Independent Auditor's Report

To the Plan Administrator of
ABA Programming Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of ABA Programming Inc. 401(k) Profit Sharing Plan & Trust, an Indiana employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and December 31, 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ABA Programming Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2021 and December 31, 2020, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABA Programming Inc. 401(k) Profit Sharing Plan & Trust to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABA Programming Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABA Programming Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABA Programming Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2021 and December 31, 2020

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies followed by ABA Programming Inc. 401(k) Profit Sharing Plan & Trust (Plan) are listed below:

(a) **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

(b) **Investment Valuation and Income Recognition**

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) **Risks and Uncertainties**

The Plan provides for certain investment options. Investment securities are exposed to various risks, such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

(d) **Payment of Benefits**

Benefits are recorded when paid.

(e) **Administrative Expenses**

Administrative expenses may be paid by the Employer or the Plan, at the Employer's discretion.

(f) **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(g) **Reclassifications**

Certain reclassifications were made to the December 31, 2020 financial statements in order to conform with the December 31, 2021 financial statement presentation.

(h) **Subsequent Events**

Management has evaluated subsequent events through September 20, 2022, the date that the financial statements were available to be issued.

Note 2: PLAN DESCRIPTION

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) **General**

The Plan is a defined contribution plan covering all employees (as defined by the plan document) of the Company, with a three-month service requirement and an age requirement of twenty-one years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) **Contributions**

Employee contributions to the Plan are based on salary deferral percentages as set forth in the Plan document up to the federal maximum dollar amount. The Plan has automatic enrollment of 6% of deferrals for eligible participants. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. For the years ended December 31, 2021 and December 31, 2020, contributions to the Plan by the Company were provided by match equal to 100% of the first 1% of deferrals, then 50% of the next 2% to 6% deferred for a maximum of 3.5% employer contribution for all eligible Plan participants' compensation. Effective January 1, 2018, the Plan removed its safe harbor match contribution and instead instated a nonelective match contribution. A discretionary profit-sharing contribution may be determined annually by the employer. As of December 31, 2021 and December 31, 2020, the Company has not elected to make a discretionary profit sharing contribution. Any contributions received after December 31 that represents a prior year transaction are recorded as a receivable to the Plan.

(c) **Participant Accounts**

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings and is charged with an allocation of any administrative expense. Allocations are based on participant earnings or account balances, as defined in the Plan document.

(d) **Vesting**

Participants are immediately vested in their voluntary contributions and the employer safe harbor contributions made to their accounts and the earnings thereon. A participant becomes vested in the employer profit sharing contributions in 20% increments starting after two years of service and becomes 100% vested after six years of service.

(e) **Investment Options**

Upon enrollment in the Plan, a participant may direct employee and employer contributions in accordance with procedures established by the Plan administrator. Participants may then invest any portion of their account in specific assets or funds as permitted by the investment procedures.

(f) **Forfeited Accounts**

At December 31, 2021 and December 31, 2020, forfeited non-vested account balances were \$5,971 and \$2,420. For the years ended December 31, 2021 and December 31, 2020, forfeited non-vested employer contributions were used to reduce employer contributions, which amounted to \$60,597 and \$86,070, respectively.

Notes to Financial Statements

December 31, 2021 and December 31, 2020

Note 2: PLAN DESCRIPTION (continued)

(g) **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant will become fully-vested and will receive an amount equal to the value of the participant's interest in his or her account in a lump-sum amount. Hardship withdrawals are permitted under the Plan.

In April 2020, the Plan implemented changes related to the Coronavirus Aid, Relief, and Economic Security Act (CARES), which provides relief to individuals impacted by the COVID-19 crisis. New features available to Plan participants (subject to certain restrictions) included:

- Coronavirus related distributions up to \$100,000, with no mandatory 20% federal tax withholding and the 10% early withdrawal penalty was waived. The participant can repay the amount of the distribution as a rollover within three years and can pay taxes pro-rata over a three-year period.
- Required minimum distributions were waived for 2020.

(h) **Notes Receivable from Participants**

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. However, the \$50,000 amount in the preceding sentence is reduced by the highest outstanding loan balance you had under the Plan during the previous one-year period. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate commensurate with local prevailing rates as determined by the Plan administrator. Interest income from participant loans was \$2,090 and \$1,897 for the years ended December 31, 2021 and December 31, 2020, respectively.

In April 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act (CARES) provisions for loan relief to 1) delay certain required loan repayments for one year, and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued through September 23, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

(i) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts.

Note 3: INVESTMENTS

Investments held by the Plan were as follows at December 31, 2021 and December 31, 2020:

	December 31, 2021	December 31, 2020
<u>Investments at fair value:</u>		
Mutual funds	\$ 3,703,796	\$ 2,736,678
Common collective trust funds	<u>131,880</u>	<u>171,767</u>
Totals	<u>\$ 3,835,676</u>	<u>\$ 2,908,445</u>

During the years ended December 31, 2021 and December 31, 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held, during the year) appreciated by \$229,267 and \$296,129, respectively.

Interest and dividends reported by the Trustee for the years ended December 31, 2021 and December 31, 2020, were \$235,485 and \$116,188, respectively.

Note 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation of other means.

If the assets or liabilities have a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ABA Programming Inc. 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

December 31, 2021 and December 31, 2020

Note 4: FAIR VALUE MEASUREMENTS (continued)

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. Transfers between levels are deemed to have occurred at the beginning of the year.

Common collective trust funds: Valued based on calculating a unit value on the net assets of the underlying portfolio of securities, as reported by the manager of the fund. The net asset value is used as the practical expedient to estimate fair value.

