# Shearwater Health 401(k) Plan

2021 Client Service Communication

**The Plan Administrator of  
Shearwater Health 401(k) Plan:**

We have audited the financial statements of the Shearwater Health 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) as of and for the year ended December 31, 2021, and have issued our report thereon dated October 13, 2022. As permitted by Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan by John Hancock Life Insurance Company (U.S.A.), which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 21, 2022. Professional standards also require that we communicate to you the following information related to our audit.

This information is intended solely for the information and use of the plan administrator, participants and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the confidence you place in LBMC as your business advisor. We strive to help you stay compliant, manage risk, and improve performance as you manage your employee benefit plan.

| <b>Qualitative Aspects of Accounting Practices – Accounting Policies</b> | Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new significant accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.                                                                                                                                                                                                                                                                                                                             |
| <b>Qualitative Aspects of Accounting Practices - Estimates</b>           | <p>Accounting estimates are an integral part of the Plan's financial statements and are based on management's knowledge and experience, as well as certain assumptions. Certain accounting estimates are particularly sensitive due to: (i) their significance to the financial statements; and (ii) because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements relate to management's estimate of the fair value of the Plan's investments. Investments are carried at fair value as determined on the last day of the Plan year, as described in Note 4 to the financial statements.</p> <p>We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole.</p> |
| <b>Qualitative Aspects of Accounting Practices – Disclosures</b>         | Financial statement disclosures are neutral, consistent and clear.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| <b>Disagreements with Management</b>                               | <p>For purposes of this report “disagreements with management” include matters that, individually or in the aggregate, could be significant to the Plan’s financial statements or the auditors’ report, regardless of whether they were satisfactorily resolved. Examples of such matters include, but are not limited to, the application of accounting principles to a specific transaction, the basis for management’s judgments about accounting estimates and the scope of the audit. We are pleased to report that no such disagreements arose during the course of our audit.</p> |
| <b>Management Consultations with Other Independent Accountants</b> | <p>If management were to consult with other accountants about the application of an accounting principle to the Plan’s financial statements or the type of auditors’ opinion that may be expressed on those statements, professional standards require the consulting accountant to confer with us to determine that the consultant has all relevant facts. To our knowledge, there were no such consultations with other accountants.</p>                                                                                                                                               |

| <b>Information Accompanying the Financial Statements</b> | Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). |
| <b>Corrected and Uncorrected Misstatements</b>           | While professional standards require communication of all misstatements identified during the audit that are more than trivial in nature and magnitude to management, we are pleased to report that no such misstatements were identified as a result of our audit procedures.                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

# Internal Control Related Matters

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan by John Hancock Life Insurance Company (U.S.A.), that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During the course of our audit, we identified the following item that is an opportunity for improving internal controls and enhancing compliance with Internal Revenue Service and DOL regulations:

## **Proper remittance of employee contributions**

During our testing of employee contributions, we noted participants whose employee contribution amount per payroll was different than the amount deposited in his or her participant account. The employees inadvertently did not have deferrals withheld for multiple pay periods. Management did correct this error by remitting the deferral amount and the related earnings thereon for the employees to the trust; however, the amount was never run through payroll. We recommend management implement policies and procedures to review all participant contribution remittances to ensure that the participant accounts are in agreement with contributions per payroll. Total remittances per payroll should be traced to the trust deposits on a periodic basis.

# Internal Control Related Matters

**Calculation of compensation**

During our testing of participant deferrals, we noted participants whose compensation deferred upon were not in agreeance with compensation per the Plan document. We recommend management establish periodic review procedures to ensure participant deferrals are determined based on compensation as defined in the Plan document.

## Independent Auditors' Report

The Plan Administrator  
Shearwater Health 401(k) Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the financial statements of the Shearwater Health 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution")

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - 2021 Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and the schedule of delinquent participant contributions for the year then ended are presented for the purpose of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Other Matter - Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by a qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

# **SHEARWATER HEALTH 401(K) PLAN**

## **Notes to the Financial Statements**

**December 31, 2021 and 2020**

### **(1) Description of plan**

The following description of the Shearwater Health 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **(a) General**

The Plan is a defined contribution plan which was adopted on January 1, 2016 to provide retirement benefits for employees of Shearwater Health (the "Plan Sponsor"). The Plan covers substantially all employees who have completed one year of service ("participants"). Employees who are not eligible to participate in the Plan include certain non-resident aliens and collective bargaining (union) employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2021, the Plan Sponsor restated the Plan to adjust the plan entry date to the 1st of each month.

#### **(b) Contributions**

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants may elect to make their contributions on an after-tax basis in the form of Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are permitted up to 100% of compensation, subject to IRC limitations.

The plan allows for discretionary matching contributions, as determined annually by the Plan Sponsor's management. Discretionary matching contributions totaled \$124,922 and \$184,568 as of December 31, 2021 and 2020, respectively.

