INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants,
Grand Circle LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Grand Circle LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule h, part IV, line 4(i) – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020**

1. DESCRIPTION OF THE PLAN

The following description of the Grand Circle LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering certain eligible employees of Grand Circle LLC and its affiliates (the “Company” or “Plan Sponsor”) who are age 21 or older and have completed three months of service. Seasonal employees are eligible to participate on the first entry date after they have completed at least 1,000 hours of service. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Participating Employers Addendum of the Plan was amended so that Grand Circle Foundation, Inc., a Related Employer as defined in Subsection 2.01(rr) of the Basic Plan Document, participates in the Plan effective as of August 30, 2017.

Administration of the Plan

The Plan is administered by the Company. Fidelity Management Trust Company (“FMTC”) serves as the trustee, custodian, and record keeper of the Plan.

Contributions

The Plan allows participants to make voluntary contributions of up to 90% of annual pretax compensation, as defined by the Plan. Contributions are limited to the maximum amount allowable under the Internal Revenue Code (the “Code” or “IRC”), which was \$19,500 in 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Catch-up contributions are subject to Internal Revenue Service (“IRS”) limits of \$6,500 in 2021 and 2020. New employees, who have made no election by their eligibility date, will be automatically enrolled at 3% of their annual salary provided they have met the eligibility requirements. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company determines the amount, if any, of matching contributions to be made for each Plan year at the discretion of the Company. For the year ended December 31, 2020, the Company matched 50% of contributions up to a maximum Company match of \$5,000. For the year ended December 31, 2021, the Company did not make any matching contributions.

Upon enrollment, a participant may direct his or her contributions to any of the Plan’s investment options. Unless a participant elects otherwise, contributions for participants that have automatic enrollment will be invested in a Lifecycle Fund (the Contribution Default Fund) based upon the participant’s date of birth at the time of such investment and in accordance with the methodology specified in the Plan Document.

Unless a participant elects otherwise, contributions for participants that have automatic enrollment contributions made on their behalf will have the amount of the contribution increased by 1% each year until their contribution percentage reaches 10% or the IRS limit.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Grand Circle LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is 100% vested after five years of credited service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than the participant's (or beneficiary's) assumed life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as lump-sum distribution.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are retained by the Plan to be applied to reduce future Company matching contributions and current year plan administrative expense. For the years ended December 31, 2021 and 2020, forfeitures totaled approximately \$385,595 and \$139,779, respectively. There were \$385,595 of unused forfeitures as of December 31, 2021.

Notes Receivable from Participants

Participants may borrow from their vested account amounts not to exceed the lesser of 50% of the participant's balance or \$50,000, reduced by the highest outstanding notes receivable balance in the participant's account during the prior 12-month period. The minimum notes receivable amount is \$1,000. Notes receivable are collateralized by the participant's account and are repaid in level payments through payroll deductions over a five-year period. If the notes receivable is for the purchase of the participant's primary residence, the notes receivable may be repaid over a period of up to ten years. The interest rate is determined by the Plan administrator based on prevailing market conditions and is fixed over the life of the note.

During 2020, the Plan operated in conformity with loan provisions set forth under the CARES Act. Such provisions included the ability for participants to obtain a loan of up to the lesser of \$100,000 or 100% of the participant's vested balance between March 27, 2020 and September 22, 2020 if the participant determined he or she was a qualified individual under the CARES Act. A qualified individual could also delay repayments for up to 1 year for loan payments due between March 27, 2020 and December 31, 2020.

As of December 31, 2021, loans bear interest at rates of 3.25% to 5.50% and mature at various dates through 2029.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator works with the Plan's investment advisors and custodian to determine the Plan's valuation policies. See note 4 for a discussion of fair value measurements relevant to the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments and are not readily determinable. Administrative expenses totaled \$60,701 and \$68,298 for the years ended December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Recent Accounting Pronouncements

The Plan is not aware of any other new accounting pronouncements, not yet adopted, that would significantly impact the Plan's prospective financial statements.

