Independent Auditor's Report

Plan Administrator
ComNet Communications, LLC Employee Benefit Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of ComNet Communications, LLC Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet[s] the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ComNet Communications, LLC Employee Benefit Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the ComNet Communications, LLC Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) plan established for the benefit of the employees of ComNet Communications, LLC (the Sponsor). The Plan and trust of which it is a part are intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. Reliance Trust Company (the Trustee) serves as trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees of the Sponsor, who are not governed by a collective bargaining agreement, are not leased employees, or are not contract employees, are eligible to participate on the first day of the month following 60 days of employment.

Contributions: Each year, participants may make salary deferral contributions to the Plan through payroll deductions in any whole percentage not less than 1% of pretax annual compensation, as defined in the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of Plan compensation. Auto-enrollment contributions are invested in a designated fund until changed by the participant. The Sponsor makes a discretionary matching contribution of 50% of participants' deferrals up to 8% of the participants' compensation. Participants may rollover amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participants who have attained age 50 before the end of a calendar year may elect to defer additional amounts (called catch-up contributions) to the Plan as of January 1 of that year. The additional amounts may be deferred regardless of any other limitations on the amount that these participants defer to the Plan. The maximum catch-up contribution that can be made in 2021 is \$6,500.

Participant accounts: Each participant's account is credited with the participant's contribution and the Sponsor's discretionary matching contribution. Plan earnings are allocated based on participant account balances, as defined.

Payment of benefits: In-service withdrawals are permitted in the case of demonstrated financial hardship or after attaining age 59½. Upon termination of service, a participant may elect to receive a lump-sum payment or annuity equal to the value of his or her account.

The Plan was amended in February 2020 to no longer suspend participants who have taken hardship withdrawals from making salary deferrals. The amendment was effective for any hardship withdrawal on or after January 1, 2020.

Participants' investment options: Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone or internet access.

Vesting: Participants are immediately vested in their salary deferral contributions plus actual earnings thereon, if any. The portion of the participant's accounts attributable to the Sponsor's matching contributions becomes 100% vested after three years of service.

ComNet Communications, LLC Employee Benefit Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Participant forfeitures: Forfeitures related to unvested employer contributions are used to reduce future employer contributions. Former employees can have this forfeiture reinstated if they start working again for the Sponsor, as long as the break in service does not exceed five years. At December 31, 2021 and 2020, forfeited non-vested participant accounts totaled \$6,860 and \$26,373, respectively. During 2021, forfeitures of \$50,152 were used to reduce employer contributions.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the rate of prime plus 1%. Loan terms range from one to five years, or longer for the purchase of a principal residence. Principal and interest are paid ratably through monthly payroll deductions.

Note 2. Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition: Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation on investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan agreement.

Payment of benefits: Benefits are recorded when paid.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Income taxes: U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

ComNet Communications, LLC Employee Benefit Plan

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Administrative expenses: Trustee fees, asset fees and loan fees are paid by the Plan. Recordkeeping and all other administrative expenses are paid by the Sponsor.

Risks and uncertainties: The Plan provides for various investment options that may invest in equity, fixed income or other investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is possible that participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits could be materially affected in the near term.

COVID-19: To date, neither the Plan nor the Company have experienced a significant adverse impact due to COVID-19. On March 27, 2020, Congress enacted the Coronavirus Aid, Relief and Economic Security Act (CARES Act), which provides for special distribution options and rollover rules for retirement plans and IRAs and expands permissible loans from certain retirement plans. The Plan has elected to adopt many of the provisions allowable under the CARES Act. For eligible participants, these provisions included coronavirus related distributions, increased loan maximums, loan repayment delays and suspended required minimum distributions.

Note 3. Information Certified or Provided by Massachusetts Mutual Life Insurance Company

The following is a summary of the Plan assets as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information provided by Massachusetts Mutual Life Insurance Company (MassMutual), as the recordkeeper of the Plan as agent for the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from MassMutual on behalf of the Trustee that information provided to the Plan Administrator by MassMutual on behalf of the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets:

	December 31	
	2021	2020
Investments at fair value:		
Mutual funds	\$ 27,675,752	\$ 24,133,801
Investment at contract value:		
SAGIC Core Bond Fund	4,149,883	3,798,602
Total investments	<u>\$ 31,825,635</u>	<u>\$ 27,932,403</u>
Notes receivable from participants	<u>\$ 660,753</u>	<u>\$ 749,345</u>

MassMutual also certified to the completeness and accuracy of \$2,224,877 of net appreciation in fair value of investments, \$1,857,204 of dividend income, \$104,328 of interest income on guaranteed investment contracts and \$36,210 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

The FASB ASC provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this guidance are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	\$ 27,675,752	\$ -	\$ -	\$ 27,675,752
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	\$ 24,133,801	\$ -	\$ -	\$ 24,133,801

ComNet Communications, LLC Employee Benefit Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Transfers between levels: The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the ending of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Levels 1, 2 or 3.

Note 5. Investment Contracts With Insurance Companies

The Plan has a general account-backed benefit-responsive stable value contract, the SAGIC Core Bond Fund, which is a Group Annuity Contract Agreement with MassMutual serving as its custodian. Effective January 4, 2021, MassMutual sold its retirement business to Empower Retirement, LLC (Empower). Through this transaction, business written by MassMutual will be reinsured by Great-West Life & Annuity Insurance Company (GWL&A). Additionally, GWFS Equities, Inc., will be the distributor of the MassMutual insurance products sold on Empower's platform. GWFS Equities is a subsidiary of GWL&A and an affiliate of Empower. Empower is not affiliated with MassMutual or its affiliates.

MassMutual maintained the Plan's deposits in a pooled account, to which it added interest at the contract stated rate and deducted participant withdrawals and administrative expenses. Empower has done the same since the transaction. The contract is included in the financial statements at contract value reported to the Plan by MassMutual. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed interest rate was 4.25% at December 31, 2021 and 2020.

As described in Note 2, because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan agreement (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestiture or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

ComNet Communications, LLC Employee Benefit Plan

Notes to Financial Statements

Note 5. Investment Contracts With Insurance Companies (Continued)

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

	2021	2020
	SAGIC Core Bond Fund	SAGIC Core Bond Fund
Average yields:		
Based on actual earnings	2.63%	3.12%
Based on interest rate credited to participants	2.63%	3.12%

Note 6. Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 401(k) of the IRC and, therefore, the trust's net investment loss is exempt from income taxes.

The Plan obtained its latest determination letter on February 20, 2015, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter; therefore, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in benefits accrued to the date of Plan termination.

Note 8. Administrative Expenses

Administrative fees paid by the Plan for the year ended December 31, 2021, totaled \$138,983. The Sponsor has paid all other administrative expenses, such as custodian fees, professional fees and personnel expenses.

Note 9. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and Guaranteed Investment Contracts managed by MassMutual, agent for the Trustee and, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA.

Note 10. Excess Participant Contributions Payable

The Plan failed to pass the Match Plan Limit Test for the 2021 and 2020 plan years. The Plan also failed to pass the Average Deferral Percentage Test (ADP) for the 2020 plan year, with respect to highly compensated employees (HCEs). In order to correct the failure of the tests, federal law generally requires corrective distributions be made no later than the end of the following plan year. The Plan recorded excess contributions payable at December 31, 2021 and 2020, of \$675 and \$10,707, respectively, which were paid in 2022 and 2021, respectively.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
