To the Board of Trustees
GCR Acquisition Company, LLC DBA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 12 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GCR ACQUISITION COMPANY, LLC
DBA CIVIX 401(K) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN:

The following description of the GCR Acquisition Company, LLC DBA Civix 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. This Plan is intended to be a qualified retirement plan under Internal Revenue Code Section 401. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General:

The Plan was adopted effective February 2, 1980.

The Plan was restated effective January 1, 2017. The restatement merged the PCC Technology 401K and the Quest Information System, Inc. Profit Sharing and Salary Deferral Plan into this Plan. Additionally, the Plan named Principal Trust Company as the Trustee of the Plan effective January 1, 2017.

Effective April 1, 2021, the Plan was restated to adopt the Automatic Data Processing Defined Contribution Plan Non-Standardized 401(k) Profit Sharing Plan and change the Trustee to Reliance Trust Company. On October 12, 2021, the Plan was amended to implement the hardship distribution provisions of the Bipartisan Budget Act of 2018.

Eligibility:

The Plan has no age requirement. To be eligible for employer contributions, employees must have one month of service and no minimum hours of service. Prior to April 1, 2021, employees must have six months of service and no minimum hours of service. Employees may participate in the Plan and begin making contributions on the 1st of the month after thirty days of employment.

Contributions:

Salary deferral contributions may be made by each participant who elects to defer a percentage, up to 90% of each year’s compensation, subject to the limitations prescribed by law. Salary deferral contributions prior to April 1, 2021 were limited to 60% of each year’s compensation. The limitations include a dollar maximum amount which was \$19,500 in 2021 and 2020. Those participants who are age 50 or older by the end of the calendar year were eligible to make a catch-up contribution of up to \$6,500 for each year.

The employer makes discretionary matching employer contributions to the Plan on behalf of each eligible participant in an amount equal to 2.50% of the eligible contributions made by each eligible participant during the contribution period. The discretionary matching employer contribution rate was 5.00% prior to April 1, 2021. Additional profit-sharing amounts may be contributed at the option of the Employer.

1. DESCRIPTION OF PLAN: (Continued)

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of the Company's matching contribution and Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer match contributions and non-elective profit sharing contributions are vested at 100% upon entry into the Plan effective April 1, 2021. Prior to April 1, 2021, the Plan used a graduated vesting schedule in which participants are fully vested after three years of service.

Notes Receivable:

Participants may borrow from their fund accounts a maximum of the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates between 4.25% and 7.75%, which follows local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through bi-monthly payroll deductions. Prior to April 1, 2021, the loan approval process was performed online between the participant and Plan Trustee. Effective April 1, 2021, participant loans must be approved by the plan administrator.

Payment of Benefits (Distributions):

The normal retirement age under the Plan is 55. Disability retirement benefits are also allowed under the Plan. Prior to termination of employment at age 59½, participants are allowed to receive an "in-service" distribution of all or any portion of their vested accounts. Effective October 15, 2015, E-Certified hardship withdrawals were permitted under the Plan.

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures:

Any forfeiture occurring during a Plan year shall be applied to employer contributions and to the administrative cost of the Plan.

At December 31, 2021 and 2020, there were no forfeited non-vested accounts available for future reductions of employer contributions or administrative expenses.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual method of accounting. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant’s account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a distribution based on the terms of the Plan document.

Investment Valuation and Income Recognition:

Investments are reported at fair value, except for the fully-benefit responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of pooled separate accounts are valued at quoted market prices that represent the net asset value of share of the underlying assets held by the Plan at year-end. The Trustees invest the contributions in cash equivalents, mutual funds, and common/collective trusts as directed by the participants. See Note 3 for a discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. See Note 4 for a discussion of contract value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments held during the year.

2. SUMMARY OF ACCOUNTING POLICIES: (Continued)

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

Compensation Exclusions:

Compensation excludes differential wages for deferral contributions and differential wages, overtime pay, bonuses, and commissions for qualified non-elective employer contributions and matching employer contributions.

3. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy under Accounting Standards Codification ("ASC") 820 that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 were not available.

Level 1 Fair Value Measurements

The fair value of cash equivalents, mutual funds, group annuity contracts and self-directed brokerage accounts are based on quoted net asset values of the shares held by the Plan at year-end.

3. FAIR VALUE MEASUREMENTS: (Continued)

Level 2 Fair Value Measurements

The investment is based on the general unallocated account of the custodian and has no direct investments on behalf of the Plan. It is considered a deposit liability with no defined maturities and is stated at contract value which is considered fair market value.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2021			
Mutual funds	\$ 11,967,335	\$ 11,967,335	\$ -
Self-directed brokerage accounts	<u>145,276</u>	<u>145,276</u>	<u>-</u>

Investments measured at net asset value	<u>18,369,444</u>		
Total investments	<u>\$ 31,845,911</u>		

Gains and losses are included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

3. FAIR VALUE MEASUREMENTS: (Continued)

Because of the use of net asset value as a practical expedient, the common collective trust investments are no longer classified in the fair value hierarchy. This resulted from a recent change in GAAP guidance on the presentation of fair value measurements when net asset value is used as a practical expedient.

4. STABLE VALUE ACCOUNT:

The Principal Stable Value Core Z Account (the “Fund”) is Collective Investment Trust maintained by Principal Global Investors Trust Fund. The Fund is not a deposit, obligation, guaranteed or insured and not insured by the Federal Deposit Insurance Corporation (FDIC) or any other federal or state government agency. Neither the Fund nor the offering of the Units has been registered under the U.S. securities laws. Therefore, investors will not have the benefit of the protections for registered securities afforded by the Securities and Exchange Commission (“SEC”).

The Fund primarily consists of a diversified portfolio of Stable Value Investment Contracts (Investment Contracts) issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments. The principal value of these assets is designed to remain stable regardless of stock and bond market fluctuations. The Fund is typically appropriate for investors who desire low volatility, stable principal value, and returns commensurate with a capital preservation objective for a component of their retirement savings. The Fund is designed for long-term retirement investing.

The Fund’s contract value as of December 31, 2021 and 2020 was \$- and \$981,880, respectively.

5. INVESTMENTS CALCULATED AT NET ASSET VALUE:

The Plan is invested in a common collective trust that calculates net asset value per share. This investment does not have a readily determinable fair (i.e., shares of these investments are not actively traded in financial markets).

The following summarizes the Plan’s investment in the common collective trust that calculates net asset value per share at December 31, 2021 and 2020:

7. ADMINISTRATION OF PLAN ASSETS:

Plan administration and recordkeeping services for the Plan were provided by ADP Retirement Services and Principal. 10. PLAN TERMINATION:

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan should terminate, the Plan Administrator will facilitate the distribution of account balances under the provisions of the Plan and Trust Agreement until all assets have been administered and distributed by the Trustee.

11. TAX STATUS:

The IRS has determine and informed the Plan sponsors, ADP, LLP and Principal, for the years ended December 31, 2021 and 2020, respectively, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. The Plan's Annual Return/Report of Employee Benefit Plan, (Form 5500) for 2021, 2020, 2019, and 2018 are subject to examination by the IRS, generally for three years after they are filed.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