3. INFORMATION CERTIFIED BY THE TRUSTEE

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by FMTC, the trustee and custodian, expect for comparing such information with information reported in the financial statements. Based on information provided and certified by the trustee and custodian, there were no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, at December 31, 2021 and 2020. The trustee and custodian has certified to the completeness and accuracy of the information in schedule H, part IV, line 4(i)-schedule of assets (held at end of year) and the following:

	<u>2021</u>	<u>2020</u>
Investments at fair value	<u>\$ 69,622,540</u>	<u>\$ 64,172,143</u>
Notes receivable from participants	<u>\$ 299,863</u>	<u>\$ 366,649</u>
Net appreciation in fair value of investments	<u>\$ 3,226,891</u>	<u>\$ 7,617,506</u>
Interest on notes receivable from participants	<u>\$ 19,658</u>	<u>\$ 19,020</u>
Interest and dividend income	<u>\$ 6,523,376</u>	<u>\$ 3,531,743</u>

4. FAIR VALUE MEASUREMENTS

The Plan estimates fair value based on a valuation framework that uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy, as defined by the Financial Accounting Standard Board ("FASB") Accounting Standard Codification ("ASC") Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Grand Circle LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The assets or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020:

Mutual Funds: These investments are valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish the daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are therefore classified within the Level 1 of the fair value hierarchy.

Common/Collective Trust Funds: Common/collective trust funds are comprised of shares or units in commingled funds that are not publicly traded. The underlying assets in these funds are primarily publicly traded equity securities, fixed income securities, and commodity-related securities and are valued at their net asset value as a practical expedient, that is calculated by the investment manager or sponsor of the fund and have varying liquidity, redemption period notices and other restrictions. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Fair Value Measurements at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 66,890,450	\$ -	\$ -	\$ 66,890,450

Investments measured at NAV (a)				2,732,090
				<u>\$ 69,622,540</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

5. INCOME TAX STATUS

The Plan is based on a volume submitter plan. The Internal Revenue Service informed the volume submitter practitioner, Fidelity Management & Research Company, in an opinion letter dated June 30, 2020, that the form of the volume submitter plan is acceptable under Section 401(a) of the IRC. As provided in Revenue Procedure 2005-16, an employer who adopts a volume submitter plan may rely on a favorable opinion letter issued to the volume submitter practitioner as evidence that the employer's plan is qualified under Code Section 401(a). Although the Plan has been amended since the volume submitter practitioner received its opinion letter, the Plan administrator believes that the current Plan is designed and being operated in compliance with applicable requirements of the IRC so that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Grand Circle LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020**

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan agreement to terminate the Plan at any time subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts and the total value of the participants' accounts shall be distributed in accordance with ERISA.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of diversified investment funds managed by Fidelity Investments, an affiliate of FMTC, the Plan's custodian and trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Certain administrative functions are performed by officers and employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan.

Notes receivable from participants also qualify as party-in-interest transactions.

Audit fees for the required audit of the Plan's financial statements are paid directly by the Company.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. SUBSEQUENT EVENTS

Management has evaluated all other subsequent events through October 11, 2022, the date the financial statements were available to be issued. There are no recognized or non-recognized subsequent events that existed at the statement of net assets available for benefits date which are necessary to disclose to keep the financial statements from being misleading.

Grand Circle LLC 401(k) Plan
347 Congress Street
Boston, MA 02210

To Management of Grand Circle LLC 401(k) Plan:

In planning and performing our audit of the financial statements of Grand Circle LLC 401(k) Plan as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Grand Circle LLC 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we do not express an opinion on the effectiveness of Grand Circle LLC 401(k) Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, others within the organization, and the Department of Labor, and Internal Revenue Service and is not intended to be, and should not be, used by anyone other than these specified parties.

Very Truly Yours,
