INDEPENDENT AUDITORS' REPORT

To The Plan Administrator and Participants of
Mygrant Glass Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Mygrant Glass Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 17, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MYGRANT GLASS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Mygrant Glass Company 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan, established effective February 1, 1995, by Mygrant Glass Company, Inc. (the “Company”) to provide retirement benefits for eligible employees. Employees are eligible to participate in the Plan upon reaching 18 years of age and completing one year of continuous service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

Effective April 14, 2020, the Plan implemented the distribution and loan provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES Act”) Act that was signed into law on March 27, 2020. A CARES Act distribution allowed the Plan’s qualified participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on January 1, 2020 and before December 31, 2020. The distribution provision also allowed any Plan participant to suspend required minimum distributions for the 2020 plan year. In addition, the Plan implemented the temporary loan repayment deferral provision and the temporary loan maximum provision of the CARES Act. The deferral provision allowed qualified Plan participants who had outstanding Plan loans on or after March 27, 2020 to defer repayments until December 31, 2020. The loan maximum provision increased the maximum loan available to a qualified participant to the lesser of his or her account balance or \$100,000 for a loan issued through September 22, 2020.

In addition, effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). The Plan’s trustee will incorporate these provisions under which the Plan is currently operating as necessary prior to the December 31, 2025 deadline.

Plan management is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

MYGRANT GLASS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions – Participants may voluntarily contribute up to 75% of their annual compensation to the Plan on a pre-tax basis, subject to certain limits imposed by the IRC. The limit on participant contributions was \$19,500 for the year ended December 31, 2021. Eligible compensation includes salaries and wages, bonuses, overtime, holiday, and sick pay. A participant may change his or her contribution percentage and may suspend contributions at any time. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants reaching 50 years of age or more are allowed to make additional “catch up” contributions up to a maximum of \$6,500 for the year ended December 31, 2021.

Employer Contributions – The Company provides a safe-harbor matching contribution equal to 100% of the first 4% of each participant’s compensation which they elect to contribute to the Plan. The Company may also make discretionary non-elective contributions to the Plan. Such contributions will be allocated to all eligible employees in proportion to the participant’s eligible earnings. The Company made safe-harbor matching contributions amounting to \$1,266,004 in 2021. The Company made no discretionary contributions in 2021.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant’s contributions and the Company’s safe-harbor matching contributions, and allocations of Plan investment earnings or losses, the Company’s discretionary contributions and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their contributions and rollover contributions, as well as the Company safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company’s non-elective contributions is based on years of service, as defined by the Plan. A participant is 100% vested after six years of credited service, according to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 - 2	0%
2 - 3	20%
3 - 4	40%
4 - 5	60%
5 - 6	80%
6 or more	100%

MYGRANT GLASS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Investment Options – The Plan currently offers various investment options including mutual funds, collective trust funds, and a money market fund for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Upon enrollment in the Plan, participants may direct the investment of their accounts among the funds available through the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements. The minimum loan amount is \$500 and the maximum amount is the lesser of one-half of the participant's vested account balance or \$50,000. Loan terms range from one to five years, except in instances where the loan is for the purchase of a primary residence, in which case the repayment period may be extended up to 30 years. Loans are secured by the balance in the participant's account. Interest is charged at a fixed rate determined by the plan administrator at the date of the loan under the loan policy. Principal and interest are paid ratably through payroll deductions and loans must be repaid upon termination of employment.

Payment of Benefits – Upon termination of service due to retirement, financial hardship, disability, death, or other reasons, a participant may receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. If the participant's account is \$1,000 to \$5,000, payment may be made in the form of an automatic rollover into an individual retirement account plan as designated by the plan administrator without the participant's written consent. A balance of less than \$1,000 will be distributed to the participant as a lump-sum payment unless a direct rollover into another qualified benefit plan is requested. Mandatory distributions are generally required to begin no later than April 1st following the later of the end of the year the participant retires or reaches 72 years of age.

Forfeited Accounts – If a participant terminates employment with the Company before becoming fully vested, the unvested portion from the Company's discretionary contributions is forfeited. Forfeited amounts are held in the Plan and may be used to reduce future employer contributions and administrative expenses. Forfeited non-vested accounts as of both December 31, 2021 and 2020, amounted to \$11. For the year ended December 31, 2021, no forfeitures were used to reduce Company matching contributions or administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

MYGRANT GLASS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain expenses paid by the Plan are proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees for investment advisory and recordkeeping services. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the related participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Concentrations – As of December 31, 2021 and 2020, one investment accounted for approximately 36% and two investments accounted for approximately 45% of total investments, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds and Money Market Fund: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Collective Trust Funds: Valued at the NAV of units held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Investments valued using the practical expedient are reported outside of the fair value hierarchy. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require five business days' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value determination that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021

MYGRANT GLASS COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits and the investment information presented in Note 3 as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity and interest income on notes receivable from participants information reflected in the Statement of Changes in Net Assets Available for Benefits as of and for the year ended December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. The Plan adopted a prototype plan offered by ADP, LLC which obtained its latest opinion letter from the Internal Revenue Service on July 8, 2014, which stated that the prototype plan is designed in accordance with the applicable sections of the IRC. The Plan has not filed for a separate determination letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been recorded in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – RELATED PARTY TRANSACTIONS

The Plan's recordkeeper ADP, LLC ("ADP") provides certain administrative services to the Plan pursuant to a service agreement between the Company and ADP. ADP and its affiliates receive revenue from certain investment fund service providers for services provided to the funds. Under this arrangement, this revenue is compensation for a portion of ADP's administrative services to the Plan.

Fees paid directly by the Plan to ADP for recordkeeping services amounted to \$93,715 for the year ended December 31, 2021, and are included in administrative expenses on the accompanying Statement of Changes in Net Assets Available for Benefits.

The Plan also pays directly any other fees related to the Plan's operations, if not paid by the Company.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides participants with various investment options among the funds available through the Plan. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 – SUBSEQUENT EVENTS

Effective January 13, 2022, the Company adopted an amended and restated plan document with substantially the same provisions as the previous plan document. The amended and restated plan document received a favorable opinion letter from the Internal Revenue Service dated October 6, 2020.

The Plan's management evaluated subsequent events through October 12, 2022, which is the date the Plan's financial statements were available to be issued.
