To the Plan Administrator
UJet Inc 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of UJet Inc 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of UJet Inc 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UJet Inc 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UJet Inc 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UJet Inc 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at end of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the

financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on 2020 Financial Statement

Management is responsible for the accompanying statement of net assets available for benefits of UJet Inc 401K Plan as of December 31, 2020, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on this financial statement.

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the UJet Inc 401K Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees. The Plan is subject to the provisions of ERISA. All regular full-time and part-time employees of UJet Inc (Plan Sponsor) are immediately eligible to participate in the Plan.

Contributions

Each year participants may contribute a minimum of 1% and a maximum of 90% of their compensation to the Plan not to exceed the maximum allowable IRC 402(g) limit of $19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. Roth elective deferrals are permitted under the Plan.

The company may contribute a discretionary match. The maximum IRC 415 limit for total contributions made on behalf of a participant (deferrals and employer contributions) is $58,000 for Plan year 2021. Catch-up contributions can be made in excess of this limit.

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds as options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that were paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Vesting

Participants are vested immediately in their plus actual earnings thereon. Vesting in employer discretionary match is based on a 4-year graded schedule as such:

Vesting Schedule Matching Contributions	
Years of Service	Percentage
1	25%
2	50
3	75%
4	100%

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan must bear a reasonable amount of interest. There were no loans for plan year 2021 and 2020. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, substantially equal installments, or partial withdrawals.

The distributable amount is equal to the value of the participant’s vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions. In service withdrawals are permitted at age 59 ½ and for hardship.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled $0 and $0 respectively. These accounts will be used to reduce future employer contributions and administrative expenses. In 2021, employer contributions were reduced by $0 from forfeited non-vested accounts.

Coronavirus Aid, Relief and Economic Security Act (the "CARES Act")

The COVID-19 outbreak, which was declared a "pandemic" by the World Health Organization in March 2020, has resulted in significant volatility in the global economy. The extent to which developments related to the COVID-19 pandemic and measures designed to curb its spread continue to impact Plan participants' account balances and the Plan's net assets available for benefits will depend on future developments, all of which are highly uncertain and many of which are beyond the control of the Company, in its capacity as Plan Administrator. Such future developments include the continuing spread of COVID-19, the severity of resurgences of COVID-19 caused by variant strains of the virus, the effectiveness of vaccines and attitudes toward receiving them, the scope of governmental and other restrictions on travel, discretionary services and other activity, and public reactions to these developments.

On March 27, 2020, the CARES Act was signed into law. Through December 31, 2020, the CARES Act provided opportunities for temporary relief to qualified retirement plans and their participants to support companies affected by the COVID-19 pandemic and their employees. All provisions provided under the CARES Act (including the temporary suspension of loan payments and the ability of Plan participants to borrow from their accounts at lower interest rates than in prior periods) were made available to the participants of the Plan and expired on or about December 31, 2020.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 or 2020.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation (depreciation) of the fair value of investments.

Subsequent Events

The plan has evaluated subsequent events through October 7, 2022 the date of the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends , and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan) as follows:

	2021	2020
Statement of net assets available for benefits:		
Investments at fair value	$ 3,563,581	$ 2,387,219
Statement of changes in net assets available for benefits:		
Investment income:		
Interest and dividends	123,735	
Net appreciation/ (depreciation) in fair value of investments		
Registered Investment Companies	325,680	

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

Level 1	*Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.*
Level 2	*Inputs to the valuation methodology include* • *quoted prices for similar assets or liabilities in active markets;* • *quoted prices for similar assets or liabilities in inactive markets;* • *inputs other than quoted prices that are observable for the asset or liability;* • *inputs that are derived principally from or corroborated by observable market data by correlation or other means.* *If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.*
Level 3	*Inputs to the valuation methodology are unobservable and significant to the fair value measurement.*

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish at their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	Asset at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	$ 3,563,581	$ -	$ -	$ 3,563,581
Total asset at fair value	$ 3,563,581	$ -	$ -	$ 3,563,581

	Asset at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	$ 2,387,219	$ -	$ -	$ 2,387,219
Total asset at fair value	$ 2,387,219	$ -	$ -	$ 2,387,219

NOTE 5. NONPARTICIPANTS-DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2021 and 2020.

NOTE 6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Reliance Trust Company. Reliance Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions. ADP is the administrator and record keeper for the Plan and provides other plan related services such as required testing for compliance and annual tax return preparation The Plan also made direct payments to third party administrators of $2,640. The Plan Sponsor pays directly any other fees related to the plan's operations. The Plan Trustee receives fees from administration and investment management.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the rights under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100 percent vested in their employer contributions.

NOTE 8. TAX STATUS

The IRS has determined and informed the Company by letter October 6, 2020 in which the Internal Service stated that the Plan, is designed, in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified and tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to Schedule H of Form 5500 at December 31:

	2021	Unaudited 2020