Mutual funds: All investments are valued at the closing price reported in the active market in which the individual security is traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,703,796	\$ -	\$ -	\$ 3,703,796
Total assets in the fair value hierarchy	3,703,796	-	-	3,703,796
Investments measured at net asset value*:				
Common collective trust funds	-	-	-	131,880
Total assets at fair value	\$ 3,703,796	\$ -	\$ -	\$ 3,835,676

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,736,678	\$ -	\$ -	\$ 2,736,678
Total assets in the fair value hierarchy	2,736,678	-	-	2,736,678
Investments measured at net asset value*:				
Common collective trust funds	-	-	-	171,767
Total assets at fair value	\$ 2,736,678	\$ -	\$ -	\$ 2,908,445

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(a) *Invesco Stable Asset Trust* - The trust was established for purposes of collectively investing and reinvesting assets of eligible pension and profit sharing trusts and other eligible entities. Participant units are issued and redeemed based upon the net asset value per unit of the trust at contract value, as of the trust's valuation date last preceding the date on which such orders to issue or redeem units are received.

(b) *State Street Index Lending Series Funds* - The funds seek investment returns that approximate as closely as practicable, before expenses, the performance of their entitled indices over the long term, while providing participants the ability to purchase and redeem units on an "as of" basis. The per unit net asset value of each Class is determined each business day. Issuances and redemptions of Class units may be made on such days, based upon the net asset value per unit as of the Class' valuation date last preceding the date on which such order to contribute or redeem assets is received. The trustee of the funds, in its sole discretion, reserves the right to value any contribution or redemption as of the next succeeding valuation date or another date as the trustee deems appropriate.

Note 5: TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated July 8, 2014, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related Trust is tax-exempt.

Notes to Financial Statements

December 31, 2021 and December 31, 2020

Note 5: TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations by the taxing authorities for a period of three years from the date the tax returns are filed.

Note 6: PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. All professional fees for the administration and audit of the Plan are paid by the Plan or company. Fees paid by the Plan during the years ended December 31, 2021 and December 31, 2020 for services rendered by parties-in-interest, as defined by ERISA, were based on contractual and reasonable rates for the services.

The Plan held notes receivable from participants totaling \$26,792 and \$29,159 at December 31, 2021 and December 31, 2020, respectively, which qualify as party-in-interest transactions. Loans in default totaled \$514 and \$5,412 for the years ended December 31, 2021 and December 31, 2020, respectively.

Note 7: INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, Note 3, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) at December 31, 2021; and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and December 31, 2020.

To the Board of Directors and Plan Administrator of
ABA Programming Inc. 401(k) Profit Sharing Plan & Trust
7901 East 88th Street
Indianapolis, Indiana 46256

We are pleased to confirm our understanding of the services we are to provide for ABA Programming Inc. 401(k) Profit Sharing Plan & Trust ("the Plan") for the year ended December 31, 2021 in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974 (ERISA).

Audit Scope and Objectives

Except as described below, we will audit the financial statements of ABA Programming Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively, the "financial statements"), and report on the supplemental schedules of the Plan for the year ended December 31, 2021. The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures:

- 1) Assets (Held at December 31, 2021) and Assets (Acquired and Disposed of Within 2021).
- 2) Loans or Fixed Income Obligations in Default or Classified as Uncollectible.
- 3) Leases in Default or Classified as Uncollectible.
- 4) Reportable Transactions.
- 5) Nonexempt Transactions.
- 6) Delinquent Participant Contributions.

These financial statements and supplemental schedules are required to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL).

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the Custodian, which is a bank or similar institution or insurance carrier that is regulated,

supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 20 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described above, we will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Plan and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risk(s) of material misstatement as part of our audit planning:

- 1) Management override of controls.
- 2) Improper revenue recognition due to fraud.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments and certain other assets and liabilities by correspondence with financial institutions and other third parties. We will also request written representations from your attorneys as part of the engagement.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Other Services

We will prepare the financial statements of the Plan in conformity with U.S. generally accepted accounting principles based on information provided by you and propose journal entries (including cash to accrual entries needed) relating to these financial statements. We will also complete the valuation and disclosure of the Plan's investments, including the methodology and leveling in relation to the Plan's investments. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America. You are also responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence. You are also responsible for maintaining a current plan instrument, including all plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. You are also responsible for providing to us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. You are responsible for the fair presentation of the supplemental schedules and the form and content of the supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for the required schedules, the preparation of the financial statements, proposed journal entries, the valuation and disclosure of the Plan's investments, and any other non-attest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your personnel will prepare all schedules, analyses, and confirmations we request and will locate any invoices or other documents selected by us for testing.

The audit documentation for this engagement is the property of L.M. Henderson & Company, LLP and constitutes confidential information. However, we may be requested to make certain audit documentation available to the U.S. Department of Labor pursuant to authority given to it by law. If requested, access to such audit documentation will be provided under the supervision of L.M. Henderson & Company, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the U.S. Department of Labor. The U.S. Department of Labor may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Michelle L. Zimmerman is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. As you have requested, our engagement does not include preparation of the Plan's Form 5500.

The AICPA's Audit and Accounting Guide, *Employee Benefit Plans*, requires that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the supplemental schedules) or any material misstatement of fact. We will, therefore, not issue our auditor's report until the completed Form 5500 has been provided for our review.

We estimate that our fees for the audit will not exceed \$8,100. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to the Board of Directors and Plan Administrator of ABA Programming Inc. 401(k) Profit Sharing Plan & Trust. Circumstances may arise in which our report may differ from its expected form and content based on the results of our

audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Very truly yours,

L.M. Henderson & Company, LLP
