Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Buddeez, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in the "Information Certified by the Plan Trustee" footnote to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section below:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting. The modified cash basis of accounting is a comprehensive basis of accounting other than generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section below. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements" section above, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of "Schedule H, Line 4i – Schedule of Assets (Held at End of Year) (Modified Cash Basis)" as of December 31, 2021 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements or supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BUDDEEZ, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of Buddeez, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution 401(k) plan covering all full-time employees sponsored by Buddeez, Inc. (the Company) who are at least 21 years of age and completed nine consecutive months of service and are not members of a collective bargaining unit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants are permitted to contribute either pre-tax or after-tax (Roth) deferrals through payroll deductions subject to certain maximum limitations imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to the maximum limit imposed by the IRC. All employee contributions are immediately 100% vested plus actual earnings thereon. The Plan provides for rollover contributions to the Plan, which is always 100% vested and non-forfeitable. The Company elected to make a discretionary matching contribution based on a percentage to be determined on a uniform basis among the Plan participants. The maximum amount of the discretionary matching contribution on behalf of participants not to exceed \$1,800 for 2021.

The Plan provides for the Company to make profit-sharing contributions at the discretion of the Board of Directors. If the Company decides to make a profit-sharing contribution, all full-time employees who have completed 1,000 hours of service during the Plan year and are still employed at the end of the year will receive a portion of this contribution. The contribution is allocated to the participant accounts based on the employee's compensation as a percentage of all participant's compensation. There were no profit-sharing contributions for 2021.

Participants Accounts:

Individual accounts are maintained for each Plan Participant. Each participant's account is credited with the participant's contribution, applicable elective contributions, allocations of applicable profit-sharing contributions and Plan investment earnings and charged with withdrawals and an allocation of Plan investment losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are calculated at current prime rate plus 1% at the time of the application. Principal and interest are paid ratably through payroll deductions.

Investment Options:

Participants direct the investment of their contributions into various investment options offered by the Plan through Reliance Trust Company (Plan Trustee). Participants may change their investment options at any time throughout the year via internet or direct phone access via the recordkeeping system.

BUDDEEZ, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (CONT.):

Payment of Benefits:

Distributions are made to participants upon retirement, termination of employment, or total and permanent disability. In the case of death, distributions are made to the participant's beneficiary.

Forfeited Accounts

Forfeited amounts are allowed by the Plan to be used to reduce employer contributions and pay administrative expenses for the Plan. At December 31, 2021, forfeited non-vested accounts totaled \$4,591 of which \$2,296 was used to reduce employer contributions. At December 31, 2020, forfeited non-vested accounts totaled \$1,137 of which \$569 was used to reduce employer contributions.

Plan Termination:

Although it has not expressed any interest to do so, the Company has the right under the Plan to terminate the Plan at any time. In the event of termination, the account of each participant shall be fully vested and non-forfeitable as of the effective date of complete termination of the Plan and each participant's contribution account shall be distributed to the participant.

Plan Amendments:

The Plan was amended effective as of January 1, 2020, to modify the eligibility conditions to reflect 9 months of service. The previous eligibility requirement was 12 consecutive months of service during which at least 1,000 hours of service was completed.

The Plan was amended effective January 1, 2021, to modify the maximum discretionary matching contribution made on behalf of any participant for any Plan year to not exceed \$1,800.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements of the Plan have been prepared on the modified cash basis of accounting. The modified cash basis of accounting is a comprehensive basis of accounting other than generally accepted accounting principles. This basis of accounting differs from GAAP in that, contributions are recorded when received and expenses when paid instead of when they are receivable or payable, respectively. This creates a timing difference in the valuation of benefits payable to participants between the time the contributions are withheld from the employee's paychecks until the time they are deposited into the Plan.

Investment Valuation and Income Recognition:

Assets of the Plan at December 31, 2021 are maintained in Registered Investment Companies (mutual funds) with Reliance Trust Company. The Plan's investments are carried at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices that represent the net asset of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payments of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Certain expenses incurred in the administration of the Plan are paid directly by the Company. The Plan incurred \$4,060 and \$2,363 of administrative expenses for the years ended December 31, 2021 and 2020, respectively. Refer to Note 4 – Party-In-Interest Transactions below for further information.

BUDDEEZ, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.):

Estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the trustees to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Accordingly, actual results may differ from those estimates.

NOTE 3 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated July 16, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, is exempt from Federal income taxes.

Accounting principles generally accepted in the United States of America and the modified cash basis of accounting require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The Plan Administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company maintains the investments and executes investment transactions and allocations. They receive fees for these services. There are no transactions within this process that qualify as party-in-interest transactions.

ADP, Inc. handles all administrative and record keeping duties of the Plan. They receive fees for these administrative services. There are no transactions within this process that qualify as party-in-interest transactions.

As disclosed in Note 2 – Summary of Significant Accounting Policies – *Administrative Expenses* above, certain expenses incurred in the administration of the Plan are paid directly by the Company. These transactions qualify as party-in-interest transactions as defined by ERISA.

NOTE 5 – FAIR VALUE MEASUREMENTS

Included in the financial statements are certain financial instruments carried at fair value. The fair value of an asset is the amount at which the asset could be bought or sold in a current transaction between willing parties, that is, other than in a forced liquidation sale. The fair value of a liability is the amount at which that liability could be incurred or settled in a current transaction between willing parties, that is, other than in a forced or liquidation sale. Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC 820), *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

BUDDEEZ, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market rates and volatilities, spreads, and yield curves. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Plan's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund to reflect the current market price of the fund's securities. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common / Collective Trusts (CCTs): Valued at the respective net asset values (NAV) as reported by such trusts/funds. The value of each unit is determined by subtracting total liabilities from the total value of the assets, including accrued income, and dividing the amount remaining by the number of units outstanding on the valuation date. There are no restrictions as to the redemption of these investments nor does the Plan have any contractual obligations to further invest in any of these funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The below unaudited information included in the accompanying financial statements as of December 31, 2021 and 2020, and the supplemental schedule is obtained from data that has been prepared and certified by the Trustee. The unaudited information is certified as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BUDDEEZ, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments as of December 31, 2021				
Mutual Funds	\$ 1,318,165			\$ 1,318,165

Investments measured at net asset value	42,065			42,065
Total Investments	\$ 1,145,450			\$ 1,145,450

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment funds. Investment funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment funds, it is at least reasonably possible that changes in the values of investment funds will occur in the near term that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – SUBSEQUENT EVENTS

The Company has evaluated subsequent events for potential recognition and disclosure through October 13, 2022, the date the financial statements were issued. No significant events necessitating recognition or disclosure were noted.
