Plan Administrator
Maury Microwave Corporation Profit Sharing and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Maury Microwave Corporation Profit Sharing and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 21, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION AND BENEFITS

The following description of Maury Microwave Corporation Profit Sharing and Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a qualified, defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on April 1, 1973, by Maury Microwave Corporation, the Plan Sponsor (the “Employer”). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws.

Administration

Fidelity Management Trust Company (“Fidelity”, the “trustee”) is responsible for the custody and management of the Plan’s assets and is the Plan’s recordkeeper. Morgan Stanley Global Banking is the investment advisor.

Eligibility

All employees who have attained age 18 and completed 30 days of service are eligible for participation in the Plan. Enrollment can occur on the first day of the next calendar month after meeting the service requirement.

Participant Contributions

Participants are automatically enrolled based on the Plan’s default elective deferral of 5% of the participants’ pretax eligible compensation, and will increase annually by 1%, not to exceed 10%, unless the participant elects a different percentage, or they affirmatively elect not to participate in the Plan. Participants may elect to contribute, on a pretax basis, up to 100% of their eligible compensation, in an amount not in excess of the maximum allowed by the IRC (\$19,500 for 2021). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions (\$6,500 for 2021). Participants may also make contributions to the Plan on an after-tax basis, as Roth deferrals, as defined in the Plan agreement and subject to the limitations under the IRC, as listed above. Participants may also roll over amounts representing distributions from other qualified benefit or contribution plans.

Employer Contributions

The Employer matches 20% of each participant’s deferral contribution of the first 1% of participant contributions and an additional 20% for each additional percent of participant contributions, not to exceed 1% of the participant’s compensation. All employer contributions are invested in the same manner that the participant directs his or her participant withheld amounts.

NOTE 1 – PLAN DESCRIPTION AND BENEFITS (Continued)

Employer Contributions (Continued)

The Employer's profit sharing contributions are discretionary. Participants who are employed on the last day of the Plan year, are age 18 and have one month of service and have completed at least 1,000 hours of service during the Plan year are eligible to receive profit sharing contributions. The Employer did not make any profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers from qualified plans of the participant's previous employers, allocation of the Employer's contributions, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution and the Employer's matching contribution. Plan earnings and expenses are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the trustee.

Vesting

Employee contributions, rollovers, and actual earnings on all such contributions are fully vested at all times. Vesting of employer matching contributions, discretionary profit sharing contributions, and actual earnings thereon are based upon the participant's continuous years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2 – 3	20%
3 – 4	40%
4 – 5	60%
5 – 6	80%
6 and above	100%

NOTE 1 – PLAN DESCRIPTION AND BENEFITS (Continued)

Notes from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding note balance in the prior twelve-month period. The notes are secured by the balance in the participant's account and bear interest at a rate that a bank or other professional lender would charge for a note in a similar circumstance. Note terms range from one to five years, or longer for the purchase of a primary residence. Interest rates range from 5.25% to 7.50% as of December 31, 2021 and 2020, and mature through December 2026. Principal and interest are paid ratably through weekly payroll deductions. A participant can only have one outstanding note at any time. Defaulted participant notes are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

All participants may withdraw amounts from their accounts up to their entire interest if they attain the age of 59-1/2 or qualify for financial hardship. On termination of service due to death, disability or retirement, a participant with an account balance greater than \$5,000 may elect to receive a lump-sum cash payment equal to the value of the participant's interest. If the participant's vested interest is greater than \$1,000 but less than \$5,000, the participant will receive a rollover into an individual retirement account determined by the Plan Administrator. If the participant's vested balance is less than or equal to \$1,000, the account will be distributed in a lump-sum distribution.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeitures

Participant's accounts are forfeited if the employer contribution portion has not been fully vested at the time of withdrawal. These amounts may be utilized to reduce employer contributions and/or pay administrative expenses. As of December 31, 2021, and 2020, there were \$21,073 and \$16,402 of forfeitures available, respectively. During the year ended December 31, 2021, there were no forfeited funds used to reduce Plan administrative expenses.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

MAURY MICROWAVE CORPORATION
PROFIT SHARING AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Dividends are recorded on the ex-dividend date.