Effective September 15, 2020, matching contributions were suspended and the Plan was amended to remove the requirement for safe harbor nonelective matching contributions.

Plan Sponsor and participant contributions may not exceed the maximum amount deductible for federal income tax purposes.

#### **(c) Participant accounts**

Each participant's account is credited or charged with the participant's and Plan Sponsor contributions, and allocations of investment earnings or losses and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

# **SHEARWATER HEALTH 401(K) PLAN**

## **Notes to the Financial Statements**

**December 31, 2021 and 2020**

**(d) Vesting**

Participants are immediately vested in their elective salary deferral contributions plus actual earnings or losses thereon. Effective January 1, 2021, participants will now vest immediately in Plan Sponsor discretionary profit sharing and matching contributions. Prior to January 1, 2021, vesting in Plan Sponsor discretionary profit sharing and matching contributions is based on years of continuous service. Participants vest 20% after the two years of service and an additional 20% each year until fully vested after six years.

**(e) Payment of benefits**

On termination of service due to death, permanent disability, retirement or other reasons, a participant is entitled to receive the vested interest in his or her account balance as a lump-sum distribution. If the vested value of a participant's account is less than \$5,000, the total vested balance is distributed as an automatic lump-sum payment in cash. For participant accounts greater than \$5,000, the participant must consent to any distribution of the account. However, the Plan Administrator will distribute the vested account balance in a lump-sum without the participant's consent after their attainment of age 65.

**(f) Forfeited accounts**

Forfeitures are created when participants terminate employment prior to becoming fully vested in any Plan Sponsor discretionary contribution portion of their accounts. Such forfeitures may be used to reduce the Plan Sponsor's contributions to the Plan or used to pay administrative expenses.

**(g) Administrative expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions and administration of notes receivable are charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

**(h) Plan termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA.

**(2) Summary of significant accounting policies**

**(a) Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

# **SHEARWATER HEALTH 401(K) PLAN**

## **Notes to the Financial Statements**

**December 31, 2021 and 2020**

**(b) Investment valuation and income recognition**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(c) Payment of benefits**

Benefits are recorded when paid.

**(d) Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(e) Events occurring after reporting date**

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2021 and October 13, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

**(3) Certified information**

Certified information related to investments reported and disclosed in the accompanying financial statements and supplemental schedule, including the fair of investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments for the year ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) ("John Hancock").

## Notes to the Financial Statements

December 31, 2021 and 2020

### (4) Investments measured at net asset value using the practical expedient

The Plan's investments (pooled separate accounts) are measured at net asset value ("NAV") as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy. The NAV is based on the market value of the underlying investments held by the pooled separate account at year end. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to temporarily delay or withdrawal from the pool in order to ensure that security liquidations will be carried out in an orderly business manner.

The following table summarizes investments for which the fair value is measured using the NAV as a practical expedient as of December 31, 2021 and 2020:

| Description                 | Fair Value<br><u>12/31/2021</u> | Fair Value<br><u>12/31/2020</u> | Unfunded<br><u>Commitments</u> | Redemption<br>Frequency (if<br><u>currently eligible</u> ) | Redemption<br><u>Notice Period</u> |
|-----------------------------|---------------------------------|---------------------------------|--------------------------------|------------------------------------------------------------|------------------------------------|
| Pooled separate<br>accounts | \$2,755,373                     | \$1,829,968                     | N/A                            | Daily                                                      | N/A                                |

The Plan holds various pooled separate accounts that are not direct filing entities. A majority of these pooled separate accounts seek to mirror the investment objectives and strategies of the underlying mutual fund for which the pooled separate account is named. Certain other pooled separate accounts are target date funds which seek capital appreciation and current income consistent with asset allocation that become more conservative over time to the specified retirement date, and other pooled separate accounts are lifestyle funds which seek returns consistent with the stated investment style.

### (5) Income tax status

The Plan Sponsor adopted a prototype standardized profit sharing plan with Coda which has received a favorable opinion letter from the IRS dated December 1, 2014, which stated that the prototype plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan, as amended, is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

# **SHEARWATER HEALTH 401(K) PLAN**

## **Notes to the Financial Statements**

**December 31, 2021 and 2020**

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(6) Untimely remittance of participant contributions**

The Plan Sponsor is required by Department of Labor regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions withheld from payrolls during 2021, the funds were not remitted timely. Imputed lost earnings applicable to these contributions were contributed to the Plan during 2021.

**(7) Related-party and party-in-interest transactions**

Certain Plan investments are shares of pooled separate accounts managed by John Hancock and, therefore, these transactions qualify as party-in-interest transactions under the ERISA. As described in Note 1, the Plan paid administrative expenses to various service providers which also qualify as party-in-interest transactions.

**(8) Reconciliation of financial statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:

|                                                                |                     |

## **Notes to the Financial Statements**

**December 31, 2021 and 2020**

### **(9) Risks and uncertainties**

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
