INDEPENDENT AUDITORS' REPORT

The Trustees
Skyline Windows, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Skyline Windows, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Skyline Windows, LLC 401(k) Profit Sharing Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated November 24, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SKYLINE WINDOWS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan

The following description of the Skyline Windows, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all non-union employees of Skyline Windows, LLC (the Company) who are age 18 or older, and completed two months of service. The Company controls and manages the operation and administration of the Plan. Reliance Trust Company (Reliance) serves as the custodian of the Plan, with Automatic Data Processing, Inc. (ADP) executing the plan transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All eligible employees are enrolled at 3%, unless they request to opt out.

(b) Contributions

Each year, participants may contribute up to 80 percent of their pretax annual compensation as defined in the Plan, provided that such contributions do not exceed the maximum allowable contribution limit established by the Internal Revenue Service (IRS). For 2021, the IRS maximum allowable contribution limit was \$19,500; or if over the age of 50, \$26,000. The Company contributes to the plan on behalf of each participant who is eligible to share in matching contributions for the Plan year, a discretionary matching contribution equal to 40% of a participants elective deferral, not to exceed 5% of compensation. On March 25, 2020, the Company indefinitely suspended the match.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants become 20 percent vested in the remainder of their accounts after two years of continuous service, 40 percent after three years of continuous service, 60 percent after four years of continuous service, 80 percent after five years of continuous service and 100 percent after six years of continuous service.

(1) Description of Plan, Continued

(e) Notes Receivable From Participants

Participants may borrow from their individual accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. In general, loan terms may not exceed five years, except for loans used to acquire a principal residence, in which case the Plan administrator may permit a longer repayment term. The loans are collateralized by the vested balance in the participant's account and bear interest rates of prime plus 1%. Principal and interest is paid ratably through payroll deductions. For the year ended December 31, 2020, the provisions of the CARES Act allowed for enhanced features, including adjusting loan limits and repayment schedules.

(f) Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or installments over a period of not more than his or her assumed life expectancy (or the participant's and beneficiary's assumed life expectancy) determined at the time of distribution. The participant may also withdraw hardship distributions for various reasons. For the year ended December 31, 2020, participants who had been impacted by the COVID-19 virus, and otherwise may not have been eligible for a distribution under the terms of the Plan, were able to request a Coronavirus-Related Distribution under the provisions of the CARES Act.

(g) Forfeited Accounts

Forfeitures of non-vested accounts will be used to reduce future employer matching contributions. Forfeitures in 2021 and 2020 amounted to \$6,121 and \$14,154, respectively. Forfeitures available for future use at December 31, 2021 and 2020 amounted to \$20,593 and \$14,154, respectively.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

SKYLINE WINDOWS, LLC 401(K) PLAN

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(c) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes both the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(e) Payment of Benefits

Benefits paid to participants are recorded when paid.

(f) Operating Expenses

Administrative expenses of the Plan not related to investments have been absorbed by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits.

(g) Subsequent Events

The management of the Plan has evaluated subsequent events through the date of the report which is the date the financial statements were available to be issued.

SKYLINE WINDOWS, LLC 401(K) PLAN

Notes to Financial Statements, Continued

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

- Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SKYLINE WINDOWS, LLC 401(K) PLAN

Notes to Financial Statements, Continued

(3) Fair Value Measurements, Continued

- Common Collective Trust - Valued at the NAV of shares held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>11,543,404</u>	<u>-</u>	<u>-</u>	11,543,404
Investments measured at net asset value (a)				<u>2,794,840</u>
				\$ <u>14,338,244</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>11,315,591</u>	<u>-</u>	<u>-</u>	11,315,591
Investments measured at net asset value (a)				<u>2,764,717</u>
				\$ <u>14,080,308</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share as of December 31, 2021 and 2020, respectively:

<u>Description</u>	<u>Fair value at December 31, 2021</u>	<u>Fair value at December 31, 2020</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trusts	\$ <u>2,794,840</u>	<u>2,764,717</u>	Daily	12 months

There were no unfunded commitments related to the common collective trusts as of December 31, 2021 and 2020.

SKYLINE WINDOWS, LLC 401(K) PLAN

Notes to Financial Statements, Continued

(4) Financial Certification

The financial information relating to the Plan's assets at December 31, 2021 and 2020, as well as investment income and investment transactions for the years then ended, have been derived from information provided by Reliance, and have been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certifications and has not been audited by independent auditors.

	<u>2021</u>	<u>2020</u>
Investments, at fair value		
Mutual funds	\$ 11,543,404	11,315,591
Common collective trusts	<u>2,794,840</u>	<u>2,764,717</u>
Total investments	\$ <u>14,338,244</u>	<u>14,080,308</u>
Notes receivable from participants	\$ <u>224,387</u>	<u>257,948</u>
Investment income, including interest, dividends and net appreciation in fair value of investments	\$ <u>2,095,258</u>	<u>2,130,346</u>

(5) Party-In-Interest Transactions

Investments include a common collective trust managed by Reliance, who is also the custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest. Notes receivable from participants are also considered party-in-interest transactions.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of the participants shall immediately be fully vested and nonforfeitable.

(7) Tax Status

The IRS has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

SKYLINE WINDOWS, LLC 401(K) PLAN

Notes to Financial Statements, Continued

(7) Tax Status, Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS or the Department of Labor (DOL). The Plan is subject to routine audits by taxing jurisdictions and the DOL; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The United States is presently in the midst of a national health emergency related to the COVID-19 virus. The overall consequences on a national, regional and local level are unknown, but have the potential to result in a significant economic impact. The impact of this situation on the Plan and its future results and financial position is not presently determinable.

(9) Reconciliation of Financial Statements to U.S. Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the U.S. Form 5500 at December 31, 2020:

Net assets available for benefits per the financial statements	\$ 14,311,971
Add - excess contributions payable	26,285
Less - participant loan interest adjustment	<u>(286)</u>
Net assets available for benefits per the U.S. Form 5500	\$ <u>14,337,970</u>

The following is a reconciliation of the net change in net assets per the financial statements to the U.S. Form 5500 for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
