To the Board of Trustees of
Legacy Transportation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Legacy Transportation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Legacy Transportation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Legacy Transportation (the "Company" or the "Employer") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees who have completed 30 days of service and are not covered under collective bargaining agreements, are leased employees, or are non-resident aliens who do not receive any compensation from U.S. sources. Employees who are part-time employees (defined by the Plan as an employee whose normal work schedule is less than 1,000 hours per year) must work twelve months and 1,000 hours to become eligible. Participants can enter the Plan on the Plan entry dates - January 1 or July 1 each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Company's Board of Trustees oversees the Plan.

CONTRIBUTIONS

Employee

Participants make salary deferral or post-tax Roth contributions on a voluntary basis, subject to limitations established by the Internal Revenue Code ("IRC") of $19,500 for the year ended December 31, 2021. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions, not to exceed $6,500 for the year ended December 31, 2021. Participants direct their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Rollovers

Rollovers may be made directly from another qualified plan or if not a direct rollover, then it must be received by the Plan within 60 days of receipt of distribution.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employer

The Employer may make a discretionary matching contribution and/or a special discretionary contribution (profit sharing). For participants to qualify for the discretionary matching and special contributions, they must complete at least 1,000 hours of service during the Plan year and be actively employed on the last day of the Plan year.

Regardless of the amount of service completed during the Plan year, participants will be eligible for an employer contribution if they are separated from employment by reason of death, disability, or termination of employment on or after normal retirement age.

Matching contributions are discretionary and are allocated to participants based upon the percentage that their deferred contributions during the Plan year bears to the total deferred contribution of all participants during the Plan year. The Employer elected to make $50,000 of matching contributions for the year ended December 31, 2021.

Profit sharing contributions are discretionary and are allocated to participants based upon their share of the total compensation paid during the Plan year to all participants in the Plan. The Employer elected to make $150,000 of profit sharing contribution for the year ended December 31, 2021.

PARTICIPANT ACCOUNTS

Each participant's account is credited with (a) the participant's contribution and allocations, (b) the Employer's matching and profit sharing contributions, if any, and (c) earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant vests in employer contributions at a rate of 20% each year the participant works 1,000 hours, after one full year of service. Therefore, participants will be 100% vested after six or more years. A participant becomes 100% vested upon death or disability.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

INVESTMENT OPTIONS

Participants of may direct the investment of their contributions into one of the following investment options:

Professional Money Management – The participant elects to have the Company-selected Registered Investment Advisor select investments based upon their goals and risk tolerance.

Self Selection – The participant selects from the core-designated funds, which are determined and monitored by the Company.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of (a) $50,000 or (b) 50% of their vested balance. Loans may be made for general purposes, or the acquisition of a principal residence. General-purpose loans have a maximum term of 5 years and principal residence loans have a maximum term of 15 years. Loans are secured by the vested balance in the participant's account and bear interest rates equal to the prime rate plus 1%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through weekly payroll deductions.

PAYMENT OF BENEFITS

Distributions from the Plan are generally not permitted before age 59½, except in the event of death, disability, or termination of employment. In-service distributions may also be made to a participant who has not separated from service, provided the participant has reached normal retirement age, as defined in the Plan. In-service distributions may only be made once during a Plan year, must be from accounts that are fully vested, and, in the case of Roth elective deferrals, must be qualified distributions. At the time a participant is entitled to receive a distribution, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, a participant may qualify for a hardship distribution as defined in the plan document. Effective January 1, 2020, the participant's elective deferrals will no longer be suspended for six months after receipt of a hardship distribution.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

At December 31, 2021 and 2020, forfeited accounts totaled $4,469 and $2,545, respectively. Forfeited matching and profit sharing contributions can be used to pay Plan expenses, reduce future Employer contributions, added to other Employer contributions, or be reallocated, as elected by the Employer. There were $2,544 of forfeitures used during the year ended December 31, 2021.

CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was passed by Congress, which included provisions relating to retirement plans. The Plan adopted certain temporary relief provisions for qualified individuals (as defined under the CARES Act), including early withdrawal, penalty-free coronavirus-related distributions up to $100,000 per individual, increasing the maximum participant loan limit to the lesser of $100,000 or 100% of the participant's vested account balance, allowing the suspension of loan payments on outstanding loans for one year, as well as the waiver of 2020 required minimum distributions. The provision also reduces or eliminates the tax paid by participants for early withdrawal and allows participants to pay back withdrawn amounts within three years. The CARES Act allowed the Plan to adopt the provisions immediately as long as a formal amendment to the Plan is made on or before December 31, 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at their fair value, except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

The unit value of the pooled separate account investments are based on the fair value of underlying assets. The underlying assets of the pooled separate accounts include investments primarily in equity securities, corporate debt, commercial mortgage and other asset backed securities, and U.S. Treasury and other government securities. Investments in pooled separate accounts are valued at their Net Asset Value ("NAV") of each underlying fund.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. In management's opinion, all notes receivable from participants are fully collectible; therefore, no allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as deemed distributions on the basis of the terms of the plan agreement.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

EXPENSES OF ADMINISTRATION

Investment expenses incurred by the custodian of the Plan and directly related administrative expenses are deducted from the earnings of the Plan. Loan processing fees are paid by the participants through reduction in their investment balances. All other expenses of maintaining the Plan are paid by the Company, and are not included in these financial statements.

SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 11, 2022, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified,

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Retirement Insurance and Annuity Company ("Voya"), the custodian of the Plan. This information has not been audited by the Plan's independent auditors. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA.

The fair and contract value of investments certified by Voya as of December 31, 2021 and 2020, are as follows:

	2021	2020
Pooled separate accounts, at fair value	$ 7,875,146	$ 7,340,839
Guaranteed investment contract, at contract value	540,698	525,838
Total	$ 8,415,844	$ 7,866,677

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN (CONTINUED)

The following is a summary of the net investment income certified by Voya for the year ending December 31, 2021:

Net appreciation in fair value of investments	$ 952,195

NOTE 4 - FAIR VALUE MEASUREMENTS

The pooled separate account investments are valued at NAV of units held by the Plan at year-end. The NAV is a practical expedient based on the value of the underlying assets owned by the fund, minus its liabilities and fees, and then divided by the number of units outstanding. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. The funds' investment strategies are to invest mostly in debt and equity securities.

In accordance with Accounting Standards Codification Subtopic 820-10, Fair Value Measurements, all investments of the Plan that are held in pooled separate accounts whose values are estimated using the NAV practical expedient per unit (or its equivalent) have not been classified in the fair value hierarchy.

Investments in all pooled separate accounts can be redeemed immediately at the current NAV based on the fair value of the underlying assets. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2021 and 2020. There was no change in valuation methodologies during 2021 and 2020.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed investment contract with Voya with contract values totaling $540,698 and $525,838 as of December 31, 2021 and 2020, respectively. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent per annum. The crediting rate is reviewed on an annual basis for resetting.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT (CONTINUED)

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan agreement (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and transactions are managed by Voya. Voya is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. In accordance with ERISA §408, these investments and related investment transactions are exempt from ERISA's prohibited transaction rules. Participant loan activities also qualify as party-in-interest transactions. The Employer is also a party-in-interest with respect to the Plan.

NOTE 7 - TAX STATUS

The IRS issued an opinion letter dated March 31, 2014, indicating that the prototype adopted by the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since adopting the prototype; however, the plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and tax-exempt as of the date of the financial statements.

NOTE 7 - TAX STATUS (CONTINUED)

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the plan agreement, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
