**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### Notes to Financial Statements

#### Note 1. Plan Description

The following description of the Ventech Solutions, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. The Plan was effective January 1, 2012, and most recently amended January 1, 2021.

**General:** The Plan is a defined contribution plan covering substantially all employees of Ventech Solutions, Inc. (the Company) who have attained age 21. There is no service requirement. The 401(k) Plan Committee of the Company controls and manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Contributions:** Each year, participants may contribute up to 92% of their pretax annual compensation, as defined in the Plan document, subject to certain Internal Revenue Code (IRC) limitations. Effective January 1, 2019, participants are automatically enrolled in the Plan with an elective pre-tax deferral rate of 3% of compensation for the first two years, increasing each participants enrollment anniversary by 1% until such elective deferral rate is 10% of compensation, unless the participant affirmatively elects out of the automatic deferral feature, elects a different deferral rate or elects not to participate in the Plan. The Company contributes 100% of the first 3% and 50% of the next 3% of eligible compensation contributed by the participant to the Plan each pay period. A safe harbor true up matching contribution is required on a plan year basis. Additional employer amounts may be contributed at the discretion of the Company's 401(k) Plan Committee. No such additional discretionary contributions were made for the year ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

**Participant accounts:** Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution and Plan earnings and charged with withdrawals and participant forfeitures. Participants direct the investment of their contributions into various investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are vested immediately in their contributions and matching contributions, plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts is based on a six-year graded vesting schedule.

**Forfeitures:** At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$5,454 and \$21, respectively. These accounts will be used to reduce future employer contributions. During the year ended December 31, 2021, employer contributions were reduced by \$0 from forfeited non-vested accounts.

**Payment of benefits:** Upon retirement, death, or other interruption of continuous service, a participant may generally elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments. Upon termination, benefits relating to a participant's contributions and vested employer contributions are distributed.

**Notes receivable from participants:** Participants may borrow up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates equal to the prime rate determined as of the time the application for the loan is made. The participant loans must be repaid over a period not to exceed five years, unless the purpose of the loan is to acquire, construct, or substantially rehabilitate a dwelling that is to be used as a principal residence for the participant, in which case the loan period may not exceed 15 years. Principal and interest is paid ratably through payroll deductions. The interest rates on outstanding loans ranged from 4.25% to 6.50% as of December 31, 2021 and 3.75% to 6.50% as of December 31, 2020.

#### Note 1. Plan Description (Continued)

**Administration of Plan assets:** Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification.

**Contributions:** Participant contributions are recognized when earned. Employer matching is recognized concurrently with participant contributions.

**Payment of benefits:** Benefits are recorded when paid.

**Investment valuation and income recognition:** The Plan's participant directed investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Capital gain distributions are included in dividends and interest income.

**Use of estimates:** The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain amounts and disclosures reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Subsequent events:** The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

#### Note 3. Information Certified by John Hancock Trust Company LLC

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by John Hancock Trust Company LLC, the custodian of the Plan. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

#### **Note 3. Information Certified by John Hancock Trust Company LLC (Continued)**

John Hancock Trust Company LLC certifies the completeness and accuracy of the net appreciation in fair value of investments of \$1,565,876, interest and dividend income of \$1,689,342 and interest income on notes receivable from participant of \$23,649 related to the aforementioned investments for the year ended December 31, 2021.

#### **Note 4. Fair Value Measurements**

The Plan has determined the fair value of certain assets through application of accounting guidance that establishes a framework for measuring fair values. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this standard are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no material changes in the methodologies used at December 31, 2021 and 2020.

**Mutual funds:** Valued at the closing price reported on the active market on which the individual securities are traded.

**Money market:** Valued using amortized cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Assets measured at fair value on a recurring basis:** The following tables summarize assets measured at fair value on a recurring basis as of December 31, 2021 and 2020, segregated by level of the valuation inputs within the fair value hierarchy utilized to measure fair value.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to the total net assets available for benefits.

#### Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### Note 6. Income Tax Status

The Plan adopted a defined contribution prototype plan and trust sponsored by John Hancock Retirement Plan Services, LLC. The Internal Revenue Service has determined and informed the sponsor by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's Administrator has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2018.

#### Note 7. Parties-in-Interest and Related-Party Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employers and certain others. During the year ended December 31, 2021, administrative expenses for these services were \$140,565.

### **Notes to Financial Statements**

---

#### **Note 8. Risks and Uncertainties**

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Note 9. COVID-19 Pandemic, Economic Uncertainty**

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it a pandemic. The coronavirus and actions taken to mitigate the spread of it have, and are expected to have, an adverse impact on the economies and financial markets of many countries, including the United States of America. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted to, amongst other provisions, provide emergency assistance for individuals, families and businesses affected by the coronavirus pandemic. It is unknown how long the adverse conditions associated with the coronavirus will last and what the complete financial effect will be to the Plan.
