled \$541,122.

# HARPER CONSTRUCTION COMPANY, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

#### **Profit Sharing Contributions**

The Plan allows for the Company to make profit sharing contributions to all eligible employees at the Company's discretion. The Company did not make any profit-sharing contributions to the Plan for the year ended December 31, 2021.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Company contributions and Plan earnings (net of administrative fees). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately fully vested in their contributions, Employer safe harbor contributions, and the earnings and appreciation or depreciation thereon. Participants are vested in discretionary Employer matching or profit-sharing contributions based on the following vesting schedule:

| <u>Years of Vesting Service</u>      | <u>Vesting%</u> |
|--------------------------------------|-----------------|
| Less than one year                   | 0%              |
| One year but less than two years     | 20%             |
| Two years but less than three years  | 40%             |
| Three years but less than four years | 60%             |
| Four years but less than five years  | 80%             |
| Five years or more                   | 100%            |

For vesting purposes, a year of service is defined as a Plan year in which the employee completes at least 1,000 hours of service.

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the value of the participant's vested account balance. Loan terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect on the loan date plus 1%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through weekly payroll deductions.

#### **Forfeited Accounts**

Forfeitures of non-vested participant accounts can be used to pay Plan expenses or reduce Employer contributions. During the year ended December 31, 2021, \$9,808 in forfeitures were used to reduce Employer safe harbor contributions. At December 31, 2021 and 2020, the forfeitures account balance was \$132 and \$43, respectively.

# **HARPER CONSTRUCTION COMPANY, INC. 401(K) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

December 31, 2021 and 2020

### **NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

#### **Payment of Benefits**

Upon termination of service, death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance or annual installments over any period not exceeding the lesser of 10 years or the life expectancy of the participant. For terminated participants' account balances that are less than \$1,000, the plan administrator may distribute the entire amount in a lump sum without the participant's consent. For terminated participant account balances between \$1,000 and \$5,000, the plan administrator may automatically rollover the balance into an individual retirement account if they do not receive distribution instructions from the participant. Hardship distributions are also permitted from the participant's employee deferral account.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are prepared using the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. Employee and Employer contributions are reported on a cash basis when received by the Trustee and Plan expenses are recorded when paid. Investments are reflected at fair value on a trade date basis and realized gains and losses are calculated based on specific identification.

#### **Accounting Estimates**

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments have been stated at fair value as determined by the Trustee. Quoted market prices are used to value most investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end based on quoted market prices. Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income is recorded when paid. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end. See Note 8 for discussion of fair value measurements.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment (i.e., deemed distribution) is recorded.

Certain administrative expenses of the Plan were paid by the Company during the year ended December 31, 2021. In addition, the Company provides administrative services to the Plan at no cost to the Plan.

### **NOTE 3 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any unvested employer matching or profit-sharing contributions.

### **NOTE 4 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by American Funds Distributors, Inc., an affiliate of Capital Bank & Trust Company. Capital Bank & Trust Company is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Investment management fees paid by the Plan to the Trustee or American Funds Distributors, Inc. are included as a component of net realized and unrealized appreciation in fair value of investments and are not separately stated in the accompanying statement of changes in net assets available for benefits. Record keeping administrative fees paid to a service provider contracted by the Trustee for the year totaled \$12,530. Investment advisory fees paid to the Plan's registered investment advisor for the year totaled \$30,954.

### **NOTE 5 – TAX STATUS**

The Plan uses a prototype non-standardized profit-sharing plan which the IRS has determined by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter to comply with more recent pension laws and regulations, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

### **NOTE 6 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization characterized coronavirus ("COVID-19") as a pandemic, and on March 13, 2020, the President of the United States of America declared a national emergency relating to the pandemic. As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect future participants' account balances and the amount reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Due to the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have on the Plan.

### NOTE 7 – INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Capital Bank & Trust Company has certified to the completeness and accuracy of all investments, related investment activity, notes receivable from participants, and related party transactions in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

### NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan follows the "*Fair Value Measurement*" topic of the Financial Accounting Standard Board's Accounting Standards Codification which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used during the years ended December 31, 2021 and 2020.

*Money market fund:* Valued at the net asset value of shares held by the Plan at year end (generally \$1 per share).

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year end based on quoted market prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

|                                  | Investments at Fair Value |             |                     |
