INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Alloy & Stainless Fasteners, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements *(continued)*

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter—Supplemental Schedule Required by ERISA *(continued)*

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Alloy & Stainless Fasteners, Inc.
401(k) Profit Sharing Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan (the "Plan"), as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

Note 1. Description of the Plan

The following description of the Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Alloy & Stainless Fasteners, Inc. and any participating affiliates (collectively, the “Company”) who have completed one (1) year of service, as defined in the Plan document, and who were age eighteen or older. An eligible employee may elect to become a participant on the first day of the month following the completion of the eligibility requirements. The Board of Trustees is responsible for oversight of the Plan. The Plan management determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”) that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and may require significant changes to plan administration and recordkeeping.

The coronavirus disease 2019 (“COVID-19”) outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants. Plan management adopted the provisions relating to CARES Act Distributions and Loans.

Participating Affiliates

The Plan’s participating affiliates are: Bar Stock Specialties, Inc., Cavalier Bolt and Nut, Inc., and Alloy and Stainless Fasteners Northwest, Inc.

Notes to the Financial Statements

December 31, 2021 and 2020

Note 1. Description of the Plan *(continued)*

Basis of Accounting

The financial statements are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Participant Accounts

Each participant's account is credited with the participant's elective contributions, Company's matching contributions, and allocations of Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined, in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to contribute 1% to 87% of their eligible earnings, as defined in the Plan document, to a salary deferral account on a pre-tax basis. The Plan also permits Roth elective deferral contributions, which are made on an after-tax basis. Participants who are age 50 or older before the end of the Plan year may elect to contribute additional amounts ("catch-up contributions") to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (also called "rollover"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trusts as investment options for participants.

The Company contributes 50% of the first 6% of eligible compensation contributed to the Plan each year. The Company made \$240,591 of matching contributions in 2021, of which \$4,139 was reduced by forfeitures.

The Company may also make discretionary profit-sharing contributions. Participants must be employed as of the last day of the contribution period (ie. December 31st) to be eligible for discretionary profit-sharing contributions. There were no discretionary profit-sharing contributions in 2021.

Notes to the Financial Statements

December 31, 2021 and 2020

Note 1. Description of the Plan *(continued)*

Contributions *(continued)*

All contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Vesting

Participants are vested immediately in their contributions (including rollover contributions) plus earnings thereon. Employer matching and discretionary contributions, including earnings thereon, become vested as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
At least 2 but less than 3	20%
At least 3 but less than 4	40%
At least 4 but less than 5	60%
At least 5 but less than 6	80%
6 or more	100%

A participant becomes fully vested if he is an employee on the date of his retirement, death, or the date he becomes disabled as defined by the Plan document.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 amount is reduced by the highest outstanding loan balance the participant had under the Plan during the previous 12-month period. Principal and interest are repaid through payroll deductions over a period not to exceed 5 years payment term unless it is for the purchase of a principal residence in which case the loan repayment period may not extend beyond 30 years. A participant is allowed to have one outstanding plan loan at any one time. Under the CARES Act, a qualified participant with scheduled loan repayments due on March 27, 2020 through December 31, 2020 was allowed to postpone the repayments up to one year.

**Alloy & Stainless Fasteners, Inc.
401(k) Profit Sharing Plan**

Notes to the Financial Statements

December 31, 2021 and 2020

Note 1. Description of the Plan *(continued)*

Notes Receivable from Participants *(continued)*

The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing market rates. Interest rates range from 4.25% to 6.50%.

Payment of Benefits

On termination of service for any reason (retirement, termination, disability or death), participants with vested account balance \$5,000 or more can elect to receive their vested benefit (a) in a single lump-sum payment or (b) paid as a "direct rollover" to an individual retirement account (an "IRA") or to another employer's tax qualified plan, (c) installment payments, or (d) partial withdrawals. If the employment relationship is terminated, a participant's vested account with balance exceeds \$5,000 may defer receipt of the distribution until a later date under certain circumstances, as defined in the Plan document. A distribution in lump sum will be made without participant consent for vested account with balance \$5,000 or less. Under the CARES Act, a qualified participant was able to withdraw an aggregate amount up to \$100,000 from all of his/her qualified plans during calendar year 2020. Such distributions can be partially or fully repaid back to the plans provided that the repayments will be completed within three years of the distribution date.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$13,028 and \$10,109, respectively. These accounts may be used to reduce future employer contributions or pay administrative expenses. There were \$4,139 of forfeitures applied against employer contributions in 2021.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Alloy & Stainless Fasteners, Inc.
401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

Note 2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See *Note 7* for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when charged. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding corrective distribution. The Plan distributed the excess contributions to the applicable participants prior to March 15th of the following plan year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Included in administrative expenses are fees for certain participant transactions (ie. loan fees, RIA ERISA budget account fee, withdrawal and distributions fees) charged to the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

Note 3. Information Prepared and Certified by the Trustees *(unaudited)*

The following information included in the accompanying financial statements was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan):

	<u>2021</u>	<u>2020</u>
Investment at fair value:		
Mutual funds	\$9,396,063	\$8,741,191
Common/collective trust funds	4,177,219	2,782,804
Notes receivable from participants	450,255	496,253
Dividends	1,037,620	
Interest income on notes receivable from participants	22,785	
Net appreciation in fair value of investments	724,278	

Note 4. Related Party Transactions and Party-in-Interest Transactions

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment as they are paid through revenue sharing, rather than a direct payment.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 5. Tax Status

The IRS issued a favorable opinion letter dated July 16, 2014 for plans using the third-party administrator's prototype adoption agreement. The IRS stated that the prototype plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been made in the financial statements.

Alloy & Stainless Fasteners, Inc.
401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

Note 5. Tax Status *(continued)*

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, market, credit, and overall volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Fair Value Measurements

The framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

Note 7. Fair Value Measurements *(continued)*

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Following is a description of methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. These funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds:

- a) Invesco Stable Asset Fund - valued at the NAV of units of the common/collective trust funds. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is not a publicly quoted price in an active market but is available to current investors via the plan recordkeeper's designated web portal or when plan participants access their account values. The NAV is the basis for current transactions and the stable asset fund can be redeemed at NAV as of the measurement date. As such, the stable asset fund is considered to have a readily determinable fair value.

Notes to the Financial Statements

December 31, 2021 and 2020

Note 7. Fair Value Measurements (continued)

- b) Others – this type of common/collective trust funds primarily consists of index funds and they are valued at the NAV of shares/units. The NAV is not a publicly quoted price in an active market but is available to current investors via the plan recordkeeper's designated web portal or when plan participants access their account values. The NAV is the basis for current transactions and the common collective trust funds can be redeemed at NAV as of the measurement date. As such, the common collective trust funds are considered to have a readily determinable fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31:

Assets at Fair Values as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

During 2021, the Company's parent purchased the outstanding common stock/membership interests of certain affiliates ("R&D Group"). Effective June 1, 2022, the board of directors authorized the merger of The Scheu Companies Profit Sharing 401(k) Plan (the "R&D Group's 401(k) plan") with the Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan. As a result, the assets and liabilities of the R&D Group's 401(k) plan were transferred to and merged with the Alloy & Stainless Fasteners, Inc. 401(k) Profit Sharing Plan.
