PAWS Chicago 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of PAWS Chicago 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of PAWS Chicago 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of PAWS Chicago 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform, and we did not perform, any audit procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PAWS CHICAGO 401(k) PLANNOTES TO FINANCIAL STATEMENTS

Note 1 – Plan Description

The following description of the PAWS Chicago ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company (Employer) who have completed three months of service after reaching age 21. Effective June 1, 2020 the Plan no longer requires three months of service before an employee becomes eligible to enroll. A participant is eligible to enroll after reaching age 21.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan has been terminated as of December 31, 2021. See Note 6.

Contributions

Each year, participants may elect to make pretax salary contributions up to the maximum allowed under the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make an employer profit sharing contribution in an amount determined solely at its discretion. The Company may also make qualified non-elective contributions and matching contributions in an amount as determined by the Company. In no event are the total contributions to exceed the maximum allowable under the provisions of the IRC.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) Plan earnings (losses), (b) the Company's contribution (if any), and (c) may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, contributions, and account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after one year of credited service; prior to one year, a participant is nonvested.

Investment Options

Upon enrollment in the Plan, a participant may currently direct employee contributions in any of the investments offered by the Plan. Participants may change their investment options quarterly.

PAWS CHICAGO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Plan Description (Continued)

Notes Receivables from Participants

Participants may borrow funds from their account upon approval of the plan administrator. Participants may have no more than two loans outstanding at any time. The minimum amount a participant can borrow is \$500, and the maximum amount is \$50,000 or 50 percent of their vested account balance, whichever is less, reduced by the highest outstanding loan balance the participant had under the Plan during the previous 12-month period. Loans are secured by the balance in the participant's vested account, bear interest at the prime rate plus 2%, and must be repaid within five years unless the loan qualifies as a home loan. The repayment term for a loan used to purchase a primary residence may not exceed thirty years. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan's provisions also provide for in-service withdrawals in the event of financial hardships as defined by the plan.

Forfeited Accounts

There were no forfeited nonvested accounts as of December 31, 2021 or 2020.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

PAWS CHICAGO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 – Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

Management has evaluated subsequent events through September 20, 2022, the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used a December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

PAWS CHICAGO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3 – Fair Value Measurements (Continued)

Common/Collective Trusts – Valued based on the NAV of units (or equivalents). The NAV, as provided by the trustee and investment manager is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV.

The following table presents the fair values of investments.

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2021</u>		
Mutual funds	\$ 584,944	\$584,944

Total investments in the fair value hierarchy	440,431	\$440,431
Investments measured at net asset value	<u>574,883</u>	
Total	<u>\$1,015,314</u>	

In accordance with Accounting Standards Update 2015-07, Fair Value Measurement (Topic 820): *Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the statement of net assets available for benefits.

Gains and losses (realized or unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

Certain investments reported above determine fair value using a calculated net asset value per share, or its equivalent. The following table discloses the fair value and redemption frequency for those assets as of December 31, 2021 and 2020.

PAWS CHICAGO 401(k) PLAN

<i><u>December 31, 2020</u></i>				
Common/collective trusts	<u>\$574,883</u>	\$ -	Daily	15 days

Common/collective trusts include privately managed accounts through Reliance Trust Company. The underlying investments of the trusts are fixed income and equity securities.

Note 4 – Excess Contributions Payable

There were no significant excess contributions at December 31, 2021 or 2020.

Note 5 – Related Party Transactions

The Employer pays certain administrative expenses and professional fees which are not material to the financial statements.

The Plan issues loans to participants which are secured by the vested balance in the participant's accounts. Certain administrative expenses related to the Plan were paid by the Company. These transactions qualify as party-in-interest transactions. Employees of the Company provide administrative services to the Plan for which no fee is charged.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As of December 31, 2021, the Plan has been terminated and the Company has opened a new 403(b) Plan. The participants have become 100 percent vested in their accounts. The assets of the 401k Plan began being transferred to the 403(b) Plan as of 1/1/2022 and is still in process as of the audit report date of September 20, 2022.

Note 7 – Tax Status

Effective October 1, 2010, the Plan was amended as a Prototype Non-standardized Profit-Sharing Plan with CODA sponsored by the trustee and adopted by the Plan. The Prototype Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service (IRS) stated that the Prototype Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not requested its own determination letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

PAWS CHICAGO 401(k) PLANNOTES TO FINANCIAL STATEMENTS

Note 8 – Information Certified by Trustees

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, *Reliance Trust Company* has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- The fair value of the investments presented in Note 3 as of December 31, 2021 and 2020, the Supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and the related investment activity reflected on the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment income (loss), as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. The investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that changes could materially affect the amounts reported in the statement of net assets available for benefits and individual participant account balances.

On January 30, 2020, the World Health Organization (WHO) declared the novel coronavirus outbreak (COVID-19) a public health emergency. In March 2020, the WHO classified the outbreak as a pandemic based on the rapid increase in exposure globally. As of the date of this report, the full impact of the outbreak on the Plan continues to evolve, as is the duration and severity that the Plan Sponsor may experience. The financial impact and duration cannot be reasonably estimated by Plan management at this time.
