INDEPENDENT AUDITOR'S REPORT

To the Participants
The 401(k) Plan
Corona, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The 401(k) Plan (sponsored by All American Asphalt), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of The 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are present fairly, in all material respects in accordance with accounting principles generally accepted in the United States of America.

The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that is agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule of assets (held at end of year), we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule of assets (held at end of year), other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule of assets (held at end of year) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all

material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The financial statements of The 401(k) Plan as of December 31, 2020, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed them not to perform and they did not perform any auditing procedures with respect to the information certified by the qualified institution. In their report dated August 10, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of The 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan’s sponsor and plan administrator is All American Asphalt (the “Company” or the “Employer”).

General

The Plan was initially adopted April 1, 1998 and was restated effective September 1, 2019 to comply with more recent changes in pension laws and regulations. The Plan is a defined contribution plan covering all eligible employees of All American Asphalt; All American Service & Supplies; Ramsey Oil Company; Betts Express; O.T.M. Trucking, Inc.; More Truck Line; and C.P.R. Trucking Services, Inc. In order to be eligible to participate in the Plan, the participant must have worked 1,000 hours during a consecutive 12-month period and must be at least 21 years of age and not be part of a group of employees that is excluded from the Plan. The employees excluded from the Plan include non-resident alien employees, union employees, and residents of Puerto Rico as defined by the Plan. An eligible employee may enter the Plan on the 1st day of the month following the date they become eligible. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants are automatically enrolled in the Plan once they are eligible and will start deferring at a 4% deferral rate if they do not elect a deferral rate within 30 days after they are enrolled into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participants direct the investment of their pre-tax contributions including Employer contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Company contributions and Plan earnings (net of administrative fees). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant Contributions

Participants may elect to make salary deferral contributions to the Plan between 1% and 25% of their annual compensation up to the annual limit (\$19,500 in 2021) established by the Internal Revenue Service (“IRS”). Participants who are age 50 or over at the end of the calendar year can make annual catch up contributions in addition to the above, up to the maximum amount allowed by the IRS (\$6,500 in 2021).

Rollover Contributions

The Plan allows for participants in a former employer’s qualified plan to contribute direct rollovers to the Plan.

THE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Matching Contributions

The Plan allows for the Company to make matching contributions. The Company matched an amount equal to 25% of the first 6% of the participant's eligible compensation contributed to the Plan on a per pay period basis during the year ended December 31, 2021.

Profit Sharing Contributions

The Plan allows for the Company to make a discretionary profit-sharing contribution to all eligible employees at the Company's discretion. To be eligible for the profit sharing contribution, the employee must be employed on the last day of the Plan year. There were no Employer discretionary profit sharing contributions made to the Plan for the year ended December 31, 2021.

Vesting

Participants are immediately fully vested in their contributions and the earnings and appreciation or depreciation thereon. Employer profit sharing and matching contributions vest as follows:

<u>Years of Service</u>	<u>% Vesting</u>
Less than 3 years	0%
3 years or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of the value of their vested account balance on the loan date. Loan terms range from 1-5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect on the loan date plus 2% per annum, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Participant is only allowed to have one loan outstanding at a time. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance or annual installments over any period not exceeding the lesser of 10 years or the life expectancy of the participant. For terminated participants' account balances, the plan administrator may elect to make a mandatory distribution of account balance that are \$5,000 or less. The plan administrator will make the distribution as a direct rollover for any amounts between \$1,000 to \$5,000. For terminated participants' account balances that are less than \$1,000, the plan administrator may distribute the entire amount in a lump sum without the participant's consent. Hardship distributions are permitted from the participant's employee deferral account.

THE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures of non-vested participant accounts can be used to reduce Plan expenses or Employer contributions. There was \$1,792 used from the forfeiture account balance to reduce Employer contributions during the year ended December 31, 2021. The balance in the forfeiture account at December 31, 2021 and 2020 was \$2,926 and \$4,150, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Standards Codification

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification™ ("Codification") is the official source of authoritative, nongovernmental accounting principles generally accepted in the United States of America. The Codification is organized by overall topic which is at times referenced in the accompanying notes to the financial statements.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments have been stated at fair value as determined by the Trustee. Quoted market prices are used to value investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end based on quoted market prices in active markets. Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year as well as those held at year end. See Note 8 for discussion of fair value measurements.

Accounting Standards Update ("ASU") No. 2015-07, Disclosures for Investments in Certain Entities That Calculate Net Assets Value per Share (or its Equivalent), removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net assets value per share practical expedient. ASU No. 2015-07 additional removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net assets value per share practical expedient (see Note 8).

THE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a distribution is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All expenses incident to the administration, termination, or protection of the Plan, including, but not limited to, legal, accounting, and custodian fees, shall be paid by the Company or, if not paid by the Company, shall be paid by the plan administrator from the Plan assets. Certain administrative expenses of the Plan were paid by the Company during the year ended December 31, 2021. In addition, the Company provides administrative services to the Plan at no cost to the Plan.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2022, which is the date these financial statements were available to be issued. All subsequent events requiring recognition or disclosure have been incorporated into these financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in any unvested Employer contributions in their account.

NOTE 4 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the Trustee, Reliance Trust Company, and therefore, they are considered a party-in-interest. Investment fees paid by the Plan to the Trustee are included as a component of net realized and unrealized appreciation or depreciation in fair value of investments as they are paid through revenue sharing, rather than a direct payment and are not separately stated in the accompanying statement of changes in net assets available for benefits. The Plan incurred \$38,785 of investment advisory fees to a third-party investment advisor for the year ended December 31, 2021. Contract administrative fees paid by the Plan to the recordkeeper, ADP, LLP, totaled \$17,025 for the year ended December 31, 2021. These expenses are included in administrative expenses in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.

THE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 5 – TAX STATUS

The Plan uses a prototype non-standardized profit sharing plan which the IRS has determined by letter dated October 6, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter to comply with more recent pension laws and regulations, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

On March 11, 2020, the World Health Organization characterized coronavirus (“COVID-19”) as a pandemic, and on March 13, 2020, the President of the United States of America declared a national emergency relating to the pandemic. As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect future participants’ account balances and the amount reported in the statements of net asset available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Due to the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have on the Plan.

NOTE 7 – INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Reliance Trust Company (“Reliance” or the “Trustee”), has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE 8 – FAIR VALUE MEASUREMENTS

The “*Fair Value Measurements*” topic of the Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the *Fair Value Measurements* topic of the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies or classifications in level used during the years ended December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value (“NAV”) of shares held by the Plan at year end based on quoted market prices in active markets.

Common/Collective investment trust: Units held in the common/collective trust are valued using the NAV practical expedient. The NAV practical expedient is based on the fair value of the underlying assets owned by the common/collective trust, minus its liabilities, and then divided by the number of the units outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the Plan’s investments at fair value as of December 31, 2021:

	<u>Investments at Fair Value</u>		
	Level 1	Level 2-3	Total
