Report of Independent Auditor

To the Board of Trustees
Bandwidth Inc. 401(k) Profit Sharing Plan and Trust
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bandwidth Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BANDWIDTH INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following brief description of the Bandwidth Inc. (the “Company” or “Sponsor”) 401(k) Profit Sharing Plan and Trust (the “Plan”) (formerly Bandwidth.com 401(k) Profit Sharing Plan and Trust) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution, wage reduction, tax-deferred savings 401(k) plan established by the Company effective November 1, 2003, subsequently amended in accordance with the Internal Revenue Code (“IRC”) Section 415 Regulations and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective June 15, 2021, the Plan was amended to allow employees of Voxbone US LLC to participate in the Plan.

Transfers – Effective June 15, 2021, the TriNet 401(k) Plan for Employees of Voxbone US LLC merged into the Plan. In connection, the Plan recorded \$887,531 of transfers to the Plan.

Contributions – Participants may contribute up to the maximum percentage of compensation and dollar amounts permissible under the IRC not to exceed certain limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company's match and profit-sharing contribution are discretionary. The Company matched 100% of the first 3% of compensation that a participant contributed to the Plan from January 1, 2021 to February 28, 2021. Effective beginning March 1, 2021, the Company matched 100% of the first 4% of compensation that a participant contributed to the Plan. There were no profit-sharing contributions made to the Plan during the 2021 Plan year. All contributions are participant directed.

Eligibility – Each employee is eligible to participate in the Plan upon attaining age 21 and after completing one month of service as defined in the Plan document. Participants are entered into the Plan on the first day of the month following the date on which the participant first satisfies the eligibility requirements.

Participant Accounts – Each participant's account is credited with the participant's contributions, including any rollover amounts from qualified plans, and allocations of (a) employer matching and profit sharing, if declared by the Board of Trustees, and (b) Plan earnings (losses) and charged with benefit payments and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Investment of Assets – Participants direct their contributions and the Sponsor's contributions to one or more investment options provided by the Plan. Participant accounts are segregated for the purpose of determining the gains or losses on investments. The Plan's Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the investment offerings and monitors investment performance.

Vesting – Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Vesting in the employer contribution portion of participants' accounts is based upon the number of years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	33%
2 years	67%
3 years	100%

BANDWIDTH INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan (continued)

Payment of Benefits – Upon termination of service, retirement, death, disability, or a proven financial hardship, a participant may receive a lump-sum payment equal to the vested value of their account. Upon separation of service, a participant with a vested account balance over \$5,000 may receive the value of the vested interest in his or her account as a lump- or partial-sum distribution. For participants who separate with account balances of more than \$1,000 but less than \$5,000, the Plan Sponsor may direct a participant's fund to an Individual Retirement Account established in the participant's name. Any participant vested account balances under \$1,000 will be paid out as a lump-sum distribution upon separation. Participants may also take distributions prior to termination of employment if the participant has attained age 59½.

Forfeitures – When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeited, nonvested accounts can be used to reduce administrative expenses of the Plan or to reduce employer-matching contributions. During the year ended December 31, 2021, forfeitures used to reduce employer contributions totaled \$185,400. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$-0- and \$269, respectively.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25% to 6.50%, which is determined based on the rates available for similar loans from commercial lending institutions. Principal and interest are paid ratably through semi-monthly payroll deductions. Participant loans must be repaid within a period of five years, unless such loan is for the purchase of the participant's primary residence, which then may not extend beyond 10 years from the date of the loan. Loans mature through 2030.

Note 2—Summary of significant accounting policies

Basis of Presentation – The Plan's financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 4 – Fair value measurements*.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid. At December 31, 2021 and 2020, there were no benefit payments that had been requested but not yet paid.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

BANDWIDTH INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Notes Receivable from Participants – Notes receivable from participants is measured at their principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowances for credit losses have been recorded as of December 31, 2021 or 2020. Loans are considered to be in default and uncollectible by the Plan if any scheduled loan repayments are not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due.

Administrative Expenses – As provided by the Plan Agreement, administrative expenses related to Plan investments and administration are paid by the Plan, and other administrative expenses are paid by the Plan Sponsor.

Note 3—Information certified by the Plan’s qualified institution (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (the “Trustee”) at December 31, 2021 and 2020, has certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

The Plan’s independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4—Fair value measurements

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

BANDWIDTH INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 4—Fair value measurements (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

There have been no changes in the methodologies used at December 31, 2021 or 2020. Following are descriptions of the valuation methodologies used for assets measured at fair value.

Mutual Funds – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Money Market Fund – These investments are generally short-term money market funds valued using \$1 for the unit value. The Trustee reports the market and quotes the prices, on a daily basis, that are available to market participants. The investments are valued at amortized cost, which approximates fair value. These are considered Level 2 investments because the inputs used to determine fair value are not quoted prices in an active market.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 67,978,045	\$ -	\$ -	\$ 67,978,045
Money market fund	-	1,095,616	-	1,095,616
Total investment assets	\$ 67,978,045	\$ 1,095,616	\$ -	\$ 69,073,661

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 50,126,286	\$ -	\$ -	\$ 50,126,286
Money market fund	-	644,445	-	644,445
Total investment assets	\$ 50,126,286	\$ 644,445	\$ -	\$ 50,770,731

Note 5—Plan termination

Although it has not expressed any intent to do so, the Company has the right at any time under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

BANDWIDTH INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 6—Tax status

The Plan uses a Non-standardized Pre-Approved Profit-Sharing plan sponsored by Fidelity Management & Research Company. The Internal Revenue Service (“IRS”) has determined and informed Fidelity Management & Research Company by letter dated June 30, 2020, that the prototype document satisfies the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS and the Plan has been amended since receiving the determination letter. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or an asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7—Party-in-interest transactions

Fees paid to the Trustee and investment advisor by the Plan totaled \$85,211, for the year ended December 31, 2021, and qualify as party-in-interest transactions.

Notes receivable from participants qualify as party-in-interest transactions.

Note 8—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through October 11, 2022, the date these financial statements were available to be issued.
