REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors
WeylChem US, Inc. 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of WeylChem US, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the WeylChem US, Inc. 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

On March 27, 2020 the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was signed into law in an effort to provide economic assistance to workers, families and businesses. The CARES Act also includes relief provisions available to tax-qualified retirement plans and their participants. The Plan adopted these coronavirus-related distributions, which is permitted by the CARES Act. In order for participants to receive relief under the adopted provisions of the CARES Act, they were required to self-certify that they have been impacted by the COVID-19 outbreak.

General

The Plan is a defined contribution plan covering substantially all employees of WeylChem US, Inc. (the "Company" or "Plan Sponsor"), except those classified as leased employees and interns, who complete six months of continuous service. The Plan's trustee is Reliance Trust Company (the "Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Participants are able to contribute up to the lesser of 75% of compensation, or the statutory limit of \$19,500 (\$26,000 for participants over 50 years of age) for the year ended December 31, 2021, as prescribed by the Internal Revenue Code ("IRC"). Participants are also able to contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company automatically withholds 3% of each participant's compensation unless the participant elects not to defer for the Plan year or elects to defer a different percentage of compensation for the Plan year. The Company may make a discretionary matching contribution to the Plan based upon a dollar amount, or percentage of compensation contributed by the participant. No discretionary matching contributions were made by the Company for the year ended December 31, 2021.

Prior to August 1, 2021, the Company made an employer match contribution in an amount of up to 50% of each participant's first 6% of plan compensation contributed as elective deferrals and/or employee after-tax contributions. The Plan was amended effective August 1, 2021, to modify the calculation related to employer contributions. The Company amended the contribution calculation to match 100% of the participant's first 1% of plan compensation contributed as elective deferrals and/or employee after-tax contributions, and 50% of the next 2-6% contributed. The per payroll matching contribution applies to all participants who make elective deferrals and/or employee after-tax contributions. The Company made employer match contributions of approximately \$209,000 for the year ended December 31, 2021.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, if any, and allocations of plan earnings, and charged with benefit payments, if applicable, and allocations of plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions is 25% at two years and an additional 25% for each year thereafter, until the participant becomes 100% vested at five years of credited service.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in 1% increments in any of the available investment options. Participants may change their investment options daily.

Payment of Benefits

A participant's account is distributed based upon the participant's election under the Plan document upon retirement, death, disability or termination of employment. Retirement is defined under the Plan document as age 65. In-service withdrawals are permitted upon the attainment of age 59½. Hardship distributions are permitted and shall be made from the vested portion of a participant's account as defined in the Plan document. Participants can elect to defer their distribution until the attainment of age 70½.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1% in accordance with the Plan document. Interest rates on notes receivable ranged from 4.25% to 6.5% as of December 31, 2021. Principal and interest are paid ratably through payroll deductions. Participants are limited to two outstanding loans at any given time.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$25,254 and \$31,503, respectively. As defined in the Plan document, forfeitures may be used to pay administrative expenses of the Plan, used to reduce company contributions to the Plan or they may be allocated to participant accounts. The Plan used \$22,434 of forfeitures to reduce company contributions to the Plan during 2021.

Plan Termination

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their accounts.

Administrative Expenses

Certain expenses of administering the Plan are paid by the Plan Sponsor; however, the remaining expenses are paid by plan assets.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Payment of Benefits

Benefit payments to participants are recorded when paid.

WeylChem US, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The statement of changes in net assets available for benefits presents the net appreciation in the fair value of investments, which consists of the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. If an active participant misses a loan payment for any reason other than certain types of leaves of absence, the outstanding loan balance, including interest accrued to date, will be considered in default and treated as taxable on the participant's deemed distribution date, which is the last day of the calendar quarter following the calendar quarter in which the participant first misses a payment. If a participant terminates employment with an outstanding loan balance, the default date will be the last day of the calendar quarter following the quarter in which the participant first misses a payment due to termination of employment. If the participant fails to pay off the outstanding balance, that balance, including interest accrued to date, will be defaulted and treated as taxable on the earlier of (a) the default date or (b) the date the participant takes a termination distribution. As of December 31, 2021 and 2020, approximately \$74,000 and \$48,000, respectively, were classified as deemed distributions.

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the Schedule H, Line 4i - schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivables from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the trustee for the Plan ("Trustee").

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS

The FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of assets or liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Mutual funds held are valued at the net asset value of shares held by the Plan at year end. The fund net asset value ("NAV") prices are quoted on a national securities exchange.

Collective Trust - The Plan invests in the Federated Capital Preservation Fund. The Federated Capital Preservation Fund is a collective trust fund that simulates the performance of a guaranteed investment contract through an issuer's guarantee of a specific interest rate and a portfolio of financial instruments that are owned by the issuer. This provides a stable value fund option for plan participants. The contract provides that participants execute plan transactions at net asset value. NAV represents contributions made to the fund, plus earnings, less participant withdrawals. The fair value of the Plan's interest in the collective trust is based on the NAV of units held as the practical expedient. The Plan may redeem units of the fund daily for the purpose of funding a benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the Plan to another investment election that is a noncompeting investment, or paying Trustee fees. There are no unfunded commitments related to this investment. The Plan must provide 12 months' notice to terminate the collective trust investment.

WeylChem US, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively:

<u>December 31, 2021</u>	<u>Assets at Fair Value</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 10,619,584	\$ -	\$ -	\$ 10,619,584
Total assets, at fair value	10,619,584	-	-	10,619,584
Collective trust fund measured at NAV ^(a)	-	-	-	1,463,436
Total assets in the fair value hierarchy	\$ 10,619,584	\$ -	\$ -	\$ 12,083,020

<u>December 31, 2020</u>	<u>Assets at Fair Value</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 8,799,883	\$ -	\$ -	\$ 8,799,883
Total assets, at fair value	8,799,883	-	-	8,799,883
Collective trust fund measured at NAV ^(a)	-	-	-	1,620,695
Total assets in the fair value hierarchy	\$ 8,799,883	\$ -	\$ -	\$ 10,420,578

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Notes receivable are due from participants. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

WeylChem US, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE 6 - INCOME TAX STATUS

The Board of Directors has received an opinion letter from the Internal Revenue Service ("IRS") dated July 16, 2014, stating that the prototype plan document, as then designed, was qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan is qualified and the related trust and custodial accounts are tax exempt.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and net increase in net assets per the financial statements to Form 5500:

	Net Assets Available for Benefits		Net Increase in
	2021	2020	Net Assets
			2021
Per the financial statements	\$ 12,383,270	\$ 10,815,058	\$ 1,568,212
Contributions receivable not recorded on Form 5500	-	(43,573)	43,573
Per Form 5500	<u>\$ 12,383,270</u>	<u>\$ 10,771,485</u>	<u>\$ 1,611,785</u>

NOTE 8 - SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued. All subsequent events requiring recognition or disclosure as of December 31, 2021 have been incorporated into these financial statements.