Management fees charged to the Plan for investments in registered investment companies are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recognized when earned. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2021 and 2020, there were \$60 and \$2,348, respectively, of delinquent participant notes that have been classified as benefits paid directly to participants on the statement of changes in net assets available for plan benefits. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded when paid. Corrective distributions generally represent the distribution of certain assets to employees in order for the Plan to comply with nondiscrimination rules. During the year ended December 31, 2021, the Employer paid corrective distributions of \$8,700, to participants for contributions made in excess of amounts allowed by the IRS during the Plan year ended December 31, 2020.

Administrative Expenses

The Employer pays all administrative expenses of the Plan with the exception of a management fee paid to Fidelity Investments, note fees and maintenance fees for inactive participants. Expenses that are paid by the Employer are excluded from these financial statements.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes from participants reflected on the accompanying statements of net assets available for Plan benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021; the related investment activity and interest income on notes from participants reflected in the statement of changes in net assets available for Plan benefits for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) Topic No. 820, “Fair Value Measurements and Disclosures” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MAURY MICROWAVE CORPORATION
PROFIT SHARING AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Registered investment companies:

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transfer at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund:

The Goldman Sachs Stable Value Fund, held in a collective trust fund, invests in conventional and synthetic guaranteed investment contracts (GICs) issued by life insurance companies, banks and other financial institutions with excess cash invested in cash equivalents. The objective of the stable value fund is to provide preservation of capital and relatively stable returns regardless of the volatility of the financial markets. The investments are valued using NAV as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets owned by the fund, minus its liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are currently no redemption restrictions or unfunded commitments on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 6,903,595	\$ -	\$ -	\$ 6,903,595
Stable value fund measured at NAV (a)				<u>964,266</u>
Total investments, at fair value				<u>\$ 7,867,861</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 5,553,285	\$ -	\$ -	\$ 5,553,285
Stable value fund measured at NAV (a)				<u>1,172,412</u>
Total investments, at fair value				<u>\$ 6,725,697</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for plan benefits.

MAURY MICROWAVE CORPORATION
PROFIT SHARING AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Investments, a related party to Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as exempt “party-in-interest” transactions permitted by the United States Department of Labor (DOL) Rules and Regulations. Fees paid by the Plan to Fidelity Investments amounted to \$20,083, to Morgan Stanley Global Banking for investment advisory services of \$13,143 and Strategic Advisors for advisory services of \$5,388 for the year ended December 31, 2021. Notes from participants and the related interest income of \$7,906 are also considered related-party transactions.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 7 – INCOME TAX STATUS

Effective August 2, 2021, the Plan adopted a non-standardized pre-approved plan sponsored by FMR, LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) as to the pre-approved plan’s qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MAURY MICROWAVE CORPORATION
PROFIT SHARING AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 – PLAN TERMINATION

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Employer is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan year ended December 31, 2018, the Employer inadvertently failed to remit certain participant contributions totaling \$15,181 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL).

During the Plan year ended December 31, 2019, the Employer inadvertently failed to remit certain participant contributions totaling \$7,838 of participant deferrals within the required timeframe as stated by the DOL.

During the Plan year ended December 31, 2020, the Employer inadvertently failed to remit certain participant contributions totaling \$64,625 of participant deferrals within the required timeframe as stated by the DOL.

The Employer is in the process of calculating the lost earnings on the late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program, which will be paid from the Employer's assets and not from assets of the Plan.

NOTE 10 – OPERATIONAL DEFECT

During the year ended December 31, 2021 and 2020, it was discovered that the Plan's provisions were not properly applied in the daily operation of the Plan. The definition of compensation for participant contributions as defined per the Plan document was not properly applied when calculating contribution amounts. The Plan Administrator determined the affected participants and will deposit amounts into the Plan as qualified nonelective employer contributions (QNEC) during the year ended December 31, 2022 to make the affected participants and the Plan whole, including interest.

The following is a reconciliation of changes in net assets available for plan benefits per the financial statements at December 31, 2021 and 2020 to the Form 5500:
