C&L Aviation Services 401(k) Plan

Financial Statements and Supplemental Schedule

*December 31, 2021 and 2020
With Independent Auditors' Report*

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
C&L Aviation Services 401(k) Plan

Opinion

We have audited the financial statements of the C&L Aviation Services 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

To the Plan Administrator and Participants
C&L Aviation Services 401(k) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

C&L AVIATION SERVICES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. **Description of the Plan**

The following description of the C&L Aviation Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established by C&L Aerospace Holdings, LLC – d/b/a C&L Aviation Services and affiliates, collectively the Employer, on January 1, 2011. As of December 31, 2021, the Plan is co-sponsored by the following: C&L Aerospace Holdings, LLC dba C&L Aviation Services, C&L Aerospace, LLC, C&L Aerospace (CA), LLC, SevenJet Private Travel, LLC, D&D Aviation, LLC dba SevenJet, LLC, C&L Engineering Services, LLC and Bayside Aviation, LLC. The Plan is administered by the Employer and certain members of management.

Eligibility and Participation

The Plan covers all permanent, part-time, and full-time employees of the Employer. Employees become eligible when they have completed three months of service. The Plan entry date is the first day of the month following the eligibility of the employee. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Contributions

Employees who elect to participate in the Plan may contribute from 1 to 90 percent of their annual compensation subject to certain limitations as prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans.

The Employer may, in its sole discretion, contribute and allocate to each eligible participant's account a percentage of the participant's elective deferrals. For the years ended December 31, 2021 and 2020, the Employer did not make any matching contributions.

The Plan also allows for an employer profit sharing contribution. To date, the Company has not declared any profit sharing contributions.

The participant contributions are allocated into various investment options offered by the Plan as the participants direct.

Participant Accounts

Each participant's account is credited with the contributions of the participant and Plan earnings net of certain investment and management fees. Allocations are based on participants' earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

C&L AVIATION SERVICES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. **Description of the Plan (Continued)**

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to the lesser of \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12 month period, or 50 percent of their vested account balance. The loan must be entirely repaid within 5 years, or up to 30 years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at a reasonable rate determined at the time the loan is made, ranging from 4.25% to 7.50%. Principal and interest is paid ratably through bi-weekly payroll deductions, with maturity dates through 2026.

Withdrawals

The Plan allows withdrawals at retirement, disability, separation of service, or upon death. A withdrawal from a participant's account may also be permitted if the participant has a financial hardship, subject to Internal Revenue Service (IRS) regulations.

Upon termination of service due to retirement or permanent disability, a participant may elect to receive cash in one lump-sum payment or in installments equal to the value of the participant's vested interest in his or her account. If the vested benefits are \$5,000 or less, the participant may automatically receive a lump-sum cash distribution. If vested benefits exceed \$5,000, the participant may elect to keep their account in the Plan and maintain their account in any of the Plan investment options.

Participants are permitted to take in-service distributions upon attaining the age of 59 ½.

Vesting

Participants are immediately vested in their contributions, employer matching contributions and profit sharing plus accumulated earnings thereon.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments, Valuation Techniques and Income Recognition

The Plan's investments in mutual funds are stated at fair value based upon the quoted market prices which represent the net asset value of shares held by the Plan. See Note 3 for discussion of fair value measurements.

C&L AVIATION SERVICES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Net appreciation in fair value of investments includes realized and unrealized gains and losses in investments bought and sold or held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Non-investment costs, primarily accounting and administrative expenses of the Plan, are paid for by the Employer, which is a party-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions. Certain administrative fees are paid by the Plan or charged against Plan investment activities and are included in the Statement of Changes in Net Assets Available for Benefits and also represent party-in-interest transactions.

Contributions

Contributions from participants are recorded in the period in which payroll deductions are made. Employer matching and profit sharing contributions, if any, are recorded in the period to which the service relates.

Contributions determined to be in excess of maximum contribution levels for certain participants are refunded in the subsequent Plan year. Excess contributions were \$13,593 and \$26,088 in 2021 and 2020, respectively.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

2. **Summary of Significant Accounting Policies (Continued)**

Risks and Uncertainties

The Plan provides for investment options in mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated the impact of all subsequent events through October 11, 2022, the date the financial statements were available to be issued.

The Plan was restated effective June 1, 2022 in order to comply with the IRS Cycle 3 restatement. There were no significant changes to Plan operations as a result of this restatement.

3. **Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). For disclosures, a fair value hierarchy has been established that prioritizes the input to valuation techniques used to measure fair value into three levels:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Mutual funds	\$2,272,938	\$ —	\$ —	\$2,272,938
Money market fund	<u>5,043</u>	<u>—</u>	<u>—</u>	<u>5,043</u>
Total investments at fair value	<u>\$2,277,981</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$2,277,981</u>
<u>2020</u>				
Mutual funds	\$1,771,901	\$ —	\$ —	\$1,771,901
Money market fund	<u>7,342</u>	<u>—</u>	<u>—</u>	<u>7,342</u>
Total investments at fair value	<u>\$1,779,243</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$1,779,243</u>

Following is a description of the Plan's valuation methodologies for assets measured at fair value:

Money market fund – valued based upon quoted market prices which represent the net asset values of shares held by the Plan.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 to Form 5500:

4. **Reconciliation of Financial Statements to Schedule H of Form 5500 (Continued)**

The following is a reconciliation of the increase in net assets available for benefits for the year ended December 31, 2021:

Increase in net assets available for benefits per Form 5500	\$508,472
Participant contribution receivables	(934)
Excess contributions liability	<u>12,495</u>
Increase in net assets available for benefits per the financial statements	<u>\$520,033</u>

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 to Form 5500:

Net assets available for benefits per Form 5500	\$1,800,852
Participant contribution receivable	3,903
Excess contribution liability	<u>(26,088)</u>
Net assets available for benefits per the financial statements	<u>\$1,778,667</u>

The following is a reconciliation of the increase in net assets available for benefits for the year ended December 31, 2020:

Increase in net assets available for benefits per Form 5500	\$438,111
Participant contribution receivable	3,903
Excess contributions liability	<u>(26,088)</u>
Increase in net assets available for benefits per the financial statements	<u>\$415,926</u>

5. **Tax Status**

The Plan adopted a prototype 401(k) profit sharing plan (Prototype Plan), which was restated on May 13, 2020, and conforms the operations of the Plan to the Prototype Plan for which the IRS issued an opinion letter dated April 10, 2014, in which the IRS stated that the Plan was designed in accordance with the applicable requirements of the IRC. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code upon which the tax determination letter was based. See note 2. The Plan adopted a non-standardized pre-approved plan restated effective June 1, 2022, which received an opinion letter from the IRS as to the Plan's qualified status dated August 31, 2020.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest Transactions

The Plan is responsible for administrative fees to the extent they are not paid by the Plan sponsor. Administrative fees of \$21,695 and \$13,551 in 2021 and 2020, respectively, consist of amounts paid to the third party administrator and investment advisors for various administrative services. These transactions qualify as party-in-interest transactions, however they are exempt from the prohibited transactions rules under ERISA. In addition, notes receivable from participants totaling \$31,343 and \$21,609 as of December 31, 2021 and 2020, respectively, qualify as party-in-interest transactions.
