INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Safe Home Security 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Safe Home Security Inc. 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAFE HOME SECURITY INC. 401K PLAN

Notes to Financial Statements

December 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Safe Home Security 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Safe Home Security Inc. 401k Plan is a defined contribution plan established on January, 1, 1998, to provide retirement and other related profit sharing benefits to the employees of Safe Home Security, Inc. (the “Employer”). The Plan was established for the exclusive benefit of participating employees and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and related rules and regulations.

In accordance with Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”), the Plan adopted the following provisions: increased loan limits for participants impacted by COVID-19 (\$100,000 or 50% of participant account balance); provision for COVID-19 related withdrawals up to \$100,000 for participants impacted by COVID-19; suspension of loan repayments due between March 27, 2020 and November 30, 2020 for up to one year for participants impacted by COVID-19; no minimum distribution requirement in 2020; and increased the age for required minimum distributions from 70 ½ to 72 years, and allowed long-term, part-time employees who completed three consecutive 12-month periods, each with at least 500 hours of service to participate in the employee deferral component of the Plan. As of December 31, 2021, the Plan has not been formally amended related to these provisions.

Eligibility

All employees (other than excluded employees) become eligible on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date the employee satisfies the eligibility requirements. The eligibility requirements are that the employee has completed six months of service and has attained the age of 21.

Participant Contributions

Participants may make pre-tax contributions up to 15% of earnings as elective contributions up to the limits prescribed by the Internal Revenue Service (“IRS”). The Plan also allows for participants who are 50 years old or older to make catch-up contributions up to the limits prescribed by the IRS. Participants may modify their contribution percentage effective as of each pay period. Participants are permitted to revoke their election at any time during the Plan year. The modifications will become effective as soon as administratively feasible.

Employer Contributions

The Employer matching contribution equals 25% on the first 6% of the participant's compensation which is deferred as an elective deferral. Matching contributions are determined each payroll period. Non-elective contributions may be contributed at the discretion of the Employer.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as allocations of the Employer non-elective contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100 percent vested in their contributions plus actual earnings thereon. Vesting in the Employer contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is the prime rate as published in The Wall Street Journal on the 14th of each month, plus two percentage points, as defined. Principal and interest is paid ratably through bi-weekly payroll deductions. Participants may have one loan outstanding at any time.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments (at least annually) subject to the minimum distribution rules. For the termination of service for other reasons, a participant may receive the value of the vested amount in his or her account as a lump sum distribution.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$-0-. Forfeitures may be used to reduce Employer contributions or pay for administrative expenses. For the year ended December 31, 2021, \$829 of forfeitures were used to reduce Employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make certain estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisers and Reliance Trust Company ("RTC"), the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has monitored and evaluated any subsequent events for footnote disclosures or adjustments required in its financial statements for the year ended December 31, 2021 through September 28, 2022, the date on which financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective trusts: Valued at the NAV of units of a Common Collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31,:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 589,062	\$ -	\$ -	\$ 589,062
Total investments in the fair value hierarchy	589,062	-	-	589,062
Investments measured at NAV	-	-	-	1,412,631
Total investments, at fair value	<u>\$ 589,062</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,001,693</u>
	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 476,715	\$ -	\$ -	\$ 476,715
Total investments in the fair value hierarchy	476,715	-	-	476,715
Investments measured at NAV	-	-	-	1,091,796
Total investments, at fair value	<u>\$ 476,715</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,568,511</u>

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investment Entities that Use Net Asset Value

The following table present investments measured at fair valued based on NAV per share as a practical expedient as of December 31, 2021 and 2020:

Instrument	Fair Value, December 31, 2021	Fair Value, December 31, 2020	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trusts	\$ 1,412,631	\$ 1,091,796	None	Immediate	None

NOTE 4 - TAX STATUS

The Plan is an Automatic Data Processing, Inc., (“ADP”) prototype plan. The IRS has informed ADP that the form of the prototype plan is acceptable under Section 401(a) of the Internal Revenue Code (“IRC”). The Plan is designed to constitute a qualified tax-exempt plan under section 401(a) of the IRC. Although the Plan has been amended since ADP received the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

RTC performs certain administrative functions for the Plan’s investments. RTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan also pays certain expenses related to Plan operations to various service providers. These transactions are party-in-interest transactions under ERISA. Fees paid by the Plan to the trustee and other service providers for Plan operations amounted to \$785 for the year ended December 31, 2021.

The Plan provides for participant loans. Transactions in such investments qualify as party-in-interest transactions as defined by ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100 percent vested in their Employer contributions.

NOTE 7 - CERTIFIED INFORMATION

Certain information related to investments, at fair value and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including total investments, at fair value and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by RTC.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of pooled accounts of mutual funds with various investment objectives. Investment funds, including mutual funds, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment funds, it is at least reasonably possible that changes in the values of investment funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.
