LIBERTY HOME MORTGAGE CORPORATION 401(K) PLAN

FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants of
Liberty Home Mortgage Corporation 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Liberty Home Mortgage Corporation 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Liberty Home Mortgage Corporation 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Liberty Home Mortgage Corporation 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Liberty Home Mortgage Corporation 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Liberty Home Mortgage Corporation 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Liberty Home Mortgage Corporation 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held At End Of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information,

are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants of
Liberty Home Mortgage Corporation 401(K) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Liberty Home Mortgage Corporation 401(K) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

NOTE 1 - SUMMARY OF PLAN

The following brief description of Liberty Home Mortgage Corporation 401(K) Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a 401(K) plan established by Liberty Home Mortgage Corporation to provide retirement benefits covering all eligible employees of Liberty Home Mortgage Corporation. It became effective on January 1, 2016. A controlled group for this plan is Continuing Education Services, which also was effective January 1, 2016.

Eligibility

Employees of the Company are eligible to participate in the Plan immediately after reaching a minimum age of 18. The Company excludes from eligibility union employees, leased employees, and non-resident aliens. The plan allows entry at any time. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, plan participants may elect to contribute to the Plan, on a pretax basis or after tax basis, an amount up to 90% of their compensation, subject to a limit of \$19,500 for 2021 and \$19,500 for 2020. Eligible employees may elect to make catch-up contributions. Participants may also contribute amounts on an after-tax basis through Roth contributions subject to the same limitations as pretax basis contributions. Plan participants may also contribute amounts representing distributions from other qualified plans. The Company currently does not make contributions to the Plan.

Participant Accounts

A separate account is maintained for each investment option selected by the participant. Each participants' account is credited with the participants' contribution and the Plan's earnings. Allocation of the Plan's earnings is based on participant's account balances. A participant may direct employee contributions into thirty-four different investment options. Participants may change their investment options online through John Hancock at any time.

Vesting Requirements

Participants are immediately vested in employee contribution. If the Company were to make contributions, vesting in the Company's contributions portion of their accounts is based on years of continuous service, according to the following schedule:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - SUMMARY OF PLAN (CONTINUED)

Payment of Benefits

In the case of normal retirement, retirement due to permanent disability or termination of employment, participants may elect to receive the value of their account balance either as a lump sum distribution or as a rollover in whole to an eligible retirement plan, in accordance with the provisions of the Plan. In the event that a participant dies before retirement, the beneficiary will receive the value of the participant's account balance either in a lump-sum distribution or, if the beneficiary is a surviving spouse, as a rollover in whole to an eligible retirement plan. If a participant's vested balance is greater than \$1,000 and less than \$5,000 and the participant does not make an election to either receive or to rollover the distribution, the distribution can be rolled over to an Individual Retirement Account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Investment Valuation and Income Recognition

The Plan's investments are administered by the custodian and are stated at fair value. Units held in pooled separate accounts are reported at fair value based on the unit prices quoted by the fund, representing the fair value of the underlying investments. The fair value of mutual funds is determined based on quoted market prices. Units of collective investment trusts are reported at fair value based on an analysis of the fair values of the underlying investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The expenses necessary to administer the Plan are paid by the Plan or Plan sponsor including, but not limited to, those involved in retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their account any amount not less than \$1,000 and not greater than the lesser of 50% of their vested account balance or \$50,000. Only one loan from the Plan per participant may be outstanding at any time. The loans are secured by the balance in the participant's account. The interest rate will be based on the rates available for similar loans from commercial lending institutions. As of December 31, 2021, the interest rates on all outstanding loans ranged from 4.25% to 7.50%. Principal and interest is paid ratably through monthly payroll deductions. Loan repayment terms may not be longer than 5 years, unless being used to purchase a primary residence.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Risk of Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in value in the near term would materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

NOTE 3 - INCOME TAX STATUS

The Plan uses a volume submitter plan document sponsored by ADP, LLC. which received an opinion from the IRS, dated October 6, 2020, which states that the volume submitter document satisfies the provisions of Section 401 of the IRC. The Plan has not individually sought its own determination letter. However, the Plan Administrator and the Company's management are of the opinion that the Plan is designed and being operated in accordance with applicable IRS requirements, and they do not anticipate that changes in the Plan after the date covered by the IRS determination letter will affect the qualified and tax-exempt status of the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that it is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 - PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 5 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST

As of December 31, 2021, 16 participants with vested account balances totaling \$94,140 have separated from service and have not yet been paid.

NOTE 6 - RELATED-PARTY AND PARTIES IN INTEREST TRANSACTIONS

Certain plan investments were managed by John Hancock Life Insurance Company when they were the custodian. Certain plan investments are investments managed by Reliance Trust Company. Reliance Trust Company is the current custodian of the Plan and therefore, both custodian transactions qualify as party-in-interest. Therefore, transactions in these investments qualify as party in interest transactions, which are exempt from prohibited transaction rules. The Plan also maintains notes receivable from participants which are also exempt from prohibited transaction rules.

NOTE 7 - INVESTMENTS

The Plan's investments were held by John Hancock Life Insurance Company as custodian through September 7, 2021. Beginning on September 7, 2021 Reliance Trust Company became custodian. Both custodians had maintained/maintains the investments in separate accounts, which comprise a significant portion (101.03%-2021, 99.18%-2020) of the Plan's assets. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals. The contract is included in the financial statements at contract value which approximates fair value as reported by John Hancock Life Insurance Company and Reliance Trust Company. John Hancock Life Insurance Company certified as of September 7, 2021 and December 31, 2020 as to the completeness and accuracy of the information reported. Reliance Trust Company certified as of December 31, 2021 as to the completeness and accuracy of the information reported. Net appreciation on investments totaled \$281,248 for the year ended December 31, 2021 and \$199,942 year ended December 31, 2020.

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LIBERTY HOME MORTGAGE CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Valued at the net asset value (NAV) of the applicable portion of assets and gains/losses allocated to the Plan by the insurance company. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Transactions occurring throughout the year are generally priced at the NAV. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily and there is no minimum redemption notice period.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: The Collective Investment Trusts (CIT) are not publicly quoted. The CIT's invest in a collective trust fund and a variety of separate accounts and mutual funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 or 2020.
