Citrus LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Citrus LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Citrus LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of, and for, the year ended December 31, 2021 and the period October 8, 2020 to December 31, 2020, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citrus LLC 401(k) Profit Sharing Plan and Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citrus LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citrus LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citrus LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan:

The following brief description of Citrus LLC 401(k) Profit Sharing Plan and Trust (the "Plan") is provided for general information purposes only. For additional information concerning the Plan's provisions, participants should refer to the Plan Agreement and Summary Plan Description.

General

The Plan is a defined contribution plan covering eligible employees of Citrus LLC (the "Company" and "Employer") who are at least 21 years of age, and who elect to participate in the Plan. An employee can become a participant in the Plan and begin making elective deferrals and are eligible for employer profit sharing contributions after one year of service. One year of service is defined as 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Company has appointed Mid-Atlantic Trust Company as the Custodian of the Plan assets with authority over management and investment of Plan assets. The Company has appointed Paychex as the third-party administrator and record-keeper. The Plan was originally adopted January 1, 2020, but was not effective until October 8, 2020.

During 2020, the Plan was amended to adopt several provisions of the Coronavirus Aid Relief, and Economic Security Act (CARES Act) which allow eligible individuals to receive coronavirus-related distributions, increase available loan amounts, extend the period for loan repayments, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Contributions

Each year participants may contribute up to the maximum dollar amount established by the Internal Revenue Code (IRC) of pretax annual compensation, as defined in the Plan in the form of pre-tax elective deferrals. Participants age 50 and older may make catch-up contributions to a maximum dollar amount established by the IRC. Participants may also contribute amounts representing distributions from other tax-qualified plans (rollovers).

The Company may make nonelective discretionary profit sharing contributions on an annual basis to eligible participants that is an employee on the last day of the Plan year using a pro rata formula. The Company did not make any nonelective discretionary profit sharing contributions for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the participant's share of the Company's matching contributions (including discretionary contributions, if any), and the participant's share of the Plan's earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds.

Note 1 - Description of Plan: (Continued)

Forfeitures

Forfeitures are used to reduce Plan expenses or reduce employer contributions. There were no forfeitures for the year ended December 31, 2021. Forfeited balances totaled $-0- at each of the years ended December 31, 2021 and 2020.

Vesting

Participants are immediately 100% vested in their contributions, plus actual earnings thereon. Vesting in the Company's profit sharing contributions is based on years of service. A participant is 100% vested in the Company profit sharing portion of their accounts after six years of credited service as follows:

Years of Service (As Defined)	Percentage Vested
Less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

Service prior to the initial effective date of the Plan or a predecessor plan is disregarded for vesting purposes.

Regardless of the vesting schedule, a participant will become fully vested upon death or total and permanent disability.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less, subject to certain restrictions, in accordance with borrowing procedures established by the Company. The loans are secured by up to one-half of the vested account balance in the participant's account, and such other security as the Company may require under certain circumstances.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants with vested benefits of $5,000 or less will receive a lump-sum distribution. Participants with vested benefits of greater than $5,000 may elect to delay their distributions, but distributions are required to begin no later than April 1st following the end of the year in which the Participant reaches age 72.

The Plan permits hardship withdrawals.

Note 2 - Significant Accounting Policies:

Accounting Method

The financial statements of the Plan have been prepared on the accrual basis of accounting, which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Employee and Employer contributions are recognized in the period that contributions are due.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Fair Value Measurements

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

- Level 1 inputs are quoted prices in active markets for identical investments that the Plan has the ability to access at the measurement date.

- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.

- Level 3 inputs are unobservable inputs for the investment.

The Plan's statements of net assets available for benefits includes the following financial instruments that are required to be measured at fair value on a recurring basis:

- Investments in mutual funds are considered Level 1 assets and are reported at fair value based on quoted net asset values of the shares held by the Plan at year-end.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 - Significant Accounting Policies: (Continued)

Notes Receivable From Participants

Participant loans are reported at their unpaid principal balances plus any accrued and unpaid interest.

Excess Contributions Payable

Amounts payable to participants in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participant prior to March 15, 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of the Plan, including legal, audit, administrative, and trustee expenses, are generally paid by the Company, with the exception of certain administrative expenses which are paid for by the Plan and charged to participants' accounts. The Plan incurred $2,849 of administrative expenses for the year ended December 31, 2021.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Plan is closely monitoring its liquidity, and is actively working to minimize the impact of these declines. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Plan's investments, all of which at present cannot be determined. Accordingly, the extent to which COVID-19 may impact the Plan's statement of net assets available for benefits and statement of changes in net assets available for benefits is uncertain, and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 11, 2022, the date the financial statements were available to be issued.

Note 3 - Fair Value Measurements:

The following table summarizes assets measured at fair value by classification within the fair value hierarchy at December 31:

	2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Balance at December 31, 2021
Mutual funds	$ 50,513	$ -	$ -	$ 50,513

	2020			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Balance at December 31, 2020
Mutual funds	$ 9,059	$ -	$ -	$ 9,059

Note 4 - Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to the Plan's investments disclosed in the accompanying financial statements, including investments held at December 31, 2021, net appreciation in fair value of investments, interest and dividend income, and notes receivable for the year ended December 31, 2021 was obtained or derived from information certified as complete and accurate by Mid-Atlantic Trust Company, the Custodian of the Plan.

Note 5 - Party-In-Interest Transaction:

Certain Plan investments are shares of mutual funds managed by Mid-Atlantic Trust Company, the Custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair values of investments.

Note 6 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - Tax Status:

The Company has adopted the Paychex Inc. Non-Standardized Pre-Approved Money Purchase Pension Plan. This Plan received a favorable opinion letter from the Internal Revenue Service dated August 31, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC.

The Plan believes that it has appropriate support for any tax position taken, and, as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Reconciliation of Financial Statements to Schedule H of Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:
